Item 1.01. Entry into a Material Definitive Agreement.

Contribution and Exchange Agreement

On February 15, 2026, Ekso Bionics Holdings, Inc., a Nevada corporation (“Ekso” or the “Company”), entered into a Contribution and Exchange Agreement (the “Contribution and Exchange Agreement”) with APLD Intermediate HoldCo LLC, a Delaware limited liability company (“APLD Intermediate”), APLD ChronoScale HoldCo LLC, a Delaware limited liability company and a wholly owned subsidiary of APLD Intermediate (“Contributor”), each a wholly owned direct or indirect subsidiary of Applied Digital Corporation, a Nevada corporation (“APLD”), and Applied Digital Cloud Corporation, a Nevada corporation, which at the time of the Closing (as defined below), will be a wholly owned subsidiary of Contributor (“Cloud”), for purposes of consummating a business combination (the “Business Combination”), as a result of which (i) Cloud will become a wholly owned subsidiary of the Company, (ii) the Company will, immediately after the consummation of the Business Combination (the “Closing”), continue as the parent of the combined company, and (iii) the Company will change its name to ChronoScale Corporation (“ChronoScale”). Capitalized terms used but not defined herein shall have the meanings given to them in the Contribution and Exchange Agreement.

Subject to the satisfaction or waiver of the conditions set forth in the Contribution and Exchange Agreement, Contributor will contribute all of its right, title and interest in and to 1,200 shares of the common stock of Cloud, constituting 100% of the issued and outstanding equity of Cloud (the “Contributed Shares”), to the Company in exchange for 138,216,820 newly issued shares (the “Exchanged Shares”) of the Company’s common stock, par value \$0.001 per share (the “Common Stock”).

As a result of and upon the consummation of the Business Combination, Contributor is expected to own approximately 97% of the combined company’s outstanding equity before giving effect to the other transactions contemplated by the Contribution and Exchange Agreement. The Exchanged Shares will be issued in a private placement transaction exempt from the registration requirements under the Securities Act of 1933, as amended (the “Securities Act”), will initially bear customary restrictive legends, and will be subject to legend removal in accordance with the terms of the Contribution and Exchange Agreement and applicable law, including Rule 144, when the conditions therefor are met.

Closing Conditions

The Closing is subject to certain customary mutual conditions, including:

- (a) stockholder approval of the Business Combination as set forth in the Contribution and Exchange Agreement and related proposals (“Stockholder Approval”);
- (b) an Information Statement or a Proxy Statement must be cleared by the Securities and Exchange Commission (the “SEC”) and sent to the Company’s stockholders in accordance with Regulation 14A under the Securities and Exchange Act of 1934, as amended (the “Exchange Act”), and in the case of the Information Statement, such mailing must be at least twenty (20) calendar days prior to Closing;
- (c) No order or law shall have been entered, adopted, enacted, issued, promulgated or enforced, in each case, by a governmental entity that prevents, enjoins, prohibits, restrains or makes illegal the consummation of the Business Combination or the other transactions contemplated by the Contribution and Exchange Agreement;
- (d) All requisite approvals or waivers as required by the terms of the Contribution and Exchange Agreement shall have been obtained;
- (e) The Company shall have cash and cash equivalents equal to at least \$15,000,000, inclusive of net proceeds of the PIPE Investment (as defined below); and
- (f) The Second Amended and Restated Articles of Incorporation of the Company (the “Second Restated Articles”) shall have been duly adopted by all necessary corporate action on the part of the Company, filed with the Secretary of State of the State of Nevada, and shall be in full force and effect as of immediately prior to the Closing.

The obligation of each party to consummate the Business Combination is also conditioned upon (i) performance and compliance by the other party in all material respects with its pre-Closing obligations and covenants under the Contribution and Exchange Agreement, (ii) the accuracy of the representations and warranties of the other party as of the Closing (subject to customary materiality qualifiers), (iii) in both Cloud’s and the Company’s case, the absence of a continuing material adverse effect with respect to the other party, (iv) in Cloud’s case, that (a) the PIPE Investment for gross proceeds of an amount to be determined by APLD Intermediate and on terms acceptable to APLD Intermediate, shall have been consummated concurrently with the Closing, (b) certain third-party consents as required by the terms of the Contribution and Exchange Agreement shall have been obtained, (c) the Nasdaq listing application shall have been submitted and approved, (d) the Investor Rights Agreement shall be in full force and effect at Closing, and (e) certain tail insurance policies as described in the Contribution and Exchange Agreement have been bound, paid for and in effect.

Representations, Warranties, and Covenants

The Company, Cloud, APLD Intermediate and Contributor have each made customary representations, warranties and covenants in the Contribution and Exchange Agreement. Subject to certain exceptions, the Company has agreed, among other things, to covenants relating to the conduct of its business during the interim period between the execution of the Contribution and Exchange Agreement and Closing. In addition, subject to certain exceptions, the Company has agreed to covenants relating to (i) the submission of the Contribution and Exchange Agreement to the Company's stockholders for approval by written consent or at a meeting thereof, and (ii) recommendation by the Board of Directors of the Company (the "Board") in favor of the adoption by the Company's stockholders of the Contribution and Exchange Agreement.

Non-Solicitation

The Company is subject to customary "no-shop" restrictions on its ability to solicit alternative acquisition proposals, to furnish information to, and participate in discussions or negotiations with, third parties regarding any alternative acquisition proposals. Neither Contributor nor APLD Intermediate shall solicit, discuss or negotiate any acquisition proposal with respect to Cloud other than with the Company; however, transactions involving Cloud as part of any proposed sale of APLD are not restricted.

Termination Fees and Expenses

The Contribution and Exchange Agreement contains certain customary termination rights for the Company and APLD Intermediate. Either the Company or APLD Intermediate may terminate the Contribution and Exchange Agreement (i) by mutual written consent, (ii) if the Business Combination has not been consummated on or before July 15, 2026, (iii) if any Order restrains, enjoins or otherwise prohibits the consummation of the Business Combination, or (iv) if the other party materially breaches or if there is a material inaccuracy in any of their respective representations, or warranties or the other party failed to perform any of its covenants or other agreements that results in the failure of the related closing condition to be satisfied, subject to a cure period in certain circumstances. In addition, APLD Intermediate may terminate the Contribution and Exchange Agreement if (i) the Company fails to obtain the requisite Stockholder Approval either by written consent or at a duly convened meeting of the Company's stockholders, in either case, by the applicable deadline, or (ii) at any time after or concurrently with the announcement of a sale of APLD.

Unless the Contribution and Exchange Agreement is terminated in accordance with its terms, the Company shall pay, at the Closing, all fees and expenses of the parties, including the fees and expenses of their respective advisers, counsel, accountants and other experts, if any, as well as all other out-of-pocket expenses incurred by such parties in connection with the negotiation, preparation, execution, and delivery of the Contribution and Exchange Agreement. If the Contribution and Exchange Agreement is terminated in accordance with its terms, each party shall be responsible for its own expenses, and APLD Intermediate and Contributor shall be responsible for any expenses incurred by Cloud.

The Closing is expected to occur in the second calendar quarter of 2026. However, there can be no assurance that the Business Combination will be completed on or prior to that time, or at all.

In connection with, and as a condition to the consummation of, the Business Combination, the Company intends to complete a private placement of shares of the Company's Common Stock or convertible preferred stock up to an amount to be determined by APLD Intermediate (the "PIPE Investment"). The PIPE Investment, when consummated, will be dilutive to both Ekso legacy stockholders and Cloud.

The foregoing description of the Contribution and Exchange Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Contribution and Exchange Agreement, which is filed as Exhibit 10.1 hereto and incorporated by reference herein.

Investor Rights Agreement

In connection with, and effective upon, the Closing, the Company and the Contributor will enter into an Investor Rights Agreement (the "Investor Rights Agreement"). Pursuant to the Investor Rights Agreement, the APLD Investor (as defined therein), or any group of APLD Investors collectively, that beneficially owns a majority of the outstanding voting securities of the combined company at any time will have the right to designate four (4) of the seven (7) directors on the combined company's Board, including the Chairman (each such director, the "APLD Designee"). The initial APLD Designees, as of the Closing, are expected to be Wes Cummins (Chairman), Jason Zhang, Ella Benson and Richard Nottenburg, and the rest of the Board at the Closing is expected to be comprised of the combined company's Chief Executive Officer and two directors mutually agreed upon by the APLD Designator (as defined in the Investor Rights Agreement) and the Company.

In addition, if the APLD Investors beneficially own less than a majority of the outstanding voting securities of the combined company, the APLD Investor(s) will be entitled to designate (i) if the APLD Investors beneficially own 25% or more of such voting securities, three directors, (ii) if the APLD Investors beneficially own at least 10% (but less than 25%) of such voting securities, two directors, and (iii) if the APLD Investors beneficially own less than 10% of such voting securities, one director. Any changes to the size of the combined company's Board while the APLD Investors collectively beneficially own at least 30% of such company's voting securities will require the written consent from the APLD Designator.

The Investor Rights Agreement also provides the APLD Investor (or group of APLD Investors) with (i) customary registration rights with respect to the resale of the Exchanged Shares received in the Business Combination, (ii) certain preemptive rights so long as the APLD Investors collectively beneficially own at least 10% of the combined company's voting securities, (iii) consent rights so long as the APLD Investors beneficially own at least 30% of the combined company's voting securities and (iv) certain governance, information and other rights with respect to the combined company.

The foregoing description of the Investor Rights Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Investor Rights Agreement, a form of which is attached as Exhibit A to the Contribution and Exchange Agreement and filed as Exhibit 10.2 hereto and incorporated by reference herein.

On February 14, 2026, the Board approved the 2026 Omnibus Equity Incentive Plan (the “2026 Plan”), which will be adopted in connection with the Business Combination, will only become effective immediately upon Closing and is subject to stockholder approval. The purpose of the 2026 Plan is to provide a means whereby eligible employees, officers, non-employee directors and other service providers develop a sense of proprietorship and personal involvement in the development and financial success of ChronoScale and to encourage them to devote their best efforts to the business of ChronoScale, thereby advancing the interests of ChronoScale and its stockholders. The key provisions of the 2026 Plan are as follows:

- The 2026 Plan will continue until terminated by the Board, but no awards shall be granted on or after the 10th anniversary of the date of the 2026 Plan’s initial adoption by the Board.
- The 2026 Plan provides for the grant of stock options, stock appreciation rights, restricted stock, restricted stock units, performance shares, and performance stock units, incentive bonus awards, other cash-based awards and other stock-based awards to eligible employees, non-employee directors and other service providers, to be granted from time to time as determined by the Board or its designees.
- An aggregate of 22,500,000 shares of Common Stock will be authorized for issuance pursuant to awards under the 2026 Plan.
- The 2026 Plan will be administered by the Board or, if designated by the Board, the committee of the Board delegated with the authority to administer the 2026 Plan.

The foregoing description of the 2026 Plan does not purport to be complete and is qualified in its entirety by reference to the full text of the 2026 Plan, which is filed as Exhibit 10.3 hereto and incorporated by reference herein.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On February 14, 2026, the Board adopted an amendment (“Amendment No. 1”) to the Company’s amended and restated by-laws (the “Bylaws”) to align certain provisions of the Bylaws with Nevada law by (i) removing the provision of the Bylaws prohibiting stockholder action by written consent, and (ii) revising the record date provision to clarify that such provision is only applicable to meetings of stockholders.

On February 14, 2026, the Board approved the Second Restated Articles, which will only become effective immediately prior to the Closing, subject to stockholder approval, and the Second Amended and Restated Bylaws (the “Second Restated Bylaws”), which will only become effective upon the Closing.

Under the Second Restated Articles, (i) the authorized shares of Common Stock will be increased from 141,428,571 to 290,000,000, (ii) ChronoScale will waive corporate opportunities for members of the Board and its stockholders, (iii) ChronoScale will elect not to be governed by Nevada Revised Statutes (“NRS”) 78.411 through NRS 78.444 and (iv) ChronoScale will permit removal of directors only for cause and require the affirmative vote of not less than 75% of the voting power of all of the then outstanding shares of stock entitled to vote in the election of directors to remove any director, among other things.

Under the Second Restated Bylaws:

- For so long as APLD beneficially owns more than 50% of the voting power of the then outstanding shares of capital stock of ChronoScale, (i) the voting power of at least two thirds of the then outstanding shares entitled to vote at a meeting of the stockholders will be required to constitute a quorum and (ii) stockholders will be permitted to act via written consent; provided, however, that stockholders will not be permitted to act via written consent if APLD no longer beneficially owns more than 50% of the voting power of the then outstanding shares of capital stock of ChronoScale.
 - NRS 78.378 through 78.3793 shall apply to ChronoScale; provided, however, that such statutes shall not apply to APLD and its subsidiaries.
-

- For so long as there are at least two APLD Designees serving on the Board, the presence of at least one such APLD Designee shall be required to constitute a quorum of the Board.
- For so long as APLD beneficially owns at least 30% of the voting power of the then outstanding shares of capital stock of ChronoScale, the Second Restated Bylaws may be amended by the Board without the approval of the stockholders; provided, however, that upon such time as APLD beneficially owns less than 30% of the voting power of the then outstanding shares of capital stock of ChronoScale, the Board may not amend the Second Restated Bylaws without the approval of the stockholders or the stockholders may not amend the Second Restated Bylaws without the approval of the Board.
- There shall be no cumulative voting in the election of directors.

The foregoing descriptions of Amendment No.1, the Second Restated Articles and the Second Restated Bylaws do not purport to be complete and are qualified in their entirety by reference to the full text of each of Amendment No.1, the Second Restated Articles and Second Restated Bylaws, which are filed as Exhibits 3.1, 3.2 and 3.3, respectively, hereto and incorporated by reference herein.

In the alternative, the Company will mail the definitive proxy statement and other relevant materials to Ekso’s stockholders as of a record date to be established for purposes of voting on the Business Combination and other matters described therein. No Offer or Solicitation

This Current Report on Form 8-K is for informational purposes only and is not a proxy statement, information statement or solicitation of a proxy, consent, or authorization with respect to any securities or in respect of the Business Combination and shall not constitute an offer to sell or exchange, or a solicitation of an offer to buy or exchange the securities of Ekso, Cloud or ChronoScale, or any commodity or instrument or related derivative, nor shall there be any sale of any such securities in any state or jurisdiction in which such offer, solicitation, sale or exchange would be unlawful prior to registration or qualification under the securities laws of such state or jurisdiction. No offer of securities shall be made except by means of a prospectus meeting the requirements of the Securities Act, or an exemption therefrom. Investors should consult with their counsel as to the applicable requirements for a purchaser to avail itself of any exemption under the Securities Act.

12. That the corporation’s board of directors duly adopted resolutions proposing to amend and restate the Restated Articles of Incorporation of this corporation currently in effect, declaring said amendment and restatement to be advisable and in the best interests of this corporation and its stockholders.
13. That these Second Amended and Restated Articles of Incorporation, which amend and restate the provisions of the Corporation’s Restated Articles of Incorporation currently in effect, have been duly adopted in accordance with NRS 78.315 and 78.320.

RESOLVED, that Pursuant to the provisions of Title 7, Chapter 78 of the NRS, the Restated Articles of Incorporation of the corporation currently in effect be amended and restated in their entirety to read as follows:

FIRST. The name of the corporation is ChronoScale Corporation (the “**Corporation**”).

SECOND. The purpose of the Corporation is to engage in any lawful act or activity for which corporations may be organized under Chapter 78 of the Nevada Revised Statutes.

THIRD. The total number of shares of capital stock which the Corporation shall have authority to issue is 300,000,000, consisting of 290,000,000 shares of common stock, par value of \$0.001 per share (the "**Common Stock**"), and 10,000,000 shares of preferred stock, par value of \$0.001 per share (the "**Preferred Stock**"). Each share of Common Stock shall entitle the holder thereof to one vote, in person or by proxy, on any matter on which action of the stockholders of the Corporation is sought. The holders of shares of Preferred Stock shall have no right to vote such shares, except (i) as determined by the board of directors of the Corporation (the "**Board of Directors**") in accordance with the provisions of Section 3 of Article FOURTH of these Articles of Incorporation, or (ii) as otherwise provided by the NRS, as amended from time to time.

FOURTH. The Board of Directors of the Corporation shall be, and hereby is, authorized and empowered, subject to such limitations prescribed by law and the provisions of this Article FOURTH, to provide for the issuance of the shares of Preferred Stock in a class or series, and by filing a certificate of designation pursuant to NRS 78.1955, to establish from time to time the number of shares to be included in each such class or series, and to fix the designations, powers, preferences and rights of the shares of each such class or series and the qualifications, limitations or restrictions of each such class or series. The authority of the Board of Directors with respect to each class or series shall include, but not be limited to, determination of the following:

1. The number of shares constituting such class or series and the distinctive designation of such class or series;
2. The dividend rate on the shares of such class or series, whether dividends shall be cumulative and, if so, from which date or dates, and the relative rights of priority, if any, of payment of dividends on shares of such class or series;
3. Whether such class or series shall have voting rights, in addition to the voting rights provided by law, and, if so, the terms of such voting rights;
4. Whether such class or series shall have conversion privileges, and, if so, the terms and conditions of such conversion privileges, including provision for the adjustment of the conversion rate, in such events as the Board of Directors shall determine;
5. Whether the shares of such class or series shall be redeemable, and, if so, the terms and conditions of such redemption, including the date or date upon or after which those shares shall be redeemable, and the amount per share payable in the event of redemption, which amount may vary in different circumstances and at different redemption dates;
6. Whether such class or series shall have a sinking fund for the redemption or purchase of shares of such class or series, and, if so, the terms and amount of such sinking fund;
7. The rights of the shares of such class or series in the event of voluntary or involuntary liquidation, dissolution or winding up of this corporation, and the relative rights of priority, if any, of payment of shares of such class or series; and
8. Any other relative rights, preferences and limitations of such class or series.

Dividends on issued and outstanding shares of Preferred Stock shall be paid or declared and set apart for payment prior to any dividends being paid or declared and set apart for payment on the shares of Common Stock with respect to the same dividend period.

If, upon any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, the assets of the Corporation available for distribution to holders of shares of Preferred Stock of all classes and series shall be insufficient to pay such holders the full and complete preferential amount to which such holders are entitled, then such assets shall be distributed ratably among the shares of all classes and series of Preferred Stock in accordance with the respective preferential amounts, including unpaid cumulative dividends, if any, payable with respect thereto.

FIFTH. The personal liability of any director or officer of the Corporation shall be eliminated or limited to the fullest extent permitted by the Nevada Revised Statutes. Any repeal or modification of this article by the stockholders of the Corporation shall not adversely affect any right or protection of any director of the Corporation existing at the time of such repeal or modification.

SIXTH. The Corporation reserves the right at any time, and from time to time, to amend, alter, change or repeal any provision contained in these Articles of Incorporation, and other provisions authorized by the laws of the State of Nevada at the time in force may be added or inserted, in the manner now or hereafter prescribed by law; and all rights, preferences and privileges of any nature conferred upon stockholders, directors or any other persons by and pursuant to these Articles of Incorporation in its present form or as hereafter amended are granted subject to the rights reserved in this Article SIXTH.

SEVENTH. Capital stock issued by the Corporation after the amount of the subscription price or par value therefor has been paid in full shall not be subject to pay debts of the Corporation, and no capital stock issued by the Corporation and for which payment has been made shall ever be assessable or assessed.

EIGHTH. In furtherance and not in limitation of the powers conferred by the State of Nevada:

1. The management of the business and the conduct of the affairs of the Corporation shall be vested in the Board of Directors. The number of directors which shall constitute the whole Board of Directors shall be fixed by, or in the manner provided in, the Bylaws. Directors shall be elected by the holders of shares entitled to vote thereon at the annual meeting of shareholders and until their respective successor has been elected and qualified.
2. Notwithstanding any other provisions of these Articles of Incorporation or the Bylaws (and notwithstanding the fact that some lesser percentage may be specified by law, these Articles of Incorporation or the Bylaws), any director or the entire Board of Directors may be removed at any time, but only for cause and only by the affirmative vote of the holders of seventy-five percent (75%) or more of the voting power of the issued and outstanding stock of the Corporation entitled to vote generally in the election of directors (considered for this purpose as one class) cast at a meeting of the stockholders of the Corporation called for that purpose. Notwithstanding the foregoing, and except as otherwise required by law, whenever the holders of any one or more series of Preferred Stock shall have the right, voting separately as a class, to elect one or more directors of this corporation, the provisions of Section 2 of this Article EIGHTH shall not apply with respect to the director or directors elected by such holders of Preferred Stock.
3. Unless and except to the extent that the Bylaws shall so require, the election of directors of the Corporation need not be by written ballot.
4. Meetings of stockholders may be held within or without the State of Nevada, as the Bylaws may provide.

NINTH. The period of existence of the Corporation shall be perpetual.

TENTH. No contract or other transaction between this Corporation and any other corporation, whether or not a majority of the shares of the capital stock of such other corporation is owned by this Corporation, and no act of this corporation shall in any way be affected or invalidated solely by the fact that any of the directors of this Corporation are pecuniarily or otherwise interested in, or are directors or officers of such other corporation. Any director of the Corporation, individually, or any firm of which such director may be a member, may be a party to, or may be pecuniarily or otherwise interested in any contract or transaction of the Corporation; provided, however, that the fact that he or such firm is so interested shall be disclosed or shall have been known to the Board of Directors of the Corporation, or a majority thereof; and any director of this Corporation who is also a director or officer of such other corporation, or who is so interested, may be counted in determining the existence of a quorum at any meeting of the Board of Directors of this Corporation that shall authorize such contract or transaction, and may vote thereat to authorize such contract or transaction, with the same force and effect as if he or she were not such director or officer of such other corporation or not so interested.

ELEVENTH. All of the powers of the Corporation, insofar as the same may be lawfully vested by these Articles of Incorporation in the Board of Directors, are hereby conferred upon the Board of Directors of the Corporation. In furtherance and not in limitation of that power, the Board of Directors shall have the power to make, adopt, alter, amend and repeal from time to time bylaws of this Corporation, subject to the right of the shareholders entitled to vote with respect thereto to adopt, alter, amend and repeal bylaws made by the Board of Directors; provided, however, that bylaws shall not be adopted, altered, amended or repealed by the stockholders of this Corporation, except by the vote of the holders of not less than two thirds (2/3) of the voting power of the issued and outstanding stock entitled to vote upon the election of directors.

TWELFTH. Notwithstanding the execution and filing of these Second Amended and Restated Articles of Incorporation of the Corporation, that certain Series B Certificate of Designation, which was filed with the Nevada Secretary of State on January 22, 2026, a copy of which has been attached here as Exhibit A, is incorporated herein and shall remain in full force and effect as of the effective date hereof.

THIRTEENTH.

1. To the fullest extent permitted by the laws of the State of Nevada and in accordance with NRS 78.070(8), (i) the Corporation hereby renounces all interest and expectancy that it otherwise would be entitled to have in, and all rights to be offered an opportunity to participate in, any business opportunity that from time to time may be presented to (A) Applied Digital Corporation, a Nevada corporation (together with its subsidiaries, "**APLD**"), any directors who are employees of or Affiliates (other than the Corporation or its subsidiaries) of APLD or any of their respective principals, members, directors, partners, stockholders, officers, employees or other representatives (other than any such director who is also an employee of the Corporation or its subsidiaries), or (B) any director or stockholder who is not employed by the Corporation or its subsidiaries (each such person, an "**Exempt Person**"); (ii) no Exempt Person will have any duty to refrain from (X) engaging in a corporate opportunity in the same or similar lines of business in which the Corporation or its subsidiaries from time to time is engaged or proposes to engage or (Y) otherwise competing, directly or indirectly, with the Corporation or any of its subsidiaries; and (iii) if any Exempt Person acquires knowledge of a potential transaction or other business opportunity which may be a corporate opportunity both for such Exempt Person or any of his or her respective Affiliates, on the one hand, and for the Corporation or its subsidiaries, on the other hand, such Exempt Person shall have no duty to communicate or offer such transaction or business opportunity to the Corporation or its subsidiaries and such Exempt Person may take any and all such transactions or opportunities for itself or offer such transactions or opportunities to any other person. Notwithstanding the foregoing, the preceding sentence of this Section 1 of Article THIRTEENTH shall not apply to any potential transaction or business opportunity that is expressly offered to a director, officer or employee of the Corporation or its subsidiaries, solely in his or her capacity as a director, officer or employee of the Corporation or its subsidiaries. For purposes of this Article THIRTEENTH, "**Affiliate**" means, with respect to any person, any other person that directly or indirectly controls, is controlled by, or is under common control with, such person. For purposes of this definition, "**control**" (including, with correlative meanings, the terms "**controlled by**" and "**under common control with**") means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.
2. To the fullest extent permitted by the laws of the State of Nevada, no potential transaction or business opportunity may be deemed to be a corporate opportunity of the Corporation or its subsidiaries unless (i) the Corporation or its subsidiaries would be permitted to undertake such transaction or business opportunity in accordance with these Articles of Incorporation, (ii) the Corporation or its subsidiaries at such time have sufficient financial resources to undertake such transaction or business opportunity, (iii) the Corporation or its subsidiaries have an interest or expectancy in such transaction or opportunity and (iv) such transaction or opportunity would be in the same or similar line of business in which the Corporation or its subsidiaries are then engaged or a line of business that is reasonably related to, or a reasonable extension of, such line of business.

3. To the fullest extent permitted by law, no stockholder and no director will be liable to the Corporation or its subsidiaries or stockholders for breach of any duty solely by reason of any activities or omissions of the types referred to in this Article THIRTEENTH, except to the extent such actions or omissions are in breach of this Article THIRTEENTH.

FOURTEENTH. The Corporation expressly elects not to be governed by NRS 78.411 through NRS 78.444, inclusive, as from time to time in effect or any successor provision thereto.

IN WITNESS WHEREOF, these Second Amended and Restated Articles of Incorporation have been executed by a duly authorized officer of the Corporation on this [•] day of [•], 2026.

Series B Certificate of Designation

**CERTIFICATE OF DESIGNATION
OF THE POWERS, PREFERENCES AND
RELATIVE, PARTICIPATING, OPTIONAL AND OTHER RESTRICTIONS
OF SERIES B CONVERTIBLE PREFERRED STOCK
OF EKSO BIONICS HOLDINGS, INC.**

Ekso Bionic Holdings, Inc. (the "**Corporation**"), pursuant to the provisions of Sections 78.195 and 78.1955 of the General Corporation Law of the State of Nevada, does hereby make this Certificate of Designation of the Powers, Preferences and Relative, Participating, Optional and Other Restrictions (this "**Certificate of Designation**"), does hereby state and certify that pursuant to the authority expressly vested in the Board of Directors of the Corporation (the "**Board**") by the provisions of Third Article of the Restated Articles of Incorporation of the Corporation (the "**Articles**"), the Board duly adopted resolutions authorizing the issuance of 5,852 shares of convertible preferred stock, par value \$0.001 per share, and fixing the designation and preferences and relative, participating, optional and other special rights, and qualifications, limitations and restrictions, of a series of convertible preferred stock to be designated "Series B Convertible Preferred Stock," as further described below. This Certificate of Designation shall be in full force and effect as of the date hereof.

Section 1.1 Designation. As of the effective date of this Certificate of Designation, there is hereby created out of the authorized preferred stock of the Corporation a series of preferred stock designated as "Series B Convertible Preferred Stock" (the "**Preferred Stock**"), par value \$0.001 per share. The following rights, powers and privileges, and restrictions, qualifications and limitations, shall apply to the Preferred Stock and the holders of the Preferred Stock (each, a "**Holder**" and collectively, the "**Holders**").

(a) Rank. The Preferred Stock, if entitled to the receipt of dividends or of amounts distributable upon any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Corporation (a "**Liquidation**"), ranks, with respect to the payment of any such dividends and rights upon a Liquidation: (i) prior or senior to all classes or series of common stock of the Corporation, par value \$0.001 per share ("**Common Stock**"); (ii) on parity with other classes or series of our equity securities issued in the future if, pursuant to the specific terms of such class or series of equity securities, the holders of such class or series of equity securities are entitled to the receipt of dividends and of amounts distributable upon a Liquidation in proportion to their respective amounts of accrued and unpaid dividends per share or liquidation preferences, without preference or priority of one over the other; (iii) junior to any class or series of our equity securities if, pursuant to the specific terms of such class or series, the holders of such class or series are entitled to the receipt of dividends or amounts distributable upon a Liquidation in preference or priority to the Holders; and (iv) junior to all of the Corporation's existing and future debt.

(b) Liquidation, Dissolution or Winding Up; Certain Mergers, Consolidations and Asset Sales

(i) Payments to Holders of Preferred Stock. Upon Liquidation, before any distribution or payment shall be made to the holders of Common Stock or any other class or series of capital stock ranking junior to the Preferred Stock, by reason of their ownership thereof, and after payment or provision for the Corporation's debts and other liabilities, the Holders of shares of Preferred Stock then outstanding shall be entitled to be paid out of the funds and assets available for distribution to the stockholders of the Corporation, an amount per share equal to the Stated Value (as defined below) thereof, and excluding interest on any such payment. If upon a Liquidation, the funds and assets available for distribution to the stockholders of the Corporation shall be insufficient to pay the Holders of shares of Preferred Stock the full amount to which they are entitled under this Section 1.1(b)(i), the Holders of shares of Preferred Stock shall share ratably in any distribution of the funds and assets available for distribution in proportion to the respective amounts that would otherwise be payable in respect of the shares of Preferred Stock held by them upon such distribution if all amounts payable on or with respect to such shares were paid in full. The "**Stated Value**" shall mean One Thousand United States Dollars and No Cents (\$1,000.00), subject to an equitable adjustment for stock splits, stock combinations, recapitalizations and similar transactions.

(ii) Payments to Holders of Common Stock. In the event of a Liquidation, after the payment of all preferential amounts required to be paid to the Holders of shares of Preferred Stock as provided in Section 1.1(b)(i) and to the holders of shares of any other class or series of capital stock ranking senior to or on parity with the Preferred Stock, the remaining funds and assets available for distribution to the stockholders of the Corporation shall be distributed among the holders of shares of Common Stock, pro rata based on the number of shares of Common Stock held by each such holder. Upon a Liquidation, whether voluntary or involuntary, until payment in full is made to the holders of shares of Preferred Stock of the liquidation distribution to which they are entitled, (A) no dividend or other distribution shall be made to the holders of Common Stock or any other class or series of shares of capital stock of the Corporation ranking junior to the shares of Preferred Stock and (B) no purchase, redemption or other acquisition for any consideration by the Corporation shall be made in respect of the Common Stock or any other class or series of shares of capital stock of the Corporation ranking junior to the shares of Preferred Stock.

(iii) Exceptions. The consolidation or merger of the Corporation with or into any other corporation, trust or other entity, the consolidation or merger of any other corporation, trust or entity with or into the Corporation, the sale or transfer of any or all of the Corporation's assets or business or a statutory share exchange will not be deemed to constitute a Liquidation for purposes of this Section 1.1(b).

Section 1.2 Voting Rights.

(a) Except as otherwise provided herein or as otherwise required by law, the Preferred Stock shall have no separate voting rights.

(b) Holders shall vote together with the holders of Common Stock on an as converted to Common Stock basis (determined by dividing the Stated Value of such share of Preferred Stock by the Conversion Price (as defined below)), assuming the shares of Preferred Stock were converted with a Conversion Date occurring on such record or other relevant date; and the Holders will be entitled to notice of all stockholder meetings or proposed actions by written consent in accordance with the Articles, the Bylaws of the Corporation, and the General Corporation Law of the State of Nevada as if the Holders were holders of Common Stock. For the avoidance of doubt, the voting rights set forth in this Section 1.2(b) will not be limited or eliminated by the provisions in Section 1.5(d). Notwithstanding anything to the contrary in this Section 1.2, in no event shall the shares of Preferred Stock held by any Holder (together with such Holder's Attribution Parties (as defined below)) be entitled to have, on an as-converted basis and in aggregate, together with votes attributable to any other voting securities beneficially owned by such Holder and such Holder's Attribution Parties, a number of votes representing more than 19.99% of the then-combined voting power of all of the voting securities of the Corporation outstanding as of the time of such vote (the "**Voting Cap**"), provided, however, that if the Corporation's stockholders and such Holder approve the voting of the Preferred Stock above the Voting Cap, the Voting Cap will cease to apply with respect to such Holder (and such Holder's Attribution Parties). In the event that all shares of Preferred Stock held by any Holder and such Holder's Attribution Parties are not entitled to vote due to the Voting Cap, the number of votes that such Holder and such Holder's Attribution Parties are entitled to in terms of their respective shares of Preferred Stock shall be reduced on a pro rata basis such that the aggregate number of votes of the shares of Preferred Stock, after taking into account the votes attributable to all voting securities of the Corporation then held by such Holder and such Holder's Attribution Parties prior to the applicable date of determination, is equal to the Voting Cap.

(c) In any event, and notwithstanding the foregoing limitation, as long as any shares of Preferred Stock are outstanding, the Corporation shall not, without the affirmative vote of the holders of a majority of the then outstanding shares of the Preferred Stock, (i) alter, waive or change adversely the powers, preferences or rights given to the Preferred Stock or alter or amend this Certificate of Designation, (ii) authorize or create or issue any class of stock ranking as to dividends, redemption or distribution of assets upon a Liquidation senior to, or otherwise pari passu with, the Preferred Stock, (iii) increase or decrease the authorized number of shares of Preferred Stock, or (iv) amend its articles of incorporation or bylaws or file any articles of amendment, certificate of designation, preferences, limitations and relative rights of any series of preferred stock in any manner that adversely affects any rights given to this Preferred Stock regardless of whether any such action shall be by means of amendment to its articles of incorporation or by merger, consolidation or otherwise.

Section 1.3 Dividends. From and after the issuance date of such Preferred Stock, the Holders on the record date fixed for holders of Common Stock for dividends or distributions (or, in the event no such date is fixed prior to the first Preferential Dividend Record Date occurring following such dividends or distributions, on such Preferential Dividend Record Date) shall be entitled to receive, concurrently with any dividends or distributions, such dividends or distributions paid to the holders of Common Stock to the same extent as if such Holders had converted the Preferred Stock into Common Stock (without regard to any limitations on conversion) and had held such shares of Common Stock on such record date. The Preferred Stock shall not otherwise be entitled to any dividends or distributions.

Section 1.4 Conversion.

(a) Conversions at Option of Holder. Each share of Preferred Stock shall be convertible, at any time and from time to time from and after the date hereof at the option of the Holder thereof, into that number of shares of Common Stock determined by dividing the Stated Value of such share of Preferred Stock, by the Conversion Price (as defined below). Holders shall effect conversions by providing the Corporation with the form of conversion notice attached hereto as Annex A (a "Notice of Conversion"), and, only if the full or remaining number of shares of Preferred Stock represented by the certificate are being converted, but without delaying the Corporation's requirement to deliver shares of Common Stock in accordance with Section 1.5(c), by surrendering such certificate or certificates as soon as practicable on or following the delivery of the applicable Notice of Conversion (or an indemnification undertaking with respect to such Preferred Stock certificates in the case of its loss, theft, destruction or mutilation in compliance with the procedures set forth in Section 1.7(c)). Each Notice of Conversion shall specify the number of shares of Preferred Stock to be converted, the number of shares of Preferred Stock owned prior to the conversion at issue, the number of shares of Preferred Stock owned subsequent to the conversion at issue and the date on which such conversion is to be effected, which date may not be prior to the date the applicable Holder delivers by electronic mail such Notice of Conversion to the Corporation (such date, the "Conversion Date"). If no Conversion Date is specified in a Notice of Conversion, the Conversion Date shall be the date that such Notice of Conversion to the Corporation is deemed delivered hereunder. The calculations and entries set forth in the Notice of Conversion shall control in the absence of manifest or mathematical error. Shares of Preferred Stock converted into Common Stock or redeemed in accordance with the terms hereof shall be canceled and shall not be reissued.

(b) Conversion Price.

(i) The conversion price for the Preferred Stock shall equal \$8.22, subject to adjustment herein (the "**Conversion Price**").

(c) Mechanics of Conversion.

(i) Delivery of Conversion Shares Upon Conversion. Not later than the earlier of (i) one (1) Trading Day and (ii) the number of Trading Days comprising the Standard Settlement Period (as defined below) after each Conversion Date (the "**Share Delivery Date**"), the Corporation shall use its reasonable best efforts to deliver, or cause to be delivered, to the converting Holder the number of shares of Common Stock issuable upon conversion of the shares of Preferred Stock designated in the applicable Notice of Conversion (the "**Conversion Shares**") being acquired upon the conversion of the Preferred Stock. As used herein, "**Standard Settlement Period**" means the standard settlement period, expressed in a number of Trading Days, on Nasdaq Capital Market or other national securities exchange on which the Common Stock is listed (as applicable, the "**Principal Market**") with respect to the Common Stock as in effect on the date of delivery of the Notice of Conversion.

(ii) Failure to Deliver Conversion Shares. If, in the case of any Notice of Conversion, such Conversion Shares are not delivered to or as directed by the applicable Holder by the applicable Share Delivery Date, such Holder shall, to the fullest extent permitted by law, be entitled to elect by written notice to the Corporation at any time on or before its receipt of such Conversion Shares, to rescind such conversion, in which event the Corporation shall promptly return to such Holder the shares of Preferred Stock delivered to the Corporation and such Holder shall promptly return to the Corporation the Conversion Shares issued to such Holder pursuant to the rescinded Notice of Conversion. In the event of such rescission, the Corporation shall be obligated to pay accrued liquidated damages but there shall be no obligation to pay liquidated damages following such rescission with respect to the prior default by the Corporation for the rescinded Notice of Conversion. In addition, if, on or after the applicable Share Delivery Date, such Holder purchases (in an open market transaction or otherwise) Common Stock to deliver in satisfaction of a sale by such Holder of Common Stock issuable upon such conversion that such Holder anticipated receiving from the Corporation, then the Corporation shall, within two (2) Trading Days after such Holder's request and in such Holder's discretion, either (x) pay cash to such Holder in an amount equal to such Holder's total purchase price (including brokerage commissions and other out-of-pocket expenses, if any) for the shares of Common Stock so purchased (the "**Buy-In Price**"), at which point the Corporation's obligation to issue and deliver such certificate or credit such Holder's balance account with Depository Trust Company ("**DTC**") for the shares of Common Stock to which such Holder is entitled upon such Holder's conversion of the applicable shares of Preferred Stock shall terminate, or (y) promptly honor its obligation to deliver to such Holder a certificate or certificates representing such shares of Common Stock or credit such Holder's balance account with DTC for such shares of Common Stock and pay cash to such Holder in an amount equal to the excess (if any) of the Buy-In Price over the product of (A) such number of shares of Common Stock, times (B) the price at which the sell order giving rise to such purchase obligation was executed.

(iii) **Obligation Absolute; Partial Liquidated Damages.** The Corporation's obligation to issue and deliver the Conversion Shares upon conversion of Preferred Stock in accordance with the terms hereof are absolute and unconditional, irrespective of any action or inaction by a Holder to enforce the same, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim or recoupment; provided, however, that such delivery shall not operate as a waiver by the Corporation of any such action that the Corporation may have against such Holder. In the event a Holder shall elect to convert any or all of its Preferred Stock, the Corporation may not refuse conversion based on any claim that such Holder or any one associated or affiliated with such Holder has been engaged in any violation of law, agreement or for any other reason, unless an injunction from a court, on notice to Holder, restraining and/or enjoining conversion of all or part of the Preferred Stock of such Holder shall have been sought and obtained, and the Corporation posts a surety bond for the benefit of such Holder in the amount of 150% of the Stated Value of Preferred Stock which is subject to the injunction, which bond shall remain in effect until the completion of arbitration/litigation of the underlying dispute and the proceeds of which shall be payable to such Holder to the extent it obtains judgment in its favor. In the absence of such injunction, the Corporation shall issue Conversion Shares in accordance with the terms of this Certificate of Designation. If the Corporation fails to deliver to a Holder such Conversion Shares pursuant to Section 1.5(c)(i) on the Share Delivery Date applicable to such conversion, the Corporation shall pay to such Holder, in cash, as liquidated damages and not as a penalty, for each \$1,000 of Stated Value of the Preferred Stock being converted, \$10 per month (and increasing to \$20 per month on the second month, but not to exceed, in aggregate, \$100 per share) for each month after the Share Delivery Date until such Conversion Shares are delivered or Holder rescinds such conversion. Nothing herein shall limit a Holder's right to pursue actual damages for the Corporation's failure to deliver Conversion Shares within the period specified herein and such Holder shall have the right to pursue all remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief. The exercise of any such rights shall not prohibit a Holder from seeking to enforce damages pursuant to any other section hereof or under applicable law. As used herein, "**Person**" means an individual or corporation, partnership, trust, incorporated or unincorporated association, joint venture, limited liability company, joint stock company, government (or an agency or subdivision thereof) or other entity of any kind.

(iv) **Reservation of Shares Issuable Upon Conversion.** From and after the Subscription Date until the date no shares of Preferred Stock remain outstanding, the Corporation covenants that it will at all times reserve and keep available out of its authorized and unissued shares of Common Stock for issuances pursuant to the terms of this Certificate of Designation, free from preemptive rights or any other actual contingent purchase rights of Persons other than the Holders of the Preferred Stock, not less than 100% of such aggregate number of shares of the Common Stock as shall be issuable upon the conversion of all then outstanding shares of Preferred Stock at the Conversion Price then in effect (without regard to any limitation on conversions) (the "**Required Reserved Amount**"). The Corporation shall, so long as any of the Preferred Stock remains outstanding, take all action necessary to reserve and keep available out of its authorized and unissued Common Stock, solely for the purpose of issuing shares of Common Stock with respect of the Preferred Stock pursuant to the terms of this Certificate of Designation, no less than a number of shares of Common Stock equal to the applicable Required Reserved Amount. If at any time while any of the Preferred Stock remains outstanding the Corporation does not have a sufficient number of authorized and unreserved shares of Common Stock to satisfy its obligation to reserve for issuance upon conversion of the Preferred Stock at least a number of shares of Common Stock equal to the Required Reserved Amount (an "**Authorized Share Failure**"), then the Corporation shall immediately take all action necessary to increase the Corporation's authorized shares of Common Stock to an amount sufficient to allow the Corporation to reserve the Required Reserved Amount for the Preferred Stock then outstanding. Without limiting the generality of the foregoing sentence, as soon as practicable after the date of the occurrence of an Authorized Share Failure, but in no event later than sixty (60) days after the occurrence of such Authorized Share Failure, the Corporation shall hold a meeting of its stockholders for the approval of an increase in the number of authorized shares of Common Stock. In connection with such meeting, the Corporation shall provide each stockholder with a proxy statement and shall use its reasonable best efforts to solicit its stockholders' approval of such increase in authorized shares of Common Stock and to cause its Board to recommend to the stockholders that they approve such proposal. Notwithstanding the foregoing, if during any such time of an Authorized Share Failure, the Corporation is able to obtain the written consent of a majority of the shares of its issued and outstanding Common Stock to approve the increase in the number of authorized shares of Common Stock, the Corporation may satisfy this obligation by obtaining such consent and submitting for filing with the U.S. Securities and Exchange Commission (the "**SEC**") an Information Statement on Schedule 14C. The Corporation covenants that all Conversion Shares shall, when issued, be duly authorized, validly issued, fully paid and nonassessable.

(v) Fractional Shares. No fractional shares or scrip representing fractional shares shall be issued upon the conversion of the Preferred Stock. As to any fraction of a share which the Holders would otherwise be entitled to purchase upon such conversion, the Corporation shall at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Conversion Price or round up to the next whole share. Notwithstanding anything to the contrary contained herein, but consistent with the provisions of this subsection with respect to fractional Conversion Shares, nothing shall prevent any Holder from converting fractional shares of Preferred Stock.

(vi) Transfer Taxes and Expenses. The issuance of Conversion Shares on conversion of this Preferred Stock shall be made without charge to any Holder for any documentary stamp or similar taxes that may be payable in respect of the issue or delivery of such Conversion Shares, provided that the Corporation shall not be required to pay any tax that may be payable in respect of any transfer involved in the issuance and delivery of any such Conversion Shares upon conversion in a name other than that of the Holders of such shares of Preferred Stock and the Corporation shall not be required to issue or deliver such Conversion Shares unless or until the Person or Persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid. The Corporation shall pay all transfer agent fees required for same-day processing of any Notice of Conversion.

(d) Conversion Limitations.

(i) Beneficial Ownership Limitation. The Corporation shall not effect any conversion of the Preferred Stock, and each Holder shall not have the right to convert any portion of such Holder's Preferred Stock, to the extent that, after giving effect to the conversion set forth on the applicable Notice of Conversion, such Holder (together with such Holder's affiliates, and any Persons acting as a group together with such Holder or any of such Holder's affiliates (such Persons, collectively, the "**Attribution Parties**")) would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by such Holder and its Attribution Parties shall include the number of shares of Common Stock issuable upon conversion of the Preferred Stock with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which are issuable upon (i) conversion of the remaining, unconverted Stated Value of Preferred Stock beneficially owned by such Holder or any of its Attribution Parties and (ii) exercise or conversion of the unexercised or unconverted portion of any other securities of the Corporation subject to a limitation on conversion or exercise analogous to the limitation contained herein (including, without limitation, the Preferred Stock) beneficially owned by such Holder and each of its Attribution Parties. For purposes of this Section 1.5(d), beneficial ownership shall be calculated in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder (the "**Exchange Act**"). To the extent that the limitation contained in this Section 1.5(d)(i) applies, the determination of whether the Preferred Stock is convertible (in relation to other securities owned by such Holder together with any Attribution Parties) and of how many shares of Preferred Stock are convertible shall be in the sole discretion of such Holder, and the submission of a Notice of Conversion shall be deemed to be such Holder's determination of whether the shares of Preferred Stock may be converted (in relation to other securities owned by such Holder together with any Attribution Parties) and how many shares of the Preferred Stock are convertible, in each case, subject to the Beneficial Ownership Limitation. To ensure compliance with this restriction, each Holder will be deemed to represent to the Corporation each time it delivers a Notice of Conversion that such Notice of Conversion has not violated the restrictions set forth in this paragraph and the Corporation shall be entitled to rely on such representation. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act. For purposes of this Section 1.5(d)(i), in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as stated in the most recent of the following: (i) the Corporation's most recent periodic or annual report filed with the SEC, as the case may be, (ii) a more recent public announcement by the Corporation or (iii) a more recent written notice by the Corporation or the transfer agent of the Corporation, Vstock Transfer, LLC (the "**Transfer Agent**") setting forth the number of shares of Common Stock outstanding. Upon the written or oral request of a Holder, the Corporation shall within one (1) Trading Day confirm orally and in writing to such Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Corporation, including the Preferred Stock, by such Holder or its Attribution Parties since the date as of which such number of outstanding shares of Common Stock was reported. The "**Beneficial Ownership Limitation**" shall be, with respect to each Holder, 9.99% of the number of shares of the Common Stock outstanding and/or the then combined voting power of all of the voting securities of the Corporation immediately after giving effect to the issuance of shares of Common Stock issuable upon conversion of Preferred Stock held by such Holder.

(ii) No Strict Construction. The provisions of this Section 1.5 shall be construed and implemented in a manner otherwise than in strict conformity with the terms hereof to correct such provisions (or any portions thereof) which may be defective or inconsistent with the intended limitations contained in Sections 1.5(d) or to make changes or supplements necessary or desirable to properly give effect to such limitations, and shall be interpreted in a way to as to be consistent with the rules and regulations of the Principal Market. The limitations contained in Sections 1.5(d) shall apply to a successor Holder of Preferred Stock.

Section 1.5 Certain Adjustments.

(a) Certain Adjustments to Conversion Price.

(i) Stock Dividends and Stock Splits. If the Corporation, at any time while the Preferred Stock is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions payable in shares of Common Stock on shares of Common Stock or any other securities of the Corporation or the subsidiaries which would entitle the holder thereof to acquire at any time Common Stock, including, without limitation, any debt, preferred stock, right, option, warrant or other instrument that is at any time convertible into or exercisable or exchangeable for, or otherwise entitles the holder thereof to receive, Common Stock (such securities, the "**Common Stock Equivalents**"), (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Corporation upon conversion of, or payment of a dividend on, the Preferred Stock), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of a reverse stock split) outstanding shares of Common Stock into a smaller number of shares, or (iv) issues, in the event of a reclassification of shares of the Common Stock, any shares of capital stock of the Corporation, then the Conversion Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding any treasury shares of the Corporation) outstanding immediately before such event, and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event. Any adjustment made pursuant to this Section 1.6(b)(i) shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification. If the Corporation, at any time while the Preferred Stock is outstanding, authorizes and issues an additional class of common, with dividend and voting rights at a ratio different than the existing class of Common Stock (the "**New Common Stock**"), then the Preferred Stock will automatically become convertible, at the election of such Holder, into shares of the New Common Stock at an adjusted Conversion Price proportional to the then-current Conversion Price multiplied by a fraction, the numerator of which shall be the number of votes per share of the class of New Common Stock, and the denominator of which shall be the number of votes per share of the existing class of Common Stock.

(ii) Subsequent Rights Offerings. In addition to any adjustments pursuant to Section 1.6(a) above, if at any time the Corporation grants, issues or sells any common stock equivalents or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of shares of Common Stock (the "**Purchase Rights**"), then, the holder of Preferred Stock thereof will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the holder of Preferred Stock could have acquired if the holder Preferred Stock had held the number of shares of Common Stock acquirable upon complete conversion of such holder's Preferred Stock (without taking into account any limitations or restrictions on the convertibility of the Preferred Stock and assuming the Preferred Stock are convertible as of the applicable date of determination) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such purchase and such Purchase Right to such extent shall be held in abeyance for such Holder, so long as such Holder promptly elects to exercise such Purchase Right when notified of the applicable transaction and provides payment for the exercise of such Purchase Rights in advance (which payment shall be held in abeyance for such Holder).

(iii) Redemption Right.

(A) Upon a Trading Failure (as defined below), the Corporation shall within two (2) Business Days deliver written notice thereof via electronic mail (a "**Trading Failure Notice**") to the Holders. At any time within five (5) Trading Days of the Holder's receipt of a Trading Failure Notice (or at such time by which the Corporation would be required to deliver a Trading Failure Notice), such Holder may require the Corporation to redeem (a "**Redemption**") all or any portion of such Holder's Preferred Stock by delivering written notice thereof ("**Redemption Notice**") to the Corporation, which Redemption Notice shall indicate the Preferred Stock such Holder is electing to require the Corporation to redeem.

(B) At any time on or after January 22, 2027, either (i) the Corporation may redeem or (ii) any Holder may require the Corporation to redeem, all or any portion of such Holder's Preferred Stock (the "**Time-Based Redemption Right**") by delivering a Redemption Notice to the other party, which Redemption Notice shall indicate the Preferred Stock the Corporation or the Holder is electing to redeem.

(C) Any Preferred Stock subject to redemption pursuant to this Section 1.6(b)(iii) shall be redeemed by the Corporation on the applicable Redemption Date (as defined below) in cash by wire transfer of immediately available funds at a price equal to the applicable Redemption Price (as defined below).

(D) Other than as specifically permitted by this Certificate of Designation, the Corporation may not prepay or redeem any portion of the outstanding Preferred Stock of a Holder without such Holder's prior written consent. Upon receipt of the full Redemption Price in cash by wire transfer of immediately available funds by the Holders of then outstanding shares Preferred Stock, all such shares of Preferred Stock shall cease to be outstanding. If a Redemption Notice shall have been duly given, and if on the applicable Redemption Date, the applicable Redemption Price payable upon redemption of the shares of Preferred Stock to be redeemed on such Redemption Date is paid or tendered for payment or deposited with an independent payment agent so as to be available therefor to such Holders in a timely manner, then all rights with respect to such shares shall forthwith after the Redemption Date terminate, except only the right of the applicable Holders to receive the Redemption Price without interest.

(E) As used herein:

(1) “**Business Day**” means any day except any Saturday, any Sunday, any day which is a federal legal holiday in the United States or any day on which banking institutions in the State of New York are authorized or required by law or other governmental action to close; provided, however, for clarification, commercial banks shall not be deemed to be authorized or required by law to remain closed due to “stay at home”, “shelter-in-place”, “non-essential employee” or any other similar orders or restrictions or the closure of any physical branch locations at the direction of any governmental authority so long as the electronic funds transfer systems (including for wire transfers) of commercial banks in The City of New York generally are open for use by customers on such day.

(2) “**Redemption Date**” means:

a. with respect to a Redemption upon a Trading Failure, the date set forth in the applicable Redemption Notice, which shall not be earlier than the twentieth (20th) Business Day nor later than the ninetieth (90th) day, after the date of delivery of such Redemption Notice to the Corporation; and

b. with respect to a Redemption pursuant to the Time-Based Redemption Right, the date determined by the Corporation which shall not be later than the ninetieth (90th) day after the date of delivery of the applicable Redemption Notice to the Corporation.

(3) “**Redemption Price**” means the Stated Value of the Preferred Stock being redeemed.

(4) “**Trading Day**” means any day on which the Principal Market is open for trading.

(5) “**Trading Failure**” means (A) the suspension of the Common Stock from trading on the Principal Market for a period of ten (10) consecutive Trading Days or for more than an aggregate of twenty (20) Trading Days in any 365-day period or (B) the failure of the Common Stock to be listed on the Principal Market.

(b) Calculations. All calculations under this Section 1.6 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be.

(c) Notice to the Holders.

(i) Adjustment to Conversion Price. Whenever the Conversion Price is adjusted pursuant to any provision of this Section 1.6, the Corporation shall promptly deliver to each Holder a notice setting forth the Conversion Price after such adjustment and setting forth a brief statement of the facts requiring such adjustment.

(ii) Notice to Allow Conversion by Holder. If (A) the approval of any stockholders of the Corporation shall be required in connection with any reclassification of the Common Stock, any consolidation or merger to which the Corporation is a party, any sale or transfer of all or substantially all of the assets of the Corporation, or any compulsory share exchange whereby the Common Stock is converted into other securities, cash or property or (B) the Corporation shall authorize a Liquidation, then, in each case, the Corporation shall cause to be filed at each office or agency maintained for the purpose of conversion of the Preferred Stock, and shall cause to be delivered to each Holder at least ten (10) calendar days prior to the applicable record or effective date hereinafter specified, a written notice stating (x) the date on which a record is to be taken for the purpose of seeking such stockholder approval or (y) the date on which such reclassification, consolidation, merger, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Common Stock of record shall be entitled to exchange their shares of the Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer or share exchange, provided that the failure to deliver such notice or any defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice. To the extent that any notice provided under this Certificate of Designation constitutes, or contains, material, non-public information regarding the Corporation, the Corporation shall simultaneously file such notice with the SEC pursuant to a Current Report on Form 8-K. The Holder shall remain entitled to convert such Holder's Preferred Stock during the 10-day period commencing on the date of such notice through the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

Section 1.6 Miscellaneous.

(a) Notices. Any and all notices or other communications or deliveries to be provided by the Holders hereunder including, without limitation, any Notice of Conversion, shall be in writing and delivered personally, by electronic mail, or sent by a nationally recognized overnight courier service, addressed to the Corporation, at the Address for Notice set forth in that certain Securities Purchase Agreement (the "Purchase Agreement"), dated January 20, 2026, among the Corporation and the purchasers signatory thereto, or such other address as the Corporation may specify for such purposes by notice to the Holders delivered in accordance with this Section 1.7(a). Any and all notices or other communications or deliveries to be provided by the Corporation hereunder shall be in writing and delivered personally, by electronic mail, or sent by a nationally recognized overnight courier service addressed to each Holder at the e-mail address or address of such Holder appearing on the books of the Corporation, or if no such e-mail address or address appears on the books of the Corporation, at the principal place of business of such Holder, as set forth in the Purchase Agreement. Any notice or other communication or deliveries hereunder shall be deemed given and effective on the earliest of (i) the date of transmission, if such notice or communication is delivered via electronic mail at the e-mail address required under this Section 1.7(a) prior to 5:30 p.m. (local time, based on the location of the recipient) on any date, (ii) the next Trading Day after the date of transmission, if such notice or communication is delivered via electronic mail at the e-mail address required under this Section 1.7(a) on a day that is not a Trading Day or later than 5:30 p.m. (local time, based on the location of the recipient) on any Trading Day, (iii) the second Trading Day following the date of mailing, if sent for overnight delivery via U.S. nationally recognized overnight courier service, or (iv) upon actual receipt by the party to whom such notice is required to be given.

(b) Absolute Obligation. To the fullest extent permitted by law, and except as expressly provided herein, no provision of this Certificate of Designation shall alter or impair the obligation of the Corporation, which is absolute and unconditional, to pay liquidated damages, accrued interest, as applicable, on the shares of Preferred Stock at the time, place, and rate, and in the coin or currency, herein prescribed.

(c) Lost or Mutilated Preferred Stock Certificate. If a Holder's Preferred Stock certificate shall be mutilated, lost, stolen or destroyed, the Corporation shall execute and deliver, in exchange and substitution for and upon cancellation of a mutilated certificate, or in lieu of or in substitution for a lost, stolen or destroyed certificate, a new certificate for the shares of Preferred Stock so mutilated, lost, stolen or destroyed, but only upon receipt of evidence of such loss, theft or destruction of such certificate, and of the ownership hereof reasonably satisfactory to the Corporation.

(d) Governing Law. All questions concerning the construction, validity, enforcement and interpretation of this Certificate of Designation shall be governed by and construed and enforced in accordance with the internal laws of the State of Nevada, without regard to the principles of conflict of laws thereof. Each party agrees that all legal proceedings concerning the interpretation, enforcement and defense of the transactions contemplated by this Certificate of Designation (whether brought against a party hereto or its affiliates, directors, officers, shareholders, employees or agents) shall be commenced in the state and federal courts sitting in either the City of New York, Borough of Manhattan or in Clark County, Nevada (the "**Designated Courts**"). Each party hereto hereby irrevocably submits to the exclusive jurisdiction of the Designated Courts for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein (including with respect to the enforcement of any of the Transaction Documents), and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of such Designated Courts, or such Designated Courts are improper or inconvenient venue for such proceeding. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Certificate of Designation and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by applicable law. Each party hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Certificate of Designation or the transactions contemplated hereby.

(e) Waiver. Any waiver by the Corporation or a Holder of a breach of any provision of this Certificate of Designation shall not operate as or be construed to be a waiver of any other breach of such provision or of any breach of any other provision of this Certificate of Designation or a waiver by any other Holders. The failure of the Corporation or a Holder to insist upon strict adherence to any term of this Certificate of Designation on one or more occasions shall not be considered a waiver or deprive that party (or any other Holder) of the right thereafter to insist upon strict adherence to that term or any other term of this Certificate of Designation. Any waiver by the Corporation or a Holder must be in writing.

(f) Severability. If any provision of this Certificate of Designation is invalid, illegal or unenforceable, the balance of this Certificate of Designation shall remain in effect, and if any provision is inapplicable to any Person or circumstance, it shall nevertheless remain applicable to all other Persons and circumstances. If it shall be found that any dividend or other amount deemed interest due hereunder violates the applicable law governing usury, the applicable rate of interest due hereunder shall automatically be lowered to equal the maximum rate of interest permitted under applicable law.

(g) Modification; Amendment or Waiver. The terms of this Certificate of Designation shall, including for the purposes of Section 78.1955 of the General Corporation Law of the State of Nevada, only be (A) amended, waived, altered or repealed, including by merger, consolidation or otherwise, by (x) the affirmative vote of the holders of a majority of the voting power of the Preferred Stock, voting as a separate class, (y) the approval of the Board and (z) the approval of the Audit Committee, if any of the holders of the Preferred Stock is considered by the Corporation to be an insider or such Audit Committee approval is required by the rules and regulations of the Principal Market or the SEC and (B) the holders of Common Stock or any other series of preferred shares of the Corporation other than the Preferred Stock shall not be entitled to vote or approve of, and such vote or approval shall not be required, for any amendment, waiver, alteration or repeal on matters that pertain only to the Preferred Stock.

(h) Tax Treatment. For U.S. federal and other applicable state and local income tax purposes, it is intended that the Preferred Stock will be treated as participating stock and not as “preferred stock” within the meaning of Section 305(b)(4) of the Internal Revenue Code of 1986, as amended, and Treasury Regulations Section 1.305-5(a). The Corporation, the Holders and their respective affiliates shall report consistently with, and shall take no positions or actions inconsistent with, the foregoing treatment unless otherwise required by applicable law.

(i) Headings. The headings contained herein are for convenience only, do not constitute a part of this Certificate of Designation and shall not be deemed to limit or affect any of the provisions hereof.

(j) Status of Converted or Repurchased Preferred Stock. If any shares of Preferred Stock shall be converted, repurchased or reacquired by the Corporation, such shares shall be retired and resume the status of authorized but unissued shares of Preferred Stock and shall no longer be designated as Series B Convertible Preferred Stock.

RESOLVED, FURTHER, that the Chairman, the president or any vice-president, and the secretary or any assistant secretary, of the Corporation be and they hereby are authorized and directed to prepare and file this Certificate of Designation of Preferences, Rights and Limitations in accordance with the foregoing resolution and the provisions of Nevada law.

IN WITNESS WHEREOF, the undersigned have executed this Certificate of Designation this 22nd day of January, 2026.

**SECOND AMENDED AND RESTATED BYLAWS
OF
CHRONOSCALE CORPORATION**

Effective as of [●], 2026

ARTICLE I

Meetings of Stockholders

Section 1.1 Annual Meetings. If required by applicable law, an annual meeting of stockholders shall be held for the election of directors at such date, time and place, if any, either within or without the State of Nevada, as may be designated by resolution or resolutions of the board of directors (the “**Board of Directors**”) of ChronoScale Corporation (as such name may be changed from time to time in accordance with applicable law, the “**Corporation**”). Any annual meeting of stockholders may be postponed by action of the Board of Directors at any time in advance of such meeting.

Section 1.2 Special Meetings. Except as otherwise provided by or pursuant to the Corporation’s articles of incorporation (including any certificate filed with the Secretary of State of the State of Nevada establishing a series of preferred stock of the Corporation) (as the same may be amended, restated or amended and restated, from time to time, the “**Articles of Incorporation**”), special meetings of stockholders for any purpose or purposes may be called at any time solely and exclusively by the Board of Directors, the chairman of the Board of Directors (the “**Chairman**”) (or, if and to the extent expressly provided for in the Articles of Incorporation with respect to any series of preferred stock, by the holders of such series of preferred stock, acting pursuant to the terms applicable thereto). Except as provided in the foregoing sentence, special meetings of stockholders may not be called by any other person or persons. Any special meeting of stockholders may be postponed by action of the Board of Directors (or by the person calling such meeting, if other than the Board of Directors) at any time in advance of such meeting. Business transacted at any special meeting of stockholders shall be limited to the purposes stated in the notice.

Section 1.3 Notice of Meetings. Whenever stockholders are required or permitted to take any action at a meeting, a notice of the meeting shall be given that shall state the place, if any, date and hour of the meeting, the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such meeting, the record date for determining stockholders entitled to vote at the meeting, if such date is different from the record date for determining stockholders entitled to notice of the meeting, and, in the case of a special meeting, the purpose or purposes for which the meeting is called. Unless otherwise provided by applicable law, the Articles of Incorporation or these Second Amended and Restated Bylaws (as the same may be further amended, restated or amended and restated, from time to time, these “**Bylaws**”), the notice of any meeting shall be given not less than ten (10) nor more than sixty (60) days before the date of the meeting to each stockholder entitled to vote at such meeting, as of the record date for determining the stockholders entitled to notice of the meeting.

Section 1.4 Adjournments. Any meeting of stockholders, annual or special, may adjourn from time to time to reconvene at the same or some other place, if any, and notice need not be given of any such adjourned meeting if the time and place, if any, thereof, and the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person or by proxy and vote at such adjourned meeting are announced at the meeting at which the adjournment is taken. At the adjourned meeting, the Corporation may transact any business which might have been transacted at the original meeting. If the adjournment or postponement is for more than sixty (60) days, the Board of Directors shall fix a new record date for such adjourned or postponed meeting in accordance with Section 1.8 of these Bylaws, and shall give notice of the adjourned meeting to each stockholder of record entitled to vote at such adjourned meeting as of the record date fixed for notice of such adjourned meeting.

Section 1.5 Quorum. Except as otherwise provided by applicable law, by or pursuant to the Articles of Incorporation or by these Bylaws, at each meeting of stockholders the presence in person or by proxy of the holders of a majority in voting power of the then outstanding shares of capital stock of the Corporation entitled to vote at the meeting shall be necessary and sufficient to constitute a quorum; provided, however, that for so long as Applied Digital Corporation, a Nevada corporation (“**APLD**”) Beneficially Owns (which, for purposes of these Bylaws, shall have the meaning ascribed thereto in Rule 13d-3 under the Exchange Act) more than fifty percent (50%) of such voting power, the presence in person or by proxy of the holders of at least two thirds (66 2/3%) in voting power of the then outstanding shares entitled to vote at the meeting shall be required to constitute a quorum. In the absence of a quorum, the stockholders so present may, by a majority in voting power thereof, adjourn the meeting from time to time in the manner provided in Section 1.4 of these Bylaws until a quorum shall be present in person or represented by proxy. Shares of the Corporation’s capital stock shall neither be entitled to vote nor be counted for quorum purposes if such shares belong to (a) the Corporation, (b) to another corporation, if a majority of the shares entitled to vote in the election of directors of such other corporation is held, directly or indirectly by the Corporation or (c) any other entity, if a majority of the voting power of such other entity is held, directly or indirectly by the Corporation or if such other entity is otherwise controlled, directly or indirectly, by the Corporation; provided, however, that the foregoing shall not limit the right of the Corporation to vote stock, including but not limited to its own capital stock, held by it in a fiduciary capacity.

Section 1.6 Organization. Meetings of stockholders shall be presided over by the Chairman of the Board of Directors, if any, or in his or her absence by the Chief Executive Officer, if any, or in his or her absence, by the President, if any, or in his or her absence, by a chairperson designated by the Board of Directors, or in the absence of such designation by a chairperson chosen at the meeting. The Secretary shall act as secretary of the meeting, but in his or her absence the chairperson of the meeting may appoint any person to act as secretary of the meeting.

Section 1.7 Voting; Proxies. Except as otherwise provided by or pursuant to the Articles of Incorporation, including any certificates of designation for any class of capital stock, each stockholder entitled to vote at any meeting of stockholders shall be entitled to one (1) vote for each share of capital stock of the Corporation held by such stockholder which has voting power upon the matter in question. Each stockholder entitled to vote at a meeting of stockholders or to consent to corporate action without a meeting may authorize another person or persons to act for such stockholder by proxy, but no such proxy shall be voted or acted upon after three (3) years from its date, unless the proxy provides for a longer period. A proxy shall be irrevocable if it states that it is irrevocable and if, and only as long as, it is coupled with an interest sufficient in law to support an irrevocable power. A stockholder may revoke any proxy which is not irrevocable by attending the meeting and voting in person or by delivering to the Secretary a revocation of the proxy or a new proxy bearing a later date. Voting at meetings of stockholders need not be by written ballot. At all meetings of stockholders for the election of directors (other than any Class/Series Directors) (as defined below) at which a quorum is present, a majority of the votes cast shall be sufficient to elect; provided, however, that any meeting of stockholders for the election of directors (other than any Class/Series Directors) at which a quorum is present, and one or more stockholders have nominated one or more individuals for election to the Board of Directors in compliance with Section 1.13 of these Bylaws, such that the number of nominees for election to the Board of Directors exceeds the number of open seats, and not withdrawn such Nomination or Nominations (as each is defined below) on or prior to the tenth (10th) day preceding the date the Corporation first gives notice of such meeting to stockholders, a plurality of the votes cast shall be sufficient to elect. When a quorum is present at any meeting of stockholders, all other elections, questions or business presented to the stockholders at such meeting shall be decided by the affirmative vote of a majority of votes cast with respect to any such election, question or business presented to the stockholders unless the election, question or business is one which, by express provision of the Articles of Incorporation, these Bylaws, the rules or regulations of any stock exchange applicable to the Corporation, any regulation applicable to the Corporation or its securities or the laws of the State of Nevada, a vote of a different number or voting by class or series is required, in which case, such express provision shall govern. For purposes of this Section 1.7, a “**majority of votes cast**” means that the number of votes cast “for” a nominee, question or business exceeds the number of votes cast “against” such nominee, question or business.

Section 1.8 Fixing Date for Determination of Stockholders of Record. In order that the Corporation may determine the stockholders entitled to notice of any meeting of stockholders or any adjournment thereof, or to consent to corporate action without a meeting, or entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of stock or for the purpose of any other lawful action, the Board of Directors may fix a record date for determining stockholders entitled to notice of or to vote at the meeting, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date: in the case of a determination of stockholders entitled to notice of any meeting of stockholders or any adjournment thereof, shall, unless otherwise required by applicable law, not be more than sixty (60) nor less than ten (10) days before the date of such meeting; and in the case of a determination of stockholders entitled to consent to corporate action without a meeting, shall not be more than ten (10) days from the date upon which the resolution fixing the record date is adopted by the Board of Directors. If no record date is fixed: the record date for determining stockholders entitled to notice of and to vote at a meeting of stockholders shall be at the close of business on the day before the day on which notice is given, or, if notice is waived, at the close of business on the day before the day on which the meeting is held; and the record date for determining stockholders entitled to consent to corporate action without a meeting, when no prior action of the Board of Directors is required by applicable law, shall be the first date on which a signed consent setting forth the action taken or proposed to be taken is delivered to the Corporation in accordance with applicable law, or, if prior action by the Board of Directors is required by applicable law, shall be at the close of business on the day on which the Board of Directors adopts the resolution taking such prior action. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for the determination of stockholders entitled to vote at the adjourned meeting, and in such case shall also fix as the record date for the stockholders entitled to notice of such adjourned meeting the same or an earlier date as that fixed for the determination of stockholders entitled to vote in accordance with the foregoing provisions of this Section 1.8 at the adjourned meeting.

Section 1.9 Maintenance of List of Stockholders. The Corporation shall keep, at its principal office or with its custodian of records whose name and street address are available at the corporation's registered office, a list, revised annually not later than 60 days after the date by which an annual list is required to be filed pursuant to Nevada Revised Statute 78.150, containing only the names, alphabetically arranged, of all persons who are stockholders of record of the Corporation, showing their places of residence, if known, and the number of shares held by them respectively. Such list shall be open to the inspection by any person who has been a stockholder of record of the Corporation for at least six (6) months immediately preceding the demand, or any person holding, or thereunto authorized in writing by the holders of, at least five percent (5%) of all of its outstanding shares, upon at least five (5) days' written demand, including the affidavit required pursuant to Nevada Revised Statute 78.105. Absent manifest error or actual fraud, the stock ledger of the Corporation, as maintained by the Corporation or its designated transfer agent, shall conclusively determine the stockholders of record of the Corporation.

Section 1.10 Action By Consent in Lieu of Meeting. Notwithstanding anything to the contrary in these Bylaws, for so long as APLD Beneficially Owns more than fifty percent (50%) of the voting power of the then outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, any action required or permitted to be taken at any annual or special meeting of stockholders may be taken without a meeting, without prior notice and without a vote, if a consent or consents, setting forth the action so taken, shall be signed by the holders of outstanding capital stock of the Corporation having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted and shall be delivered to the Corporation in accordance with applicable law. At all other times, stockholder action shall be taken only at a duly called annual or special meeting of the stockholders and may not be taken by written consent.

Section 1.11 Inspectors of Election. The Corporation may, and shall if required by applicable law, in advance of any meeting of stockholders, appoint one or more inspectors of election, who may be employees of the Corporation, to act at the meeting or any adjournment thereof and to make a written report thereof. The Corporation may designate one or more persons as alternate inspectors to replace any inspector who fails to act. In the event that no inspector so appointed or designated is able to act at a meeting of stockholders, the individual presiding over the meeting shall appoint one or more inspectors to act at the meeting. Each inspector, before entering upon the discharge of his or her duties, shall take and sign an oath to execute faithfully the duties of inspector with strict impartiality and according to the best of his or her ability. The inspector or inspectors so appointed or designated shall ascertain the number of shares of capital stock of the Corporation outstanding and the voting power of each such share, determine the shares of capital stock of the Corporation represented at the meeting and the validity of proxies and ballots, count all votes and ballots, determine and retain for a reasonable period a record of the disposition of any challenges made to any determination by the inspectors and certify their determination of the number of shares of capital stock of the Corporation represented at the meeting and such inspectors' count of all votes and ballots. Such certification and report shall specify such other information as may be required by applicable law. In determining the validity and counting of proxies and ballots cast at any meeting of stockholders, the inspectors may consider such information as is permitted by applicable law. No individual who is a candidate for an office at an election may serve as an inspector at such election.

Section 1.12 Conduct of Meetings. The date and time of the opening and the closing of the polls for each election, question or business upon which the stockholders will vote at a meeting of stockholders shall be announced at the meeting by the individual presiding over the meeting. Without limiting the foregoing, the presiding individual may impose reasonable time, topic and manner limitations on questions and comments to ensure orderly conduct and to confine discussion to matters properly before the meeting. If a stockholder proposal or nomination is determined to be procedurally deficient but the deficiency is reasonably curable, the Corporation shall provide prompt notice of such deficiency to the proponent, and the presiding individual may permit a brief recess or deferral to allow the proponent a reasonable opportunity to cure such deficiency before the polls close; proposals or nominations that remain deficient after such opportunity shall be disregarded. The Board of Directors may adopt (by resolution or resolutions thereof) such rules and regulations for the conduct of the meeting of stockholders as it shall deem appropriate. Except to the extent inconsistent with such rules and regulations as adopted by the Board of Directors, the individual presiding over any meeting of stockholders shall have the right and authority to convene and to adjourn the meeting, to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such presiding individual, are appropriate for the proper conduct of the meeting of stockholders. Such rules, regulations or procedures, whether adopted by the Board of Directors or prescribed by the individual presiding over the meeting of stockholders, may include, without limitation, the following: the establishment of an agenda or order of business for the meeting of stockholders; rules and procedures for maintaining order at the meeting of stockholders and the safety of those present; limitations on attendance at or participation in the meeting of stockholders to stockholders of record of the Corporation, their duly authorized and constituted proxies or such other individuals as the individual presiding over the meeting of stockholders shall determine; restrictions on entry to the meeting of stockholders after the time fixed for the commencement thereof; and limitations on the time allotted to questions or comments by participants in the meeting of stockholders. The Board of Directors or, in addition to making any other determinations that may be appropriate to the conduct of the meeting of stockholders, the individual presiding over any meeting of stockholders, in each case, shall have the power and duty to determine whether any election, question or business was or was not properly made, proposed or brought before the meeting of stockholders and therefore shall be disregarded and not be considered or transacted at the meeting, and, if the Board of Directors or the individual presiding over the meeting, as the case may be, determines that such election, question or business was not properly made, proposed or brought before the meeting of stockholders and shall be disregarded and not be considered or transacted at the meeting, the individual presiding over the meeting shall declare to the meeting that such election, question or business was not properly made, proposed or brought before the meeting and shall be disregarded and not be considered or transacted at the meeting, and any such election, question or business shall not be considered or transacted at the meeting. Unless and to the extent determined by the Board of Directors or the individual presiding over the meeting, meetings of stockholders shall not be required to be held in accordance with the rules of parliamentary procedure.

Section 1.13 Notice of Stockholder Business and Nominations.

(a) Annual Meetings of Stockholders

- (i) Nominations of one or more individuals for election to the Board of Directors by the stockholders generally entitled to vote (which, for the avoidance of doubt, shall exclude nominations of one or more individuals for election as Class/Series Directors (as defined below)) (each, a “**Nomination**,” and more than one, “**Nominations**”) and the proposal of any question or business other than a Nomination or Nominations to be considered by the stockholders generally entitled to vote (which, for the avoidance of doubt, shall exclude any question or business other than a Nomination or Nominations required by or pursuant to the Articles of Incorporation to be voted on solely and exclusively by the holders of any class (voting separately as a class) or series (voting separately as a series) of capital stock of the Corporation then outstanding) (collectively, “**Business**”) may be made at an annual meeting of stockholders only pursuant to the Corporation’s notice of meeting (or any supplement thereto), provided, however, that reference in the Corporation’s notice of meeting to the election of directors or the election of members of the Board of Directors shall not include or be deemed to include a Nomination or Nominations, by or at the direction of the Board of Directors or by any stockholder of the Corporation who was a stockholder of record of the Corporation at the time the notice provided for in this Section 1.13 is delivered to the Secretary, who is entitled to vote at the meeting and who complies with the procedures set forth in this Section 1.13.

- (ii) For Nominations or Business to be properly brought before an annual meeting of stockholders by a stockholder pursuant to Section 1.13(a)(i)(C) of these Bylaws, the stockholder must have given timely notice thereof in writing to the Secretary and any proposed Business must constitute a proper matter for stockholder action. The Corporation may notify the stockholder of any immaterial deficiencies in such notice, and the stockholder shall have five (5) business days following delivery of such notice (but in no event later than the second (2nd) business day prior to the meeting) to cure such immaterial deficiencies; material deficiencies or untimely notices shall not be subject to cure. To be timely, a stockholder's notice shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the ninetieth (90th) day nor earlier than the close of business on the one hundred twentieth (120th) day prior to the first (1st) anniversary of the preceding year's annual meeting of stockholders; provided, however, that in the event that the date of the annual meeting is more than thirty (30) days before or more than seventy (70) days after such anniversary date, notice by the stockholder must be so delivered not earlier than the close of business on the one hundred twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made by the Corporation. In no event shall the public announcement of an adjournment or postponement of an annual meeting of stockholders commence a new time period (or extend any time period) for the giving of the stockholder's notice as described above. The stockholder's notice shall set forth: as to each Nomination to be made by such stockholder, (1) all information relating to the individual subject to such Nomination that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to and in accordance with Regulation 14A under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), without regard to the application of the Exchange Act to either the Nomination or the Corporation, (2) such individual's written consent to being named in any proxy statement as a nominee and to serving as director if elected, (3) a description of any direct or indirect compensation or benefit (including, without limitation, indemnification and/or advancement rights) to which the individual subject to such Nomination may be entitled under any agreement, arrangement or understanding with any person other than the Corporation (including, without limitation, the amount of any such monetary compensation) in connection with such individual's nomination or service as a director of the Corporation and (4) a description of any other material relationship or relationships between or among the individual subject to such Nomination and/or such individual's affiliates and associates, on the one hand, and the stockholder giving the notice and the beneficial owner, if any, on whose behalf the Nomination or Nominations is/are made and/or such stockholder's or beneficial owner's respective affiliates and associates, or others acting in concert with such stockholder or beneficial owner or their respective affiliates and associates, on the other hand, including, without limitation, all information that would be required to be disclosed pursuant to Item 404 under Regulation S-K if such stockholder, beneficial owner, affiliate, associate or other person were the "registrant" for purposes of such rule and the individual subject to such Nomination was a director or officer of such registrant; as to the Business proposed by such stockholder, a brief description of the Business, the text of the proposed Business (including the text of any resolution or resolutions proposed for consideration and in the event that such Business includes a proposal to amend these Bylaws, the text of the proposed amendment), the reason or reasons for conducting such Business at the meeting and any material interest or interests in such Business of such stockholder and of the beneficial owner, if any, on whose behalf the Business is proposed; and as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the Nomination, Nominations or Business is/are made (1) the name and address of such stockholder, as they appear on the Corporation's books, and of such beneficial owner, if any, and any of their respective affiliates or associates or others acting in concert with them, (2) the class, series and number of shares of capital stock of the Corporation which are owned beneficially and of record by such stockholder and such beneficial owner, if any, (3) a representation that the stockholder is a holder of record of shares of capital stock of the Corporation entitled to vote at such meeting and such stockholder (or a qualified representative of such stockholder) intends to appear in person or by proxy at the meeting to propose such Nomination, Nominations or Business and (4) a representation as to whether the stockholder or the beneficial owner, if any, intends or is part of a group which intends (x) to deliver by proxy statement and/or form of proxy to holders of at least the percentage of the Corporation's outstanding capital stock required to approve or adopt the Business or elect the nominee or nominees subject to the Nomination or Nominations and/or (y) to otherwise solicit proxies from stockholders of the Corporation in support of such Nomination, Nominations or Business; provided, however, that if the Business is otherwise subject to Rule 14a-8 (or any successor thereto) promulgated under the Exchange Act ("Rule 14a-8"), the foregoing notice requirements shall be deemed satisfied by a stockholder if the stockholder has notified the Corporation of his, her or its intention to present such Business at an annual meeting of stockholders in compliance with Rule 14a-8, and such Business has been included in a proxy statement that has been prepared by the Corporation to solicit proxies for such annual meeting of stockholders. The Corporation may require (1) any individual subject to a Nomination by a stockholder pursuant to Section 1.13(a)(i)(C) of these Bylaws of to furnish such other information as the Corporation may reasonably require to determine the eligibility of such individual subject to such Nomination to serve as a director of the Corporation if elected and (2) the stockholder giving notice pursuant to Section 1.13(a)(i)(C) of these Bylaws to furnish such other information as the Corporation may reasonably require to demonstrate that any Business is a proper matter for stockholder action at an annual meeting of stockholders.

(iii) Notwithstanding anything in the second sentence of Section 1.13(a)(ii) of these Bylaws to the contrary, in the event that the number of directors to be elected to the Board of Directors by the stockholders generally entitled to vote (which, for the avoidance of doubt, shall exclude any Class/Series Directors) at an annual meeting of stockholders is increased and there is no public announcement by the Corporation naming the nominees for election to the additional directorships at least one hundred (100) days prior to the first (1st) anniversary of the preceding year's annual meeting of stockholders, a stockholder's notice required by Section 1.13(a)(ii) of these Bylaws shall also be considered timely, but only with respect to nominees for election to such additional directorships, if it shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the tenth (10th) day following the day on which such public announcement is first made by the Corporation.

(b) Special Meetings of Stockholders. Only such Business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting (or any supplement thereto); provided, however, that reference therein to the election of directors or the election of members of the Board of Directors shall not include or be deemed to include Nominations. Nominations may be made at a special meeting of stockholders at which one or more directors are to be elected by the stockholders generally entitled to vote (which, for the avoidance of doubt, shall exclude any Class/Series Directors) pursuant to the Corporation's notice of meeting (or any supplement thereto) as aforesaid (provided that the Board of Directors has determined that directors shall be elected at such meeting) by or at the direction of the Board of Directors or by any stockholder of the Corporation who is a stockholder of record at the time the notice provided for in this Section 1.13(b) is delivered to the Secretary, who is entitled to vote at the special meeting and upon such election and who complies with the notice procedures set forth in this Section 1.13(b). In the event the Corporation calls a special meeting of stockholders for the purpose of electing one or more directors to the Board of Directors by the stockholders generally entitled to vote (which, for the avoidance of doubt, shall exclude any Class/Series Directors), any such stockholder entitled to vote in such election may make a Nomination or Nominations of one or more individuals (as the case may be) for election to such position(s) as specified in the Corporation's notice of meeting pursuant to this Section 1.13(b), if the stockholder's notice setting forth the information required by Section 1.13(a)(ii) of these Bylaws shall be delivered to the Secretary at the principal executive offices of the Corporation not earlier than the close of business on the one hundred twentieth (120th) day prior to such special meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such special meeting or the tenth (10th) day following the day on which public announcement is first made of the date of such special meeting and of the nominee(s) proposed by the Board of Directors to be elected at such special meeting. In no event shall the public announcement of an adjournment or postponement of a special meeting of stockholders commence a new time period (or extend any time period) for the giving of a stockholder's notice as described in this Section 1.13(b).

(c) General.

- (i) Only individuals subject to a Nomination made in compliance with the procedures set forth in this Section 1.13 shall be eligible for election at an annual or special meeting of stockholders, and only such Business shall be conducted at an annual or special meeting of stockholders as shall have been brought before such meeting in accordance with the procedures set forth in this Section 1.13. Except as otherwise provided by applicable law, the Board of Directors or the individual presiding over an annual or special meeting of stockholders shall have the power and duty to determine whether a Nomination or any Business proposed to be brought before the meeting was or was not made, proposed or brought, as the case may be, in accordance with the procedures set forth in this Section 1.13 and any proposed Nomination, Nominations or Business shall be disregarded or that such Nomination, Nominations or Business shall not be considered or transacted at the meeting. Notwithstanding the foregoing provisions of this Section 1.13, if the stockholder (or a qualified representative of the stockholder) giving notice pursuant to Section 1.13(a)(i)(C) or Section 1.13(b) of these Bylaws does not appear at the annual or special meeting of stockholders to present a Nomination, Nominations or Business, such Nomination, Nominations or Business shall be disregarded and such Nomination, Nominations or Business shall not be considered or transacted at the meeting, notwithstanding that proxies in respect of such vote may have been received by the Corporation.
- (ii) For purposes of this Section 1.13 and Section 1.14 of these Bylaws, “**public announcement**” shall include disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable national news service or in a document publicly filed by the Corporation with or publicly furnished by the Corporation to the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) (or any successor thereto) of the Exchange Act.
- (iii) Nothing in this Section 1.13 shall be deemed to affect any rights or obligations, if any, of stockholders with respect to inclusion of proposals in the Corporation’s proxy statement pursuant to Rule 14a-8 (to the extent the Corporation or such proposals are subject to Rule 14a-8), rights or obligations, if any, of stockholders with respect to the inclusion of a nominee in a universal proxy card pursuant to Rule 14a-19 (or any successor thereto) promulgated under the Exchange Act or rights, if any, of the holders of any class or series of capital stock of the Corporation as provided for or fixed by or pursuant to the Articles of Incorporation and then outstanding to, solely and exclusively, elect one or more directors (collectively, the “**Class/Series Directors**” and each, a “**Class/Series Director**”).

Section 1.14 Proxy Access.

(a) Nominations of Eligible Nominees. The Corporation shall include in its proxy statement and/or on its proxy card (collectively, “**proxy materials**”) for an annual meeting of stockholders the name of, and the Required Information (as defined below) relating to, any individual nominated for election to the Board of Directors who satisfies the eligibility requirements set forth in this Section 1.14 (an “**Eligible Nominee**” and more than one, the “**Eligible Nominees**”), who is nominated pursuant to a stockholder notice in compliance with Section 1.13(a)(i)(C) of these Bylaws, which notice also complies with Section 1.14(f) (a “**Proxy Access Notice**”) and is timely delivered pursuant to Section 1.14(g) of these Bylaws by a stockholder or a group of no more than twenty (20) stockholders (each, a “**Holder**” and collectively, “**Holders**”) who: expressly elects or elect, as the case may be, at the date of delivery of the Proxy Access Notice pursuant to Section 1.14(g) of these Bylaws to have such Eligible Nominee included in the Corporation’s proxy materials; as of both the date of delivery of the Proxy Access Notice and the record date for determining stockholders entitled to vote at the annual meeting of stockholders, owns of record, or is acting on behalf of one or more beneficial owners who own (in each case, as defined in Section 1.14(c) of these Bylaws), a number of shares that represents at least three percent (3%) in voting power of the then outstanding shares of capital stock of the Corporation generally entitled to vote in the election of directors (the “**Required Shares**”) and has owned of record, or is acting on behalf of one or more beneficial owners who have owned (in each case, as defined in Section 1.14(c) of these Bylaws), continuously the Required Shares (as adjusted for any stock splits, stock dividends or similar events) for at least the three-year period preceding the date of delivery of the Proxy Access Notice, and must continue to hold the Required Shares through the date of the annual meeting; and satisfies the additional requirements set forth in this Section 1.14 (such Holder, or such group of Holders, collectively, an “**Eligible Stockholder**”). For the avoidance of doubt, in the event of a nomination by a group of Holders that together constitute an Eligible Stockholder, any and all requirements and obligations for an individual Eligible Stockholder set forth in this Section 1.14, including the minimum holding period, shall apply to each member of such group of Holders (each, a “**Constituent Holder**”); provided that the Required Shares shall be owned by such group of Holders in the aggregate. Should any Holder withdraw from a group of Holders constituting an Eligible Stockholder at any time prior to the annual meeting of stockholders, the remaining Holders shall be deemed to own only the shares owned by the remaining members of the group in determining if the group of Holders continues to constitute an Eligible Stockholder.

(b) Satisfying the Ownership Requirement. For purposes of satisfying the ownership requirement under Section 1.14(a) of these Bylaws: the outstanding shares of capital stock of the Corporation owned by one or more Holders may be aggregated, provided that the number of Holders whose ownership of shares is aggregated for such purpose shall not exceed twenty (20); a group of investment funds under common management and investment control shall be treated as one Holder for the purpose of determining the aggregate number of Holders in Section 1.14(b)(i) of these Bylaws, provided that each such investment fund otherwise meets the requirements set forth in this Section 1.14; and two (2) or more persons that would be deemed to be beneficial owners of the same outstanding shares of capital stock of the Corporation under Rule 13d-3 (or any successor Rule) promulgated under the Exchange Act) shall be treated as one Holder for the purpose of determining the aggregate number of Holders in Section 1.14(b)(i) of these Bylaws.

(c) Determining Ownership. For purposes of this Section 1.14, a Holder “owns” only those outstanding shares of capital stock of the Corporation as to which the Holder possesses both: the full voting and investment rights pertaining to such shares; and the full economic interest in (including the opportunity for profit and risk of loss on) such shares, provided that the number of shares calculated in accordance with Section 1.14(b)(i) and Section 1.14(b)(ii) of these Bylaws shall not include any shares sold by such Holder or any of such Holder’s affiliates in any transaction that has not been settled or closed (including any short sale), borrowed by such Holder or any of such Holder’s affiliates for any purpose or purchased by such Holder or any of such Holder’s affiliates pursuant to an agreement to resell or subject to any option, warrant, forward contract, swap, contract of sale, other derivative or similar agreement entered into by such Holder or any of such Holder’s affiliates, whether any such instrument or agreement is to be settled with shares of capital stock of the Corporation or with cash based on the notional amount or value of outstanding shares of capital stock of the Corporation, in any such case, which instrument or agreement has, or is intended to have, the purpose or effect of (1) reducing in any manner, to any extent or at any time in the future, such Holder’s or any of such Holder’s affiliates’ full right to vote or direct the voting of any such shares and/or (2) hedging, offsetting, or altering to any degree gain or loss arising from the full economic ownership of such shares by such Holder or such Holder’s affiliates.

A Holder “owns” outstanding shares of capital stock of the Corporation held in the name of a nominee or other intermediary so long as the Holder retains the right to instruct how such shares are voted with respect to the election of directors and possesses the full economic interest in such shares. A Holder’s ownership of shares of capital stock of the Corporation shall be deemed to continue during any period in which the Holder has delegated any voting power by means of a proxy, power of attorney or other instrument or arrangement that is revocable at any time by the Holder. A Holder’s ownership of outstanding shares of capital stock of the Corporation shall be deemed to continue during any period in which the Holder has loaned such shares, provided that the Holder has the power to recall such loaned shares on no more than five (5) business days’ notice and recalls such loaned shares back to such Holder’s own possession not more than five (5) business days after being notified that such Holder’s Eligible Nominee will be included in the Corporation’s proxy material for the relevant annual meeting of stockholders and holds the recalled shares through date of such annual meeting. The terms “owned,” “owning” and other variations of the word “own” shall have correlative meanings. Whether outstanding shares of capital stock of the Corporation are “owned” for purposes of this Section 1.14 shall be determined by the Board of Directors. For purposes of this Section 1.14, the terms “affiliate” or “affiliates” and “associate” or “associates” shall have the respective meanings ascribed thereto under the General Rules and Regulations promulgated under the Exchange Act.

(d) Limitations on Groups of Holders. No shares of capital stock of the Corporation may be attributed to more than one group of Holders constituting an Eligible Stockholder under this Section 1.14, and no Holder may be a member of more than one group of Holders constituting an Eligible Stockholder under this Section 1.14 per each annual meeting of stockholders.

(e) Required Information. For purposes of this Section 1.14, the “**Required Information**” that the Corporation shall include in its proxy statement is: the information concerning the Eligible Nominee and the Eligible Stockholder that the Corporation determines is required to be disclosed in the Corporation’s proxy materials by the applicable requirements of the Exchange Act and the rules and regulations promulgated thereunder; and if the Eligible Stockholder so elects, a written statement of the Eligible Stockholder, not to exceed five-hundred (500) words, in support of such Eligible Stockholder’s Eligible Nominee, which must be delivered at the same time and in the same manner as the Proxy Access Notice for inclusion in the Corporation’s proxy materials for the annual meeting (the “**Statement**”). Notwithstanding anything to the contrary contained in this Section 1.14, the Corporation may omit from its proxy materials, or may require the Eligible Stockholder to supplement or correct, any information, including all or a portion of any Statement, if the Corporation believes: such information is not true and correct in all material respects or omits to state a material statement necessary to make the statements therein not misleading; such information directly or indirectly impugns character, integrity or personal reputation of, or directly or indirectly makes charges concerning improper, illegal or immoral conduct or associations, without factual foundation, with respect to, any person; the inclusion of such information would violate any applicable law, rule or regulation; or the inclusion of such information would impose a material risk of liability to or upon the Corporation. Nothing in this Section 1.14 shall limit the Corporation’s ability to solicit against and include in its proxy materials its own statements or other information relating to any Eligible Stockholder or Eligible Nominee.

(f) Information to be Set Forth in Proxy Access Notice. The Proxy Access Notice shall set forth the information required under Section 1.13(a)(ii)(A) and Section 1.13(a)(ii)(C) of these Bylaws with respect to the Eligible Stockholder and each Eligible Nominee, respectively, and, in addition, shall set forth or include the following: a copy of the Schedule 14N that has been or is concurrently filed with the Securities and Exchange Commission under Rule 14a-18 promulgated under the Exchange Act; the details of any relationship not disclosed in the Schedule 14N that existed within the past three (3) years and that would have been described pursuant to Item 6(e) of Schedule 14N (or any successor item) if it existed on the date of submission of the Schedule 14N; the name and address of the Eligible Stockholder; an executed written agreement by the Eligible Stockholder addressed to the Corporation, setting forth the following additional agreements, representations, and warranties: with respect to the Eligible Stockholder, a representation and warranty as to the number of outstanding shares of capital stock of the Corporation such Eligible Stockholder owns and has owned (as defined in Section 1.14(c) of these Bylaws) continuously for at least three (3) years as of the date of delivery of the Proxy Access Notice and an agreement to continue to own the Required Shares through the date of the annual meeting of stockholders, which statement shall also be included in the written statements set forth in Item 4 of the Schedule 14N filed by the Eligible Stockholder with the Securities and Exchange Commission, and a representation and warranty that such Eligible Stockholder intends to continue to satisfy the eligibility requirements described in this Section 1.14 of these Bylaws through the date of the annual meeting of stockholders; the Eligible Stockholder’s agreement to provide (1) written statements from the record holder and intermediaries as required under Section 1.14(h) of these Bylaws verifying the Eligible Stockholder’s continuous ownership of the Required Shares, such statements to be delivered to the Corporation in the same manner as the Proxy Access Notice within five (5) business days after the date of delivery of the Proxy Access Notice and as of the business day immediately preceding the date of the annual meeting of stockholders and (2) immediate notice to the Corporation (in the same manner as the Proxy Access Notice) if the Eligible Stockholder ceases to own any of the Required Shares prior to the date of the annual meeting of stockholders; the Eligible Stockholder’s representation and agreement that the Eligible Stockholder (and its respective affiliates and associates) (1) did not acquire the Required Shares with the intent to change or influence control of the Corporation, and does not presently have such intent, (2) has not nominated and will not nominate for election to the Board of Directors at the annual meeting of stockholders any individual other than the Eligible Nominee being nominated pursuant to this Section 1.14, (3) has not engaged and will not engage in a “solicitation,” and has not been and will not be a “participant” in another person’s “solicitation,” in each case, within the meaning of Rule 14a-1(l) (or any successor rule) promulgated under the Exchange Act, in support of the election of any individual as a director at the annual meeting of stockholders other than such Eligible Stockholder’s Eligible Nominee or a nominee of the Board of Directors and (4) will not distribute to any stockholder of the Corporation any form of proxy for the annual meeting of stockholders other than the form distributed by the Corporation; the Eligible Stockholder’s agreement to (1) assume all liability stemming from any legal or regulatory violation arising out of any statements or communications made by the Eligible Stockholder to the Corporation, its stockholders or any other persons in connection with the nomination or election of directors, including, without limitation, the Proxy Access Notice, (2) indemnify and hold harmless (jointly, in the case of a group of Holders constituting an Eligible Stockholder) the Corporation and each of its directors, officers and employees individually against any liability, loss, damages, expenses or other costs (including reasonable attorneys’ fees) incurred in connection with any threatened or pending action, suit or proceeding, whether legal, administrative or investigative, against the Corporation or any of its directors, officers or employees arising out of the Eligible Stockholder’s actions, including the provision of any information in the Proxy Access Notice or any other communication by the Eligible Stockholder to or with the Corporation, in connection with any nomination submitted by the Eligible Stockholder pursuant to this Section 1.14, (3) in the event that any information in the Proxy Access Notice, or any other communication by the Eligible Stockholder to or with the Corporation, its stockholders or any other person in connection with the nomination or election (including, without limitation, the Statement) or the Eligible Nominee ceases to be true and correct in all material respects or omits to state a material fact necessary to make the statements made therein not misleading, or the Eligible Stockholder discovers that such person has failed to continue to satisfy the eligibility requirements described in this Section 1.14, promptly (and in any event within forty-eight (48) hours of discovering such misstatement, omission or failure to satisfy eligibility) notify the Corporation (in the same manner as the Proxy Access Notice) and any other recipient of such misstatement or omission and of the information required to correct the misstatement or omission, or of such failure to satisfy eligibility, (4) comply with all other applicable laws and regulations applicable to the Eligible Stockholder in connection with any solicitation in connection with the annual meeting of stockholders, (5) file all materials described in Section 1.14(h)(iii) of these Bylaws with the Securities and Exchange Commission, regardless of whether any such filing is required under Regulation 14A promulgated under the Exchange Act or whether any exemption from filing is available for such materials under Regulation 14A and (6) provide to the Corporation (in the same manner as the Proxy Access Notice) prior to the annual meeting of stockholders such additional information as may be reasonably requested by the Corporation in order for the Corporation to comply with its disclosure obligations under applicable law, determine the Eligible Stockholder’s satisfaction of the requirements of this Section 1.14 and ascertain the Eligible Nominee’s eligibility for nomination pursuant to this Section 1.14; with respect to each Eligible Nominee, (1) a list of all positions held by such Eligible Nominee as an officer or director of any competitor (as defined for purposes of Section 8 of the Clayton Antitrust Act of 1914, as amended (the “**Clayton Act**”)) of the Corporation or any of its subsidiaries within the three (3) years preceding the date of delivery of the Proxy Access Notice, (2) a completed and signed questionnaire, representation and agreement and any additional information, in each case, required by Section 1.14(i) of these Bylaws, (3) such Eligible Nominee’s written consent to being named in any proxy statement as a nominee and to serving as a director of the Corporation if elected; (g) Delivery of Proxy Access Notice. To be timely under this Section 1.14, the Proxy Access Notice must be delivered to the Secretary at the principal executive offices of the Corporation within the time period described in the second sentence of Section 1.13(a)(ii) of these Bylaws. (h) Eligible Stockholder Obligations. An Eligible Stockholder must: within five (5) business days after the date of delivery of the Proxy Access Notice, and on the last business day immediately prior to the date of the annual meeting of stockholders, provide to the Corporation (in the same manner as the Proxy Access Notice) one or more written statements from the record holder(s) of the Required Shares and from each intermediary through which the Required Shares are or have been held, in each case, during the requisite three-year holding period, verifying that the Eligible Stockholder owns, and has owned continuously for the preceding three (3) years, the Required Shares; include in the written statements provided pursuant to Item 4 of Schedule 14N filed with the Securities and Exchange Commission a statement certifying that such Eligible Stockholder owns and continuously has owned (as defined in Section 1.14(c)) the Required Shares for at least three (3) years; file with the Securities and Exchange Commission any solicitation or other communication relating to the annual meeting of stockholders at which any Eligible Nominee will be nominated, regardless of whether any such filing is required under Regulation 14A promulgated under the Exchange Act or whether any exemption from filing is available for such solicitation or other communication under Regulation 14A; and as to any group of investment funds whose shares are aggregated for purposes of constituting an Eligible Stockholder, within five (5) business days after the date of delivery of the Proxy Access Notice, provide documentation reasonably satisfactory to the Corporation that demonstrates that the funds are under common management and investment control.

If the Eligible Nominee fails to furnish such requested information prior to the last date on which a Proxy Access Notice would be timely pursuant to Section 1.14(g), the nomination of such Eligible Nominee shall not be considered made in compliance with this Section 1.14, the Corporation may omit from its proxy materials such Eligible Nominee, and such nomination shall be disregarded and not be considered at the annual meeting of stockholders before which such nomination is proposed to be brought, notwithstanding that proxies in respect of such vote or such Eligible Nominee may have been received by the Corporation.

(k) Nomination Not Made in Compliance with this Section 1.14. Notwithstanding anything to the contrary contained in this Section 1.14, the nomination of an Eligible Nominee shall not be considered made in compliance with this Section 1.14, and such nomination shall be disregarded and not be considered at the annual meeting of stockholders before which such nomination is proposed to be brought, notwithstanding that proxies in respect of such vote or such Eligible Nominee may have been received by the Corporation, if: the Eligible Stockholder has failed to continue to satisfy the eligibility requirements described in this Section 1.14; the Eligible Stockholder or the designated lead Constituent Holder, as the case may be, or any qualified representative thereof, does not appear at the annual meeting of stockholders before which such nomination is proposed to be brought to present the nomination of the Eligible Nominee submitted pursuant to this Section 1.14; the Eligible Nominee becomes unwilling or unable to serve on the Board of Directors; or (iv) the Eligible Stockholder withdraws such Eligible Stockholder's nomination of the Eligible Nominee.

Notwithstanding anything to the contrary contained in this Section 1.14, the Corporation shall not be required to include in its proxy materials any Eligible Nominee pursuant to this Section 1.14, the nomination of an Eligible Nominee shall not be considered made in compliance with this Section 1.14, such nomination shall be disregarded and not be considered at the annual meeting of stockholders before which such nomination is proposed to be brought, notwithstanding that proxies in respect of such vote or such Eligible Nominee may have been received by the Corporation, and no stockholder who submits a nomination of an Eligible Nominee shall be deemed to constitute an Eligible Stockholder for purposes of this Section 1.14, if such Eligible Nominee or nominating stockholder, as the case may be, at any time during the three (3)-year period immediately preceding the date of delivery of the Proxy Access Notice for such nomination or at any time prior to the annual meeting of stockholders, directly or indirectly, whether through an affiliate, associate or other intermediary, has initiated, financially sponsored, supported or otherwise actively participated in any initiative, campaign or other process seeking to advance any agenda that is not directly related to the enhancement of stockholder value or restrict, eliminate or declare unlawful any business or operation of the Corporation or any of its subsidiaries that has generated revenue, positive earnings and/or net income in at least one (1) fiscal quarter in the trailing four (4) fiscal quarters, as disclosed in the most recent earnings press release or periodic report (on Form 10-Q or Form 10-K, as the case may be) filed by the Corporation with the Securities and Exchange Commission immediately preceding the date of delivery of such Proxy Access Notice.

(m) Maximum Number of Eligible Nominees. Notwithstanding the other provisions of this Section 1.14, the number of Eligible Nominees appearing in the Corporation's proxy materials with respect to an annual meeting of stockholders (including any Eligible Nominee whose name was submitted for inclusion in the Corporation's proxy materials but who is nominated by the Board of Directors as a Board of Directors nominee), together with any nominees who were previously elected to the Board of Directors as Eligible Nominees at any of the preceding two (2) annual meetings of stockholders and who are re-nominated for election at such annual meeting of stockholders by the Board of Directors and any Eligible Nominee who was qualified for inclusion in the Corporation's proxy materials but whose nomination is subsequently withdrawn, shall not exceed (the "**Maximum Number**") the greater of two (2) or twenty-five percent (25%) of the number of directors in office as of the last date on which a Proxy Access Notice may be delivered pursuant to Section 1.14(g) of these Bylaws with respect to such annual meeting of stockholders, or if such amount is not a whole number, the closest whole number below twenty-five percent (25%). In the event that the number of Eligible Nominees submitted by Eligible Stockholders pursuant to this Section 1.14 exceeds this Maximum Number, each Eligible Stockholder will select one (1) Eligible Nominee for inclusion in the Corporation's proxy materials until the Maximum Number is reached, going in order of the number (largest to smallest) of outstanding shares of capital stock of the Corporation each Eligible Stockholder disclosed as owned in such Eligible Stockholder's respective Proxy Access Notice delivered to the Corporation. If the Maximum Number is not reached after each Eligible Stockholder has selected one (1) Eligible Nominee, this selection process will continue as many times as necessary, following the same order each time, until the Maximum Number is reached. In the event that one or more vacancies occurs on the Board of Directors resulting from the death, resignation, disqualification, removal or other cause after the deadline set forth in Section 1.14(g) of these Bylaws, but before the date of the annual meeting of stockholders, and the Board of Directors resolves to reduce the number of directors constituting the Board of Directors in connection therewith, the Maximum Number shall be calculated based on such reduced number of directors.

(n) Ineligible Nominees. Any Eligible Nominee who is included in the Corporation's proxy materials for a particular annual meeting of stockholders but either withdraws from or becomes ineligible or unavailable for election at such annual meeting of stockholders or does not receive at least twenty five percent (25%) of the votes cast in favor of the Eligible Nominee's election at such annual meeting of stockholders, will be ineligible to be an Eligible Nominee pursuant to this Section 1.14 for the next two (2) annual meetings of stockholders.

(o) Section 1.14 Exclusive. This Section 1.14 provides the exclusive method for a stockholder or group of stockholders to include nominees for election to the Board of Directors in the Corporation's proxy materials.

Any director so elected shall hold office until the expiration of the term of office of the director whom he or she has replaced and until his or her successor shall be elected and qualified, subject to such director's earlier death, resignation, disqualification or removal. No decrease in the number of directors shall shorten the term of any incumbent director.

Except in cases in which the Articles of Incorporation, these Bylaws or applicable law otherwise provides, a majority of the votes entitled to be cast by the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors. ARTICLE VI

Indemnification

Section 6.1 Right to Indemnification. The Corporation shall indemnify and hold harmless, to the fullest extent permitted by applicable law, any individual (a "Covered Person") who was or is made or is threatened to be made a party or is otherwise involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (a "proceeding"), by reason of the fact that he or she is or was a director or officer of the Corporation or, while a director or officer of the Corporation, is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust, enterprise or nonprofit entity, including service with respect to employee benefit plans, its participants or beneficiaries, against all liability and loss suffered and expenses (including attorneys' fees) reasonably incurred by such Covered Person. Notwithstanding the preceding sentence or Section 6.2 of these Bylaws, except as otherwise provided in Section 6.3 of these Bylaws, the Corporation shall be required to indemnify a Covered Person or pay expenses in connection with a proceeding (or part thereof) commenced by such Covered Person only if the commencement of such proceeding (or part thereof) by the Covered Person was authorized in the specific case by the Board of Directors.

Section 6.2 Prepayment of Expenses. The Corporation shall, to the fullest extent not prohibited by applicable law, pay the expenses (including attorneys' fees) incurred by a Covered Person in defending or otherwise participating in any proceeding as they are incurred and in advance of its final disposition, except as provided in the final sentence of Section 6.1 of these Bylaws; provided, however, that, to the extent required by applicable law, such payment of expenses in advance of the final disposition of the proceeding shall be made only upon receipt of an undertaking by or on behalf of the Covered Person to repay the amounts advanced if it is ultimately determined by a court of competent jurisdiction that the Covered Person is not entitled to be indemnified under this Article VI or otherwise.

Section 6.3 Claims. If a claim for indemnification (following the final disposition of such proceeding) under Section 6.1 of these Bylaws is not paid in full within sixty (60) days after a written claim therefor by the Covered Person has been received by the Corporation or a claim for advancement of expenses under Section 6.2 of these Bylaws is not paid in full within twenty (20) days after a written claim therefor by the Covered Person has been received by the Corporation, as applicable, the Covered Person may file suit to recover the unpaid amount of such claim and, if successful in whole or in part, shall be entitled to be paid the expense (including attorneys' fees) of prosecuting such claim. In any such action the Corporation shall have the burden of proving that the Covered Person is not entitled to the requested indemnification or advancement of expenses under applicable law. In any such action to enforce a claim for indemnification under Section 6.1 of these Bylaws, neither the failure of the Corporation to have made a determination prior to the commencement of such action that indemnification of the Covered Person is proper in the circumstances because the Covered Person has met the applicable standard of conduct set forth in the Nevada Revised Statutes, nor an actual determination by the Corporation that the Covered Person has not met such applicable standard of conduct, shall create a presumption that the Covered Person has not met such applicable standard of conduct.

Section 6.4 Nonexclusivity of Rights. The rights conferred on any Covered Person by this Article VI shall not be exclusive of any other rights which such Covered Person may have or hereafter acquire under any statute, provision of the Articles of Incorporation, these Bylaws, agreement, vote of stockholders or disinterested directors or otherwise.

Section 6.5 Other Sources. The Corporation's obligation, if any, to indemnify or to advance expenses to any Covered Person who was or is serving at its request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, enterprise or nonprofit entity shall be reduced by any amount such Covered Person may collect as indemnification or advancement of expenses from such other corporation, partnership, joint venture, trust, enterprise or non-profit entity.

Section 6.6 Amendment or Repeal. Any amendment, repeal, modification or elimination of the foregoing provisions of this Article VI shall not adversely affect any right or protection hereunder of any Covered Person in respect of any act or omission occurring prior to the time of such amendment, repeal, modification or elimination.

Section 6.7 Other Indemnification and Prepayment of Expenses. This Article VI shall not limit the right of the Corporation, to the extent and in the manner permitted by applicable law, to indemnify and to advance expenses to persons other than Covered Persons when and as authorized by appropriate corporate action.

Section 6.8 Certain Terms. For purposes of this Article VI, references to “**the Corporation**” shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers and employees or agents, so that any person who is or was a director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under this Article VI with respect to the resulting or surviving corporation as such person would have with respect to such constituent corporation as if its separate existence had continued; references to “**other enterprise**” shall include employee benefit plans; reference to “**finances**” shall include any excise taxes assessed on a person with respect to any employee benefit plan; and references to “**servicing at the request of the Corporation or any of its consolidated subsidiaries**” shall include any service as a director, officer, employee or agent of the Corporation which imposes duties on, or involves services by, such director, officer, employee or agent with respect to an employee benefit plan, its participants or beneficiaries.

ARTICLE VII

Miscellaneous

Section 7.1 Fiscal Year. The fiscal year of the Corporation shall be determined by resolution or resolutions of the Board of Directors.

Section 7.2 Seal. The corporate seal of the Corporation shall have the name of the Corporation inscribed thereon and shall be in such form as may be approved from time to time by the Board of Directors.

Section 7.3 Manner of Notice. Except as otherwise provided in these Bylaws or permitted by applicable law, notices to directors and stockholders shall be in writing or electronic transmission and delivered by mail, courier service or electronic mail to the directors or stockholders at their addresses appearing on the records of the Corporation.

Section 7.4 Waiver of Notice of Meetings of Stockholders, Directors and Committees. Any waiver of notice, given by the person entitled to notice, whether before or after the time stated therein, shall be deemed equivalent to notice. Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at nor the purpose of any regular or special meeting of the stockholders, directors, or members of a committee of directors need be specified in a waiver of notice.

Section 7.5 Form of Records. Any records administered by or on behalf of the Corporation in the regular course of its business, including its stock ledger, books of account, and minute books, may be kept on, or by means of, or be in the form of, any information storage device, method, or one or more electronic networks or databases (including one or more distributed electronic networks or databases); provided that the records so kept can be converted into clearly legible paper form within a reasonable time, and, with respect to the stock ledger, that the records so kept comply with applicable law.

Section 7.6 Amendment of Bylaws. For so long as APLD Beneficially Owns at least thirty percent (30%) of the voting power of the then outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, these Bylaws may be altered, amended or repealed, and new bylaws made, by the Board of Directors, without the approval of the stockholders; provided, however, that at such time APLD Beneficially Owns less than thirty percent (30%) of the voting power of the then outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, either (i) the Board of Directors may make, alter, amend or repeal these Bylaws with the prior approval of the stockholders, or (ii) the stockholders may make, alter, amend or repeal these Bylaws with the prior approval of the Board of Directors. In addition to any affirmative vote required by or pursuant to the Articles of Incorporation, any bylaw that is to be made, altered, amended or repealed by the stockholders of the Corporation in accordance with these Bylaws shall require the affirmative vote of the holders of at least a majority in voting power of all of the then outstanding shares of capital stock of the Corporation entitled to vote, voting together as a single class.

Section 7.7 Forum for Adjudication of Disputes.

(a) Chosen Courts. Unless the Corporation consents in writing to the selection of an alternative forum, the Eighth Judicial District Court of Clark County, Nevada (the “**Nevada Court**”) or the Court of Chancery of the State of Delaware (the “**Court of Chancery**”) and together with the Nevada Court, the “**Chosen Courts**”) shall be the sole and exclusive forum for any and all actions, suits and proceedings, whether civil, administrative or investigative or that asserts any claim or counterclaim (each, an “**Action**”), provided that the Nevada Court shall be the sole and exclusive forum for any Action that constitutes an internal action (as such term is defined in Nevada Revised Statute 78.046 or any successor statute); provided, however, in the event that the Chosen Courts lack jurisdiction over such Action, the sole and exclusive forum for such Action shall be another state or federal court located within the State of Nevada or the State of Delaware, in all cases, subject to such court having personal jurisdiction over the indispensable parties named as defendants. For the avoidance of doubt, this Section 7.7(a) shall not apply to the resolution of any complaint asserting a cause of action arising under the Securities Act.

(b) Federal Courts. Unless the Corporation consents in writing to the selection of an alternative forum, the federal district courts of the United States of America shall, to the fullest extent permitted by applicable law, be the sole and exclusive forum for the resolution of any complaint asserting a cause of action arising under the Securities Act.

(c) Application. Failure to enforce the foregoing provisions of this Section 7.7 would cause the Corporation irreparable harm and the Corporation shall, to the fullest extent permitted by applicable law, be entitled to equitable relief, including injunctive relief and specific performance, to enforce the foregoing provisions. Any person purchasing or otherwise acquiring any interest in shares of capital stock of the Corporation shall be deemed to have notice of and consented to the provisions of this Section 7.7.

Issuer has complied, to the extent applicable, with its disclosure obligations under Rule 506(e), and has furnished to APLD Intermediate and Contributor a copy of any disclosures provided thereunder, if any. Issuer will notify APLD Intermediate and Contributor in writing, prior to the Closing Date of (i) any Disqualification Event relating to any Issuer Covered Person and (ii) any event that would, with the passage of time, reasonably be expected to become a Disqualification Event relating to any Issuer Covered Person, in each case of which it is aware.

- i. Within three (3) business days of the receipt of the Proxy Notice, Issuer shall cause the Issuer Board to duly convene at a meeting of the Issuer Board to, or through action by written consent (the date of such approval, the “Issuer Board Approval Date”), (A) set a record date for stockholders eligible to vote at the Stockholder Meeting, which record date is (i) no less than two (2) business days after the date of the Issuer Board Approval Date, and (ii) no less than ten (10) calendar days prior to the Meeting Date, and no more than sixty (60) calendar days prior to the Meeting Date (such date, as may be extended from time to time, the “Record Date”), (B) set April 20, 2026 as the initial date for the Stockholder Meeting, subject to SEC clearance of the Proxy Statement relating to this Agreement, the Contribution and the other Transactions contemplated hereby, provided, that, if such date is not permitted under applicable Laws, then such other date as mutually agreed by the Issuer and Contributor (such date, as extended from time to time, the “Meeting Date”), and (C) recommend to the Issuer’s stockholders that such holders vote to approve the Stockholder Proposals as set forth in the Proxy Statement in accordance with subsection (v) below;
- ii. Issuer shall, at its own cost and expense, engage a proxy solicitor no later than the Record Date. Issuer shall use commercially reasonable efforts to solicit proxies in favor of the Stockholder Approval and to obtain the Stockholder Approval prior to the Meeting Approval Deadline;
- iii. No later than two (2) business days prior to the Record Date, Issuer shall conduct a “broker search” in accordance with Rule 14a-13 of the Exchange Act;
- iv. Notwithstanding anything to the contrary contained herein, but subject to the immediately following sentence, Issuer shall not postpone or adjourn the Stockholder Meeting without the prior written consent of APLD Intermediate (which consent shall not be unreasonably withheld); provided that if at any time following the dissemination of the Proxy Statement, either Issuer or APLD Intermediate reasonably determines in good faith that the Stockholder Approval is unlikely to be obtained at the Stockholder Meeting, including due to an absence of quorum, then each of Issuer and APLD Intermediate shall have the right to require an adjournment or postponement of the Stockholder Meeting for the purpose of soliciting additional votes in favor of the Stockholder Proposals; provided, further, that no such single adjournment or postponement shall delay the Stockholder Meeting by more than ten (10) calendar days from the prior-scheduled date or to a date on or after the fifth (5th) business day preceding the End Date. Notwithstanding the foregoing, Issuer may (without the consent of APLD Intermediate) postpone or adjourn the Stockholder Meeting if (i) Issuer is required to postpone or adjourn the Stockholder Meeting by applicable Law, or (ii) after consultation with APLD Intermediate, the Issuer Board or any authorized committee thereof shall have determined in good faith (after consultation with outside legal counsel) that such postponement or adjournment of the Stockholder Meeting is required in order to give Issuer’s stockholders sufficient time to evaluate any amendment or supplement to the Proxy Statement that Issuer is required to provide to such holders under applicable Law (so long as any such supplement or amendment was provided in compliance with this Agreement); provided that no such single adjournment or postponement shall delay the Stockholder Meeting by more than ten (10) calendar days from the prior-scheduled date or to a date on or after the fifth (5th) business day preceding the End Date. Unless this Agreement has been validly terminated pursuant to Section 6.1, (A) Issuer shall submit this Agreement to the stockholders of Issuer for adoption at the Stockholder Meeting and (B) the only matters to be voted upon at the Stockholder Meeting shall be the Stockholder Proposals and routine proposals required in connection with such vote (and not any other matters).

v. Issuer shall (A) upon APLD Intermediate's request, provide APLD Intermediate reasonably detailed periodic updates concerning proxy solicitation results on a timely basis, (B) give written notice to APLD Intermediate one day prior to the Stockholder Meeting, and on the day of, but prior to the Stockholder Meeting, indicating whether as of such date sufficient proxies representing the Stockholder Approval have been obtained. Issuer shall undertake any other obligations that APLD Intermediate reasonably requests in connection with the Stockholder Meeting and/or the Stockholder Approval, and (C) take such other actions as are reasonably and customarily necessary, appropriate and convenient to conduct the Stockholder Meeting and obtain the Stockholder Approval thereat.

4.5 No Solicitation.

(a) Issuer shall not, and shall cause each of its Subsidiaries and Representatives not to, directly or indirectly (i) initiate, knowingly encourage (including by means of furnishing or disclosing information), solicit, discuss or negotiate, directly or indirectly, any Acquisition Proposal, other than with APLD Intermediate and Contributor (for the avoidance of doubt, no controlled equityholder of Issuer or member of Issuer's management will be permitted to meet with any Person with respect to an Acquisition Proposal), (ii) furnish or disclose any non-public information to any Person, other than to Contributor and/or APLD Intermediate, their respective Affiliates and their respective Representatives, in connection with an Acquisition Proposal, (iii) enter into any agreement regarding an Acquisition Proposal, other than with Contributor and/or APLD Intermediate, or (iv) enter into any agreement, arrangement or understanding that would reasonably be expected to have an adverse effect on the ability of Issuer to consummate the Contribution. Notwithstanding anything to the contrary in this Agreement, Issuer may (i) engage in discussions with potential buyers of substantially all of Issuer's assets and (ii) engage in (and consummate) the PIPE Investment.

(b) Neither Contributor nor APLD Intermediate shall, directly or indirectly, through any of its Representatives (i) initiate, knowingly encourage (including by means of furnishing or disclosing information), solicit, discuss or negotiate, directly or indirectly, any inquiry, proposal or offer (written or oral) (A) to acquire, directly or indirectly, Cloud, or any portion of Contributor's assets (whether by merger, consolidation, recapitalization, purchase or issuance of equity securities, purchase of assets, tender offer or otherwise), (B) to make any investment in, capital contribution or loan to, or reorganization, dissolution, liquidation or recapitalization of Cloud, or (C) any similar transaction or business combination involving the assets, equity, interests or capital stock of Cloud (each, a "Cloud Acquisition Proposal"), other than with Issuer (for the avoidance of doubt, no controlled equityholder of Contributor or member of Contributor's management will be permitted to meet with any Person with respect to a Cloud Acquisition Proposal), (ii) furnish or disclose any non-public information to any Person, other than to Issuer, its Affiliates and their Representatives, in connection with a Cloud Acquisition Proposal, (iii) enter into any agreement regarding a Cloud Acquisition Proposal, other than with Issuer, or (iv) enter into any agreement, arrangement or understanding that would reasonably be expected to have an adverse effect on the ability of Contributor consummate the Contribution. Notwithstanding anything to the contrary in this Agreement, no inquiry, proposal, offer, discussion, negotiation or agreement that contemplates the sale, transfer, disposition, merger, business combination, financing, restructuring or other transaction involving the Cloud as part of any proposed Sale of Applied Parent shall be restricted by this Section 4.5(b).

4.6 Regulatory Approvals; Efforts.

(a) Prior to the Closing, the parties hereto shall, and shall cause their respective Affiliates to, use their respective reasonable best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, proper or advisable by such party under any applicable Laws to consummate and effectuate the Contribution and other transactions as contemplated herein and in the Transaction Documents, as promptly as practicable, including (i) preparing and filing all forms, registrations and notifications with any governmental authorities or third parties required to be filed to consummate the Contribution, (ii) using reasonable best efforts to satisfy the conditions to consummating the Contribution, (iii) using reasonable best efforts to obtain (and to cooperate with each other in obtaining) any consent, authorization, expiration or termination of a waiting period, permit, Order or approval of, waiver or any exemption by, any governmental authorities required to be obtained or made by the parties hereto or any of their respective Subsidiaries in connection with the Contribution or the taking of any action contemplated by this Agreement, (iv) defending any lawsuits or other legal Proceedings, whether judicial or administrative, challenging this Agreement or the consummation of the Contribution, and (v) using reasonable best efforts with respect to the execution and delivery of all such instruments, deeds, assignments or assurances and do all other things reasonably necessary or desirable to consummate the Contribution and to fully carry out the purposes or intent of this Agreement.

4.7 Securities Laws Disclosure; Publicity. Issuer shall not (i) issue a press release or (ii) file a Current Report on Form 8-K disclosing the material terms of the Transactions contemplated hereby (a “Press Release”), including forms of the Transaction Documents as exhibits thereto, with the SEC within the time required by the Exchange Act, in each case except to the extent required by applicable Law. Notwithstanding the foregoing, if such Press Release is required in accordance with applicable Law, it shall be on a form reasonably acceptable to APLD Intermediate after APLD Intermediate has had reasonable time to review and comment on such form. Issuer shall not issue any press release nor otherwise make any public statement which contains any false, defamatory, or disparaging remarks, comments, or statements concerning Contributor, APLD Intermediate, Cloud or any of its Affiliates.

4.8 Acknowledgment of Dilution. Issuer acknowledges that the issuance of the Exchanged Shares may result in dilution of the outstanding shares of Issuer Common Stock, which dilution may be substantial under certain market conditions. Issuer further acknowledges that its obligations under the Transaction Documents, including, without limitation, its obligation to issue the Exchanged Shares pursuant to the Transaction Documents, are unconditional and absolute and not subject to any right of set off, counterclaim, delay or reduction, regardless of the effect of any such dilution or any claim Issuer may have against Contributor and regardless of the dilutive effect that such issuance may have on the ownership of the other stockholders of Issuer.

4.9 Notifications of Certain Events. Subject to applicable Law and as otherwise required by any Governmental Entity, APLD Intermediate and/or Contributor, on the one hand, and Issuer, on the other hand, each shall keep the other apprised of the status of matters relating to the consummation of the Transactions contemplated by this Agreement, including promptly furnishing the other with copies of notices or other communications received by APLD Intermediate and/or Contributor or Issuer, as applicable, or any of their Subsidiaries, from any third party or any Governmental Entity with respect to this Agreement and the Transactions contemplated hereby. APLD Intermediate and/or Contributor and Issuer each shall give prompt written notice (including copies of relevant documents) to the other of any Effect (within 48 hours of a board or chief executive officer first becoming aware), individually or in the aggregate, that has had or would reasonably be expected to have a Cloud Material Adverse Effect or an Issuer Material Adverse Effect, as applicable, or of any failure of any condition to a party’s obligation to consummate the Transactions contemplated by this Agreement or the Transaction Documents; provided, however, that the failure to deliver any such notice shall not affect any of the conditions set forth in ARTICLE V or give rise to any right to terminate under ARTICLE VI, unless the underlying breach would independently result in the failure of a condition set forth in ARTICLE V to be satisfied.

4.10 Tax Matters.

(a) Tax Periods Ending on or before Closing Date. To the extent permitted by applicable Law, Issuer agrees to apply for any automatic extension of the deadline for filing any income Tax Returns that otherwise would be required to be filed before July 1, 2026. Not later than thirty (30) days prior to the due date for filing any federal income Tax Returns, for periods ending on or prior to the Closing Date that are filed after the Closing Date, Issuer shall provide APLD Intermediate with drafts of such Tax Returns. Issuer shall permit APLD Intermediate to review and comment on each such Tax Return described in this paragraph prior to filing and shall consider in good faith all of APLD Intermediate's reasonable comments timely provided.

(b) Cooperation on Tax Matters. Issuer shall cooperate fully, as and to the extent reasonably requested by APLD Intermediate, in connection with the filing of Tax Returns and any audit, litigation or other Proceeding with respect to Taxes. Such cooperation shall include the retention and (upon APLD Intermediate's request) the provision of records and information reasonably relevant to any such audit, litigation, or other Proceeding and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder.

(c) Tax-Sharing Agreements. All tax-sharing agreements or similar agreements with respect to or involving Issuer, except for any such agreement or arrangement solely between or among any of Issuer and its Subsidiaries or any Tax sharing or indemnification provisions contained in any agreement entered into in the ordinary course of business and not primarily relating to Tax (e.g., leases, credit agreements or other commercial agreements) shall be terminated as of the Closing Date and, after the Closing Date, Issuer shall not be bound thereby or have any liability thereunder.

(d) Transfer Taxes; Mitigation. Notwithstanding anything to the contrary contained herein, Issuer shall bear 100% of any and all liabilities for any excise, sales, use, stamp, value added, documentary, filing, recording, transfer, stock transfer, gross receipts, registration, duty, securities transactions or similar fees or Taxes or governmental charges (together with any interest or penalty, addition to tax or additional amount imposed) as levied by any Governmental Entity in connection with the Contribution (collectively, "Transfer Taxes"), regardless of the Person liable for such Transfer Taxes under applicable Law. Issuer shall, at its own expense, prepare and file the required Tax Returns and other required documents with respect to the Transfer Taxes required to be paid pursuant to the preceding sentence and shall promptly provide APLD Intermediate with evidence of the payment of such Transfer Taxes.

4.11 Transaction Litigation. Issuer shall promptly (and in any event within two business days) notify APLD Intermediate in writing of, and shall give APLD Intermediate the opportunity to participate fully and actively in the defense and settlement of, any shareholder or stockholder claim or litigation (including any class action or derivative litigation) against or otherwise involving Issuer and/or any of their respective directors or officers relating to this Agreement, the Contribution or any of the other Transactions contemplated by this Agreement (any such claim or litigation, "Transaction Litigation"). No compromise or full or partial settlement of any such claim or litigation shall be agreed to by Issuer without APLD Intermediate's prior written consent (not to be unreasonably delayed, conditioned or withheld).

4.12 Confidentiality. Any such information provided pursuant to this Agreement shall be held in confidence to the extent required by, and in accordance with, the provisions of that certain Mutual Non-Disclosure Agreement, by and between Applied Parent and Issuer, dated as of August 11, 2025 (the "Confidentiality Agreement").

4.13 Nasdaq Listing of Shares. Prior to Closing, Issuer shall apply to cause the shares of Issuer Common Stock issued in connection with the Transactions contemplated by this Agreement to be approved for listing on Nasdaq and shall timely submit a notice of listing of additional shares with Nasdaq with respect thereto.

4.14 Takeover Statutes. If any Takeover Statute is or may become applicable to the Transactions contemplated by this Agreement, Issuer, and the Issuer Board, as applicable, shall promptly grant such approvals and take such lawful actions as are necessary so that transactions contemplated by this Agreement may be consummated as promptly as practicable on the terms contemplated by this Agreement, and shall otherwise take any such lawful actions to eliminate or minimize the effects of such statute, and any regulations promulgated thereunder, on such Transactions.

4.15 Legend.

(a) Contributor agrees that all certificates or other instruments representing the Exchanged Shares issued pursuant to this Agreement will bear a legend substantially to the following effect:

THE SECURITIES REPRESENTED BY THIS INSTRUMENT HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES LAWS OF ANY STATE AND MAY NOT BE TRANSFERRED, SOLD OR OTHERWISE DISPOSED OF EXCEPT WHILE A REGISTRATION STATEMENT RELATING THERETO IS IN EFFECT UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER SUCH ACT OR SUCH LAWS.

(b) In connection with any sale, assignment, transfer or other disposition of the Exchanged Shares by Contributor pursuant to Rule 144, pursuant to any other exemption under the Securities Act or pursuant to sale under an effective registration statement such that the purchaser acquires freely tradable shares and upon compliance by Contributor with the requirements of this Section 4.15, if requested by Contributor (or any Permitted Transferee), Issuer shall cause the Transfer Agent to timely remove any restrictive legends related to the book entry account holding such Exchanged Shares, and make a new, unlegended entry for such book entry Exchanged Shares, provided that Issuer has received customary representations and other documentation reasonably acceptable to Issuer in connection therewith. Subject to receipt by Issuer of customary representations and other documentation reasonably acceptable to Issuer in connection therewith (including in the case of clause (i) below, to the extent the Transfer Agent requires an opinion from counsel pursuant to clause (B) below, representations and documentation from a broker dealer acceptable to Issuer as to prospective sales pursuant to such registration statement), upon the earlier of such time as the Exchanged Shares (i) have been registered under the Securities Act pursuant to an effective registration statement, (ii) have been sold or transferred pursuant to an effective registration statement, (iii) have been sold pursuant to Rule 144, or (iv) are eligible for resale under Rule 144(b)(1) or any successor provision (without the requirement for Issuer to comply with the current public information obligations of Rule 144(c)), Issuer shall promptly upon any request therefor from Contributor accompanied by such customary and reasonably acceptable documentation referred to above (A) deliver to the Transfer Agent irrevocable instructions that the Transfer Agent shall make a new, unlegended entry for such book entry Exchanged Shares, and (B) use reasonably best efforts to cause its counsel to deliver to the Transfer Agent one or more blanket opinions to the effect that the removal of such legends in such circumstances may be effected under the Securities Act.

Reservation of Common Stock. As of the date hereof, Issuer has reserved and Issuer shall continue to reserve and keep available at all times, free of preemptive rights, a sufficient number of shares of Issuer Common Stock for the purpose of enabling Issuer to issue Issuer Common Stock pursuant to this Agreement.

4.17 Listing of Issuer Common Stock. Issuer hereby agrees to use commercially reasonable efforts to maintain the listing or quotation of the Issuer Common Stock on the Trading Market on which it is currently listed, and in connection with the execution and delivery of this Agreement, Issuer has submitted the Listing Application to Nasdaq to list or quote all of the Exchanged Shares on such Trading Market and shall not consummate the Closing until such Listing Application has been approved. Issuer further agrees, if Issuer applies to have the Issuer Common Stock traded on any other Trading Market, it will then include in such application all of the Exchanged Shares, and will take such other action as is necessary to cause all of the Exchanged Shares to be listed or quoted on such other Trading Market as promptly as possible. Issuer will then take all action reasonably necessary to continue the listing and trading of its Issuer Common Stock on a Trading Market and will comply in all respects with Issuer's reporting, filing and other obligations under the bylaws or rules of the Trading Market. Issuer agrees to maintain the eligibility of its Issuer Common Stock for electronic transfer through the Depository Trust Company or another established clearing corporation, including, without limitation, by timely payment of fees to the Depository Trust Company or such other established clearing corporation in connection with such electronic transfer.

4.18 Directors' and Officers' Indemnification and Insurance.

(a) Contributor agrees that all rights to indemnification, advancement of expenses and exculpation from liability for acts or omissions occurring on or prior to the Closing Date now existing in favor of any of the current or former directors, managers, officers or authorized person of Issuer (each an "Indemnified Party" and collectively the "Indemnified Parties"), to the extent permitted under applicable Law and required by Issuer's Organizational Documents as in effect as of the date of this Agreement shall survive the Closing Date and shall continue in full force and effect in accordance with their respective terms for a period of not less than six (6) years after the Closing Date, and in the event that any Proceeding is pending or asserted or any claim made during such period, until the disposition of any such Proceeding or claim. From and after the Closing, Contributor shall cause Issuer and its Subsidiaries to comply with and honor the foregoing obligations.

(b) Prior to or on the Closing Date, Issuer shall, at Issuer's sole cost and expense, obtain a non-cancellable (i) "tail" directors' and officers' liability, employment practices liability, and fiduciary liability insurance policies ("D&O Tail Policy") with an extended reporting period of six (6) years from the Closing Date insuring claims for conduct, acts, and omissions occurring prior to the Closing Date and (ii) "tail" products liability and cyber insurance policies ("Cyber/Products Tail Policy," and together with the D&O Tail Policy, the "Tail Insurance"), in each case, insuring events, acts, and omissions occurring before the Closing Date and on terms and conditions, including limits and retentions, no less favorable than Issuer's existing policies and in form and substance reasonably satisfactory to APLD Intermediate and Contributor.

(c) The covenants contained in this Section 4.18 are intended to be for the benefit of, and shall be enforceable by, each of the Indemnified Parties and their respective heirs and legal representatives and shall not be deemed exclusive of any other rights to which an Indemnified Party is entitled, whether pursuant to Law, Contract or otherwise.

4.19 Contractor Information. Issuer agrees to use best efforts to provide the Contributor with a true, correct, and complete list of all independent contractors (other than those employed or retained by third party corporate entities) and consultants, including, but not limited to, all individuals who provide services to Issuer or any Issuer Subsidiary either personally or through a single member corporate entity and receive a Form 1099, of Issuer or any Issuer Subsidiary, showing date of engagement; hourly rate or other basis of compensation; principal work location; job title or function, each as applicable, within ten (10) days of the date hereof.

**ARTICLE V.
CONDITIONS TO CLOSING**

5.1 Conditions to Each Party's Obligation to Effect the Contribution. The respective obligations of each party to effect the Contribution and complete the Transactions contemplated hereby shall be subject to the fulfillment (or waiver in a writing signed by Issuer, APLD Intermediate and Contributor, to the extent permissible under applicable Law and provided that such waiver shall only be effective as to the conditions of the waiving party) at or prior to the Closing of the following conditions:

(a) The Stockholder Approval shall have been obtained in accordance with all applicable Law, including, for the avoidance of doubt, all of the Securities Laws and rules of the Trading Market.

(b) APLD Intermediate and Contributor shall have performed and complied with, in each case, in all material respects, all covenants required by this Agreement to be performed or complied with by it prior to the Closing.

(c) Contributor shall have delivered to Issuer a certificate, dated the Closing Date and signed by a duly authorized executive officer in their capacity as such (and not individually) of each of Contributor and Cloud, certifying to the effect that the conditions set forth in Section 5.2(a) and Section 5.2(b) have been satisfied.

(j) Issuer shall have delivered to Contributor duly executed counterparts to all Transaction Documents to which it is a party, and all such other documents and deliveries set forth in Section 2.2(a).

5.4 Waiver of Conditions; Frustration of Purpose. All conditions to the consummation of the Contribution shall be deemed to have been satisfied or waived from and after the Closing Date. Neither Issuer, APLD Intermediate nor Contributor may rely on the failure of any condition set forth in this ARTICLE V, as applicable, to be satisfied if such failure was caused by such party's material breach of any provision of this Agreement.

ARTICLE VI. TERMINATION

6.1 Termination or Abandonment. Notwithstanding anything in this Agreement to the contrary, this Agreement may be terminated, and this Agreement and the Contribution may be abandoned at any time prior to the Closing Date, whether before or after, subject to the terms hereof, as follows:

(a) by the mutual written consent of Issuer and APLD Intermediate;

(b) by either Issuer or APLD Intermediate if the Contribution shall not have been consummated on or prior to 5:00 p.m. New York City time, on July 15, 2026 (the "End Date"); provided, further, that the right to terminate this Agreement pursuant to this Section 6.1(b) shall not be available to a party if the failure of the Contribution to be consummated by such date shall be proximately caused by the material breach or inaccuracy of, or failure to comply with, any representation, warranty, covenant or other agreement of such party set forth in this Agreement by such party;

(c) by either Issuer or APLD Intermediate if an Order shall have been issued restraining, enjoining or otherwise prohibiting the consummation of the Contribution and such order shall have become final and nonappealable; provided that the right to terminate this Agreement pursuant to this Section 6.1(c) shall not be available to a party if such Order was proximately caused by the material breach or inaccuracy of, or failure to comply with, any representation, warranty, covenant or other agreement of such party set forth in this Agreement by such party;

(d) by Issuer, if Contributor, APLD Intermediate or Cloud shall have materially breached or there is any material inaccuracy in any of their respective representations or warranties, or shall have materially breached or failed to perform any of its covenants or other agreements contained in this Agreement, which breach, inaccuracy or failure to perform (i) if it occurred or was continuing to occur on the Closing Date, would result in a failure of a condition set forth in Section 5.2(a) or Section 5.2(b) and (ii) is either not curable or is not cured by the earlier of (A) the End Date and (B) the date that is thirty (30) days following delivery of written notice from Issuer to Contributor, APLD Intermediate or Cloud, as applicable, of such breach, inaccuracy or failure;

(e) by APLD Intermediate, if Issuer shall have materially breached or there is any material inaccuracy in any of its representations or warranties, or shall have materially breached or failed to perform any of its covenants or other agreements contained in this Agreement, which breach, inaccuracy or failure to perform (i) if it occurred or was continuing to occur on the Closing Date, would result in a failure of a condition set forth in Section 5.3(a) or Section 5.3(b) and (ii) is either not curable or is not cured by the earlier of (A) the End Date and (B) the date that is thirty (30) days following delivery of written notice from Contributor or APLD Intermediate to Issuer of such breach, inaccuracy or failure;

(f) by APLD Intermediate, at any time prior to receiving the Stockholder Approval, in the event that Issuer fails to obtain the Written Consent and deliver the same to APLD Intermediate prior to the Consent Deadline; provided, that, if the Written Consent is not obtained by the Consent Deadline and APLD elects to cause Issuer to initiate the Meeting Procedures, then in the event that Issuer fails to obtain the Stockholder Approval prior to the Meeting Approval Deadline; or

In the event of termination of this Agreement, and regardless of the reason for the termination, the provisions set forth in the Confidentiality Agreement shall continue in full force and effect and any such termination shall not amend, modify, release, waive or otherwise limit any rights or obligations under the Confidentiality Agreement.

ARTICLE VII. MISCELLANEOUS

7.1 Expenses. Unless this Agreement is terminated in accordance with ARTICLE VI, Issuer shall pay, at the Closing, all fees and expenses of Issuer, Cloud, APLD Intermediate and Contributor, including the fees and expenses of their respective advisers, counsel, accountants, and other experts, if any, as well as all other out-of-pocket expenses incurred by such parties in connection with the negotiation, preparation, execution, and delivery of this Agreement (collectively, the "Expenses"). If this Agreement is terminated in accordance with ARTICLE VI, Issuer shall be responsible for its own Expenses, and APLD Intermediate and Contributor shall be responsible for its own Expenses and any Expenses incurred by Cloud.

7.2 Entire Agreement. The Transaction Documents, together with the exhibits and schedules hereto and thereto, contain the entire understanding of the parties with respect to the subject matter hereof and thereof and supersede all prior agreements and understandings, oral or written, with respect to such matters, which the parties acknowledge have been merged into such documents, exhibits and schedules.

7.4 Amendments; Waivers. This Agreement may be amended only by a writing signed by Issuer and APLD Intermediate. No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The conditions to each party's obligation to consummate the Closing are for the sole benefit of such party and may be waived by such party in whole or in part to the extent permitted by applicable Law. No waiver by any party to this Agreement will be effective unless it is in a writing signed by a duly authorized officer of the waiving party that makes express reference to the provision or provisions subject to such waiver. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by Law.

7.5 Successors and Assigns. Neither this Agreement, nor any of the rights, interests or obligations hereunder shall be assigned by any of the parties hereto (whether by operation of Law or otherwise) without the prior written consent of each of the parties hereto, provided, however, that (a) the parties may assign their rights, interests and obligations under this Agreement, in whole or in part, to one or more Permitted Transferees, and (b) in the event of such assignment, (i) the assignee shall agree in writing to be bound by the provisions of this Agreement, including the rights, interests and obligations so assigned and (ii) the assignor shall remain responsible for the provisions of this Agreement and the performance of its obligations hereunder.

7.6 No Third-Party Beneficiaries. Nothing contained in this Agreement, expressed or implied, is intended to confer upon any Person other than the parties hereto (and their permitted assigns), any benefit, right or remedies; provided that, notwithstanding the foregoing, the Indemnified Parties are express third party beneficiaries of Section 4.18.

7.7 Captions. The article, section, paragraph and clause captions herein are for convenience of reference only, do not constitute part of this Agreement and will not be deemed to limit or otherwise affect any of the provisions hereof.

7.8 Governing Law. This Agreement shall be governed by, and construed in accordance with, the Laws of the state of New York, without giving effect to any choice of law or conflict of law rules or provisions (whether of the state of New York or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the state of New York; provided that any matters relating to the internal governance of Issuer will be governed by, and construed in accordance with, the Laws of the state of Nevada. Any dispute relating hereto shall be heard in any state or federal court located in Manhattan in the state of New York (each a "Chosen Court") and collectively, the "Chosen Courts"), and the parties agree to the exclusive jurisdiction and venue of the Chosen Courts. Such Persons further agree that any Proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the Transactions contemplated hereby or by any matters related to the foregoing (the "Applicable Matters") shall be brought exclusively in a Chosen Court, and that any Proceeding arising out of this Agreement or any other Applicable Matter shall be deemed to have arisen from a transaction of business in the state of New York, and each of the foregoing Persons hereby irrevocably consents to the jurisdiction of such Chosen Courts in any such Proceeding and irrevocably and unconditionally waives, to the fullest extent permitted by law, any objection that such Person may now or hereafter have to the laying of the venue of any such suit, action or Proceeding in any such Chosen Court or that any such Proceeding brought in any such Chosen Court has been brought in an inconvenient forum. Such Persons further covenant not to bring a Proceeding with respect to the Applicable Matters (or that could affect any Applicable Matter) other than in such Chosen Court and not to challenge or enforce in another jurisdiction a judgment of such Chosen Court. Process in any such Proceeding may be served on any Person with respect to such Applicable Matters anywhere in the world, whether within or without the jurisdiction of any such Chosen Court. Without limiting the foregoing, each such Person agrees that service of process on such party as provided in Section 7.8 shall be deemed effective service of process on such Person. AS SPECIFICALLY BARGAINED FOR INDUCEMENT FOR EACH OF THE PARTIES HERETO TO ENTER INTO THIS AGREEMENT (AFTER HAVING THE OPPORTUNITY TO CONSULT WITH COUNSEL), EACH PARTY HERETO EXPRESSLY WAIVES THE RIGHT TO TRIAL BY JURY IN ANY LAWSUIT OR PROCEEDING RELATING TO OR ARISING IN ANY WAY FROM THIS AGREEMENT OR THE MATTERS CONTEMPLATED HEREBY.

7.9 Survival. None of the representations, warranties, covenants and agreements in this Agreement or in any instrument delivered pursuant to this Agreement shall survive the Closing, except for covenants and agreements that contemplate performance after the Closing or otherwise expressly by their terms survive the Closing.

7.10 Execution. This Agreement, and any amendments hereto, to the extent signed and delivered by means of an electronic transmission, including by a facsimile machine or via email, shall be treated in all manner and respects as an original agreement or instrument and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. The words "execution," "execute", "signed," "signature," and words of like import in or related to any document to be signed in connection with this Agreement and the Transactions contemplated hereby (including without limitation waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act or any state Laws based on the Uniform Electronic Transactions Act. No party hereto or to any such agreement or instrument shall raise the use of electronic transmission by a facsimile machine or via email to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through such electronic transmission as a defense to the formation of a contract and each such party forever waives any such defense. This Agreement may be executed in separate counterparts, each of which will be an original and all of which together shall constitute one and the same agreement binding on each party hereto.

7.11 Severability. If any provision of this Agreement or the application thereof to any Person (including the officers and directors of the parties hereto) or circumstance is determined by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions hereof, or the application of such provision to Persons or circumstances other than those as to which it has been held invalid or unenforceable, will remain in full force and effect and shall in no way be affected, impaired or invalidated thereby, so long as the economic or legal substance of the Transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination, the parties shall negotiate in good faith in an effort to agree upon a suitable and equitable substitute provision to effect the original intent of the parties.

7.12 Remedies. The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement and the Transaction Documents were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that, without the necessity of posting bond or other undertaking, the parties shall be entitled to specific performance of the terms hereof, this being in addition to any other remedies to which they are entitled at law or equity, and in the event that any action or suit is brought in equity to enforce the provisions of this Agreement and the Transaction Documents, and no party will allege, and each party hereby waives, the defense or counterclaim that there is an adequate remedy at law.

7.13 Non-Recourse. This Agreement may only be enforced against, and any claims or causes of action that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance hereof may only be made against the entities that are expressly identified as parties hereto (including entities that become parties hereto after the date hereof, pursuant to a permitted assignment in accordance with Section 7.5), and not against any other Person, except as expressly provided in this Section 7.13. Notwithstanding anything to the contrary in this Agreement, no claim or cause of action (whether in tort, contract or otherwise) may be asserted against, and no recourse shall be had to Applied Parent or any Subsidiary of Applied Parent, other than Contributor, APLD Intermediate or Cloud, in each case in their capacities as parties hereto.

7.14 Construction. Wherever required by the context of this Agreement, the singular shall include the plural and vice versa, and the masculine gender shall include the feminine and neuter genders and vice versa, and references to any agreement, document or instrument shall be deemed to refer to such agreement, document or instrument as amended, supplemented or modified from time to time. All article, section, paragraph or clause references not attributed to a particular document shall be references to such parts of this Agreement, and all exhibit, annex, letter and schedule references not attributed to a particular document shall be references to such exhibits, annexes, letters and schedules to this Agreement. In addition, the following terms are ascribed the following meanings:

(d) The Company shall, to the fullest extent permitted by applicable Law, include in the slate of nominees recommended by the Board at any meeting of stockholders called for the purpose of electing directors (or consent in lieu of meeting), the persons designated pursuant to this Section 2.2 and use its reasonable best efforts to cause the election of each such designee to the Board, including nominating each such individual to be elected as a Director as provided herein, recommending such individual’s election and soliciting proxies or consents in favor thereof. In the event that any APLD Designee shall fail to be elected to the Board at any meeting of stockholders called for the purpose of electing directors (or consent in lieu of meeting), the Company shall use its reasonable best efforts to cause such APLD Designee (or a new designee of the APLD Designator) to be elected to the Board, as soon as possible, and the Company shall take or cause to be taken, to the fullest extent permitted by Law, at any time and from time to time, all actions necessary to accomplish the same, including, without limitation, actions to effect an increase in the Total Number of Directors.

(e) In addition to any vote or consent of the Board or the stockholders of the Company required by applicable Law or the Company Articles or bylaws of the Company, and notwithstanding anything to the contrary in this Agreement, for so long as the APLD Investors continue to Own at least thirty percent (30%) of the aggregate outstanding Voting Securities, (i) any action by the Board to increase the Total Number of Directors to greater than seven (7) shall require the prior written consent of the APLD Designator, delivered in accordance with Section 5.13 hereof and (ii) in no event shall any decrease in the Total Number of Directors, in any instance, eliminate, abridge, or otherwise modify the right of (A) the APLD Designator to designate APLD Designees in accordance with Section 2.2(a), without the consent of the APLD Designator delivered in accordance with Section 5.13 hereof.

Section 2.3 Compensation. Except to the extent the APLD Designator may otherwise notify the Company with respect to the APLD Designees, each APLD Designee shall be entitled to compensation consistent with the Director compensation received by other Directors, including any fees and equity awards, provided, that (x) to the extent any Director compensation is payable in the form of equity awards, at the election of an APLD Designee that is an employee or affiliate (within the meaning of Rule 144 under the Securities Act) of an APLD Investor, in lieu of any equity award, such compensation shall be paid in an amount of cash equal to the value of the equity award as of the date of the award, with any such cash subject to the same vesting terms, if any, as the equity awarded to other Directors and (y) at the election of an APLD Designee that is an employee or affiliate (within the meaning of Rule 144 under the Securities Act) of an APLD Investor, any Director compensation (whether cash, equity awards and/or cash in lieu of equity as may be designated by the electing APLD Designee) shall be paid to an APLD Investor or an Affiliate thereof specified by such APLD Designee rather than to such APLD Designee. If the Company adopts a policy that Directors own a minimum amount of equity in the Company, any APLD Designee that is an employee or affiliate of an APLD Investor shall not be subject to such policy unless otherwise determined by the APLD Designator in its sole discretion.

Section 2.4 Other Rights of APLD Designees. Except as provided in Section 2.3, each APLD Designee serving on the Board shall be entitled to the same rights and privileges applicable to all other members of the Board generally or to which all such members of the Board are entitled. In furtherance of the foregoing, the Company shall, (i) to the maximum extent permitted by applicable Law, indemnify, exculpate, and reimburse fees and expenses of the APLD Designees to the same extent it indemnifies, exculpates, reimburses and provides insurance for the other members of the Board pursuant to the Company Articles or bylaws of the Company, applicable Law or otherwise and (ii) provide the APLD Designees with director and officer insurance in such forms and amounts specified by and acceptable to APLD Investor.

Section 2.5 Indemnification Agreements. Except as otherwise agreed by the Company and the APLD Investor in writing, the Company has entered into and shall at all times maintain in effect an indemnification agreement with each APLD Designee, in such form as has been previously agreed to by each of the Company and the APLD Investor.

Section 2.6 Director Independence. Notwithstanding anything to the contrary herein, the parties hereto shall ensure the composition of the Board will continue to meet all applicable requirements for a controlled company listed on the Nasdaq Capital Market (or such other stock exchange on which the Common Stock may be listed from time to time), including with respect to director independence.

Section 2.7 Actions Requiring APLD Investor Approval. From and after the Effective Date, for so long as the APLD Investors continue to Own at least thirty percent (30%) of the aggregate outstanding Voting Securities, the Company and its Subsidiaries will not, and the Company will cause any and all of its Subsidiaries not to, without the prior written consent of the APLD Designator, in its sole and absolute discretion, either directly, indirectly or by amendment of this Agreement or any governing document of the Company or any Subsidiary thereof, merger, consolidation, or otherwise, take any of the following actions:

(j) make or commit to make any acquisition (by merger, purchase of stock or assets or otherwise), joint venture, partnership, strategic alliance or formation of any Subsidiary, or any investment in, or loans or advances to, any person, except investments, loans or advances that are expressly approved in an Approved Annual Budget or otherwise approved by the APLD Designator;

(k) create, incur, assume or permit to exist any Lien on any property or asset now owned or hereafter acquired by the Company or any Subsidiary, assign or sell any income or revenues (including accounts receivable) or rights in respect thereof, other than Permitted Liens;

(n) hire, appoint, terminate or materially change the compensation or duties of the Chief Executive Officer or Chief Financial Officer of the Company;

(o) appoint, remove or change the Company's independent public accountants (other than to a nationally recognized or regional accounting firm);

(p) prosecute, commence, defend, settle or compromise any litigation, arbitration, administrative or regulatory Proceeding, investigation or claim that could reasonably be expected to (i) result in obligations (including fees and expenses) exceeding \$1 million, (ii) impose injunctive or other equitable relief materially adverse to the Company or the conduct of the business, or (iii) adversely affect the rights of any APLD Investor;

(q) enter into any agreement that purports to bind any APLD Investor (including any indemnification, release, restrictive covenant or similar obligation applicable to an APLD Investor);

(r) make any political or charitable contribution in excess of \$1,000 in any instance or \$10,000 in the aggregate in any fiscal year; provided that any permitted political contributions shall comply with applicable Law;

(s) enter into any agreement that restricts the ability of the Company or any Subsidiary to conduct any material aspect of its business, to compete in any material respect, or to operate in any geographic area, other than customary restrictions in commercial agreements entered into in the ordinary course of business; and

(t) agree, approve, adopt a plan or policy, or commit, resolve or obligate the Company or any Subsidiary (whether contingently or otherwise) to do any of the foregoing.

Notwithstanding the foregoing, the APLD Designator may waive any of the rights set forth in this Section 2.7, in whole or in part, at any time and from time to time, without notice to or the consent of any other party hereto, and such waiver shall be effective permanently, for such duration, or subject to such other conditions, limitations or qualifications, in each case, as the APLD Designator shall so determine and any such waiver will apply to all APLD Investors.

ARTICLE III.

INFORMATION RIGHTS

Section 3.1 Books and Records; Access. For so long as any APLD Investor is a party to this Agreement, the Company shall, and shall cause its Subsidiaries to, keep proper books, records and accounts, in which full and correct entries shall be made of all financial transactions and the assets and business of the Company and each of its Subsidiaries in accordance with generally accepted accounting principles. The Company shall, and shall cause its Subsidiaries to, (a) permit the APLD Investors and their respective designated representatives (or other designees), at reasonable times and upon reasonable prior notice to the Company, to review the books and records of the Company or any of such Subsidiaries and to discuss the affairs, finances and condition of the Company or any of such Subsidiaries with the officers of the Company or any such Subsidiary, (b) host regular conference calls for the APLD Investors with senior officers of the Company upon request and (c) provide each APLD Investor, at its request, all information of a type, at such times and in such manner as is consistent with the Company's past practice or that is otherwise reasonably requested by such APLD Investors from time to time (all such information so furnished pursuant to this Section 3.1, the "Information").

Section 3.2 Certain Reports. The Company shall deliver or cause to be delivered to each APLD Investor, at its request:

(a) to the extent otherwise prepared by the Company, operating and capital expenditure budgets and periodic information packages relating to the operations and cash flows of the Company and its Subsidiaries (including such periodic information packages provided to the Board); and

(b) to the extent otherwise prepared by the Company, such other reports and information as may be reasonably requested by such APLD Investor.

Section 3.3 Information Rights.

(a) For so long as any APLD Investor is a party to this Agreement (subject to Section 5.1), without limitation or prejudice of any of the rights provided to the APLD Investors hereunder, the Company shall, with respect to each such APLD Investor:

- i. provide each APLD Investor or its designated representative with:
 - (A) upon reasonable notice and at mutually convenient times, the right to visit and inspect any of the offices and properties of the Company and its Subsidiaries and inspect and copy the books and records of the Company and its Subsidiaries;
 - (B) as soon as available and in any event within 45 days after the end of each of the first three quarters of each fiscal year of the Company, consolidated balance sheets of the Company and its Subsidiaries as of the end of such period, and consolidated statements of income and cash flows of the Company and its Subsidiaries for the period then ended prepared in conformity with generally accepted accounting principles in the United States applied on a consistent basis, except as otherwise noted therein, and subject to the absence of footnotes and to year-end adjustments;
 - (C) as soon as available and in any event within 120 days after the end of each fiscal year of the Company, a consolidated balance sheet of the Company and its Subsidiaries as of the end of such year, and consolidated statements of income and cash flows of the Company and its Subsidiaries for the year then ended prepared in conformity with generally accepted accounting principles in the United States applied on a consistent basis, except as otherwise noted therein, together with an auditor's report thereon of a firm of established national reputation;
 - (D) to the extent the Company is required by applicable Law or pursuant to the terms of any outstanding indebtedness of the Company to prepare such reports, any annual reports, quarterly reports and other periodic reports pursuant to Section 13 or 15(d) of the Exchange Act, actually prepared by the Company as soon as available; and
 - (E) upon written request by the APLD Investor, copies of all materials provided to the Board, subject to appropriate protections with respect to confidentiality and preservation of attorney-client privilege;

provided, that, in each case, if the Company makes the information described in clauses (B), (C) and (D) of this Section 3.3(a)(i) available through public filings on the EDGAR System or any successor or replacement system of the U.S. Securities and Exchange Commission, the requirement to deliver such information shall be deemed satisfied;

- ii. make appropriate officers and/or Directors of the Company available, and cause the officers and directors of its Subsidiaries to be made available, periodically and at such times as reasonably requested by each APLD Investor, upon reasonable notice and at mutually convenient times, for consultation with such APLD Investor or its designated representative with respect to matters relating to the business and affairs of the Company and its Subsidiaries; and

- iii. to the extent that the APLD Investor requests to receive such information and rights, and to the extent consistent with applicable Law or listing standards (and with respect to events which require public disclosure, only following the Company's public disclosure thereof through applicable securities law filings or otherwise), inform each APLD Investor or its designated representative in advance with respect to any significant corporate actions, and to provide (or cause to be provided) each APLD Investor or its designated representative with the right to consult with the Company and its Subsidiaries with respect to such actions should the APLD Investor elect to do so; *provided, however*, that this right to consult must be exercised within five days after the Company informs the APLD Investor of the proposed corporate action; *provided, further*, that the Company shall be under no obligation to provide the APLD Investor with any material non-public information with respect to such corporate action.

(b) The Company agrees to consider, in good faith, the recommendations of each APLD Investor or its designated representative in connection with the matters on which it is consulted as described above in this Section 3.3, recognizing that the ultimate discretion with respect to all such matters shall be retained by the Company.

Section 3.4 Information Sharing. Each party hereto acknowledges and agrees that APLD Designees may share any information concerning the Company and its Subsidiaries received by them from or on behalf of the Company or its designated representatives with each APLD Investor and its designated representatives. Each APLD Investor hereby acknowledges that it is aware that the United States federal securities laws prohibit any person who has received material non-public information about a company from purchasing or selling securities of such company or from communicating such information to any other person under circumstances in which it is reasonably foreseeable that such person is likely to purchase or sell such securities.

Section 3.5 APLD Investor Observer Rights. For so long as any APLD Investor is a party to this Agreement, the Company shall invite two (2) representatives of APLD Investor (each, an "APLD Investor Observer") to attend all meetings of the Board, and to participate in all deliberations thereof, in a non-voting observer capacity and, in this respect, shall give the APLD Investor Observer copies of all notices, minutes, consents and other materials that the Company provides to its directors at the same time and in the same manner as provided to such directors. Notwithstanding the foregoing, in no event will an APLD Investor Observer be entitled to be present at, or participate in, any Board or Board committee meeting or portion thereof (or receive any related materials): (i) to the extent reasonably necessary to preserve attorney-client privilege or work product privilege between the Company and its subsidiaries and its counsel or to comply with law; or (ii) to the extent the Board or a committee will discuss or present on transactions or other matters where there is a conflict of interest with the APLD Investor Observer or any APLD Investor.

ARTICLE IV.

ADDITIONAL COVENANTS

Section 4.1 Pledges or Transfers. Upon the request of any APLD Investor that wishes to (x) pledge, charge, hypothecate or grant security interests in any or all of the shares of Common Stock held by it, including to banks or financial institutions as collateral or security for loans, advances or extensions of credit or (y) subject to Section 4.3, sell or transfer any or all of the shares of Common Stock held by it, including to a third party investor, the Company agrees, subject to applicable Law, to cooperate with such APLD Investor in taking any action reasonably necessary to consummate any such pledge, charge, hypothecation, grant or transfer, including without limitation, but subject to applicable Law and delivery by such APLD Investor of any reasonably requested documentation and certification, delivery of letter agreements to lenders in form and substance reasonably satisfactory to such lenders (which may include agreements by the Company in respect of the exercise of remedies by such lenders), instructing the transfer agent to transfer any such shares of Common Stock subject to the pledge, hypothecation or grant into the facilities of The Depository Trust Company (to the extent the Common Stock is then eligible for electronic transfer through The Depository Trust Company) without restricted legends and cooperating in diligence or other matters as may reasonably requested by any APLD Investor in connection with a proposed transfer.

Section 4.2 Spin-Offs or Split-Offs. In the event that the Company effects the separation of any portion of its business into one or more entities (each, a “NewCo”), whether existing or newly formed, including without limitation by way of spin-off, split-off, carve-out, demerger, recapitalization, reorganization or similar transaction, and any APLD Investor will receive equity interests in any such NewCo as part of such separation, the Company shall cause any such NewCo to enter into a stockholders or investor rights agreement with the APLD Investors that provides the APLD Investors with rights vis-à-vis such NewCo that are substantially identical to those set forth in this Agreement, and which agreement shall have the same ownership thresholds applicable to NewCo as are applicable to the Company in this Agreement.

Section 4.3 Preemptive Rights. From and after the Effective Date, for so long as the APLD Investors continue to Own at least ten percent (10%) of the aggregate outstanding Voting Securities, subject to the terms and conditions of this Section 4.3 and applicable securities laws, if the Company proposes to offer or sell any New Securities (a “Subsequent Financing”), each APLD Investor shall have the right to participate in each such Subsequent Financing in the amounts set forth in Section 4.3(b) below. The APLD Investor shall be entitled to apportion and/or assign the preemptive rights hereby granted to it in such proportions as it deems appropriate, among (i) itself, and (ii) its Controlled and/or Controlling Affiliates; provided that each such Controlled and/or Controlling Affiliate agrees to enter into this Agreement as an “APLD Investor” under each such agreement.

(a) The Company shall give notice (the “Preemptive Rights Notice”) to the APLD Investor, stating (i) its *bona fide* intention to offer such New Securities, (ii) the number of such New Securities to be offered, and (iii) the price and terms, if any, upon which it proposes to offer such New Securities.

(b) By notification to the Company within ten (10) days after the Preemptive Rights Notice is given, the APLD Investor may elect to purchase or otherwise acquire, at the price and on the terms specified in the Preemptive Rights Notice, up to that portion of such New Securities which equals the lesser of (A) 150% of the APLD Investor’s pro rata share of all Equity Securities outstanding immediately prior to the issuance and (B) an aggregate of 75% of the New Securities available for issuance (with an oversubscription right for any unsubscribed New Securities to the extent such oversubscription right is actually exercised). The closing of any sale pursuant to this Section 4.3(b) shall occur within the later of thirty (30) days of the date that the Preemptive Rights Notice is given and the date of initial sale of New Securities pursuant to Section 4.3(c).

(c) If all New Securities referred to in the Offer Notice are not elected to be purchased or acquired as provided in Section 4.3(b), the Company may, during the ninety (90) day period following the expiration of the periods provided in Section 4.3(b), offer and sell the remaining unsubscribed portion of such New Securities to any Person or Persons at a price not less than, and upon terms no more favorable to the offeree than, those specified in the Preemptive Rights Notice. If the Company does not enter into an agreement for the sale of the New Securities within such period, or if such agreement is not consummated within thirty (30) days of the execution thereof, the right provided hereunder shall be deemed to be revived and such New Securities shall not be offered unless first reoffered to the APLD Investor in accordance with this Section 4.3.

(d) The provisions of this Section 4.3 shall apply *mutatis mutandis* to any equity securities issued by any Subsidiary of the Company; provided, however, the preemptive right described herein shall not be applicable to (i) *de minimis* amounts of equity securities issued by any Subsidiary of the Company to third parties in order to satisfy an applicable resident shareholder, director or similar legal requirement or (ii) issuances to the Company or another wholly-owned Subsidiary of the Company. Furthermore, the provisions of this Section 4.3 shall not apply to any Exempt Issuance. “Exempt Issuance” means the valid issuance, subject to compliance with applicable Law and Section 2.7 hereof, of shares of the Company’s Equity Securities to employees, officers, directors or other service providers of the Company pursuant to duly adopted employee benefit plans, equity incentive plans or other employee compensation plans, or other arrangements permitted by any equity plan duly adopted for such purpose.

(e) Termination. The covenants set forth in this Section 4.3 shall terminate and be of no further force or effect upon the closing of a Deemed Liquidation Event.

Section 4.4 Registration Rights.

(a) Registration Statement.

- (i) Promptly following the Effective Date but no later than [•], 2026² (the “Filing Deadline”), the Company shall prepare and file with the SEC one Registration Statement covering the resale of all of the Registrable Securities which, for the avoidance of doubt, may also register the sale or issuance of primary securities. Subject to any SEC comments, such Registration Statement shall include the plan of distribution, substantially in the form and substance, set forth in Part III of the APLD Investor’s Selling Stockholder Questionnaire, the form of which is attached hereto as **Annex I**; provided, however, that the APLD Investor shall not be named as an “underwriter” in such Registration Statement without such APLD Investor’s prior written consent. Such Registration Statement also shall cover, to the extent allowable under the Securities Act and the rules promulgated thereunder (including Rule 416), such indeterminate number of additional shares of Common Stock resulting from stock splits, stock dividends or similar transactions with respect to the Registrable Securities. Such Registration Statement shall not include any shares of Common Stock or other securities for the account of any other holder without the prior written consent of the APLD Designator; provided, however, that such Registration Statement may include up to 15,389 Warrant Shares (as defined in the Lake Street Warrant) issuable to Lake Street Capital Markets, LLC (“Lake Street”) upon the exercise of that certain Placement Agent Stock Purchase Warrant issued to Lake Street on October 30, 2025 (the “Lake Street Warrant”). Such Registration Statement (and each amendment or supplement thereto, and each request for acceleration of effectiveness thereof) shall be provided in accordance with Section 4.4(f)(iii) to the APLD Investor prior to its filing or other submission.

² **Note to Draft:** To insert the date that is 60 days after Closing.

- (ii) The Registration Statement referred to in Section 4.4(a)(i) shall be on Form S-3. In the event that Form S-3 is not available for the registration of the resale of the Registrable Securities hereunder, the Company shall (i) register the resale of the Registrable Securities on such other form as is available to the Company and (ii) so long as the Registrable Securities remain outstanding, promptly following the date (the “Qualification Date”) upon which the Company becomes eligible to use a registration statement on Form S-3 to register the Registrable Securities for resale, but in no event more than thirty (30) days after the Qualification Date (the “Qualification Deadline”), file a registration statement on Form S-3 covering the Registrable Securities (or a post-effective amendment on Form S-3 to a registration statement on Form S-1) (a “Shelf Registration Statement”) and use commercially reasonable efforts to cause such Shelf Registration Statement to be declared effective as promptly as practicable thereafter; provided that the Company shall maintain the effectiveness of the Registration Statement then in effect until such time as a Shelf Registration Statement covering the Registrable Securities has been declared effective by the SEC.

(b) Expenses. The Company will pay all expenses associated with the Registration Statement, including filing and printing fees, the Company’s counsel and accounting fees and expenses, costs associated with clearing the Registrable Securities for sale under applicable state securities laws and listing fees, but excluding discounts, commissions, fees of underwriters, selling brokers, dealer managers or similar securities industry professionals with respect to the Registrable Securities being sold. The Company shall not be responsible for legal fees incurred by the APLD Investors of the Registrable Securities in connection with the performance of its rights and obligations under this Agreement or the Contribution and Exchange Agreement.

(c) Effectiveness.

- (i) The Company shall use commercially reasonable efforts to have the Registration Statement declared effective as soon as reasonably practicable after the filing thereof, but in any case on or prior to the 30th calendar day following the Filing Deadline (or the 60th calendar day if the SEC reviews the Registration Statement) (the “Effectiveness Deadline”). By 5:30 p.m. (Eastern time) on the second Business Day following the date on which the Registration Statement is declared effective by the SEC, the Company shall file with the SEC, in accordance with Rule 424 under the Securities Act, the final prospectus to be used in connection with sales pursuant to the Registration Statement. The Company shall notify the APLD Investors by e-mail as promptly as practicable, and in any event, within twenty-four (24) hours, after the Registration Statement is declared effective and shall simultaneously provide the APLD Investors with access to a copy of any related Prospectus to be used in connection with the sale or other disposition of the securities covered thereby to the extent a copy of such Prospectus has not been publicly filed with the SEC.

- (ii) Notwithstanding anything to the contrary contained herein, (i) the Company shall not be required to request effectiveness of the Registration Statement, for a period of up to sixty (60) days, if (A) the Company determines in good faith that a postponement is in the best interest of the Company and its stockholders generally due to a pending transaction involving the Company (including a pending securities offering by the Company, or any proposed financing, acquisition, merger, tender offer, business combination, corporate reorganization, consolidation or other significant transaction involving the Company), (B) the Company determines such registration would render the Company unable to comply with applicable securities laws, (C) the Company determines such registration would require disclosure of material information that the Company has a bona fide business purpose for preserving as confidential, or (D) audited financial statements as of a date other than the fiscal year end of the Company would be required to be prepared; and (ii) the Company may, upon written notice to any holder of Registrable Securities included in the Registration Statement, suspend the use of the Registration Statement, including any Prospectus that forms a part of the Registration Statement, if the Company (X) determines that it would be required to make disclosure of material information in the Registration Statement that the Company has a bona fide business purpose for preserving as confidential, (Y) the Company determines it must amend or supplement the Registration Statement or the related Prospectus so that such Registration Statement or Prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the case of the Prospectus in light of the circumstances under which they were made, not misleading or (Z) the Company has experienced or is experiencing some other material non-public event, including a pending transaction involving the Company, the disclosure of which at such time, in the good faith judgment of the Company, would adversely affect the Company; provided, however, in no event shall holders of Registrable Securities be suspended from selling Registrable Securities pursuant to the Registration Statement for a period that exceeds 45 consecutive Trading Days or 90 total Trading Days in any 365-day period (any such suspension contemplated by this Section 4.4(c)(ii), an “Allowed Delay”) provided, that the Company shall promptly (1) notify each APLD Investor in writing of the commencement of an Allowed Delay, but shall not (without the prior written consent of an APLD Investor) disclose to such APLD Investor any material nonpublic information giving rise to an Allowed Delay (it being understood that the notice of suspension may constitute material nonpublic information), (2) advise the APLD Investors in writing to cease all sales under the Registration Statement until the end of the Allowed Delay and (3) use commercially reasonable efforts to terminate an Allowed Delay as promptly as practicable. Upon disclosure of such information or the termination of the condition described above, the Company shall provide prompt notice to holders whose Registrable Securities are included in the Registration Statement, and shall promptly terminate any suspension of sales it has put into effect and shall take such other reasonable actions to permit registered sales of Registrable Securities as contemplated hereby.

(d) Rule 415: Cutback. If at any time the SEC takes the position that the offering of some or all of the Registrable Securities in the Registration Statement is not eligible to be made on a delayed or continuous basis under the provisions of Rule 415 under the Securities Act (provided, however, the Company shall be obligated to use commercially reasonable efforts to advocate with the SEC for the registration of all of the Registrable Securities in accordance with the SEC Guidance, including without limitation, Compliance and Disclosure Interpretation 612.09) or requires any APLD Investor to be named as an “underwriter,” the Company shall (i) promptly notify each holder of Registrable Securities thereof and (ii) make commercially reasonable efforts to persuade the SEC that the offering contemplated by the Registration Statement is a valid secondary offering and not an offering “by or on behalf of the issuer” as defined in Rule 415 and that the APLD Investor is not an “underwriter.” No such written submission with respect to this matter shall be made to the SEC to which the APLD Investor’s counsel reasonably objects. In the event that, despite the Company’s commercially reasonable efforts and compliance with the terms of this Section 4.4(d), the SEC refuses to alter its position, the Company shall (i) remove from the Registration Statement such portion of the Registrable Securities (the “Cut Back Shares”) and/or (ii) agree to such restrictions and limitations on the registration and resale of the Registrable Securities as the SEC may require to assure the Company’s compliance with the requirements of Rule 415 (collectively, the “SEC Restrictions”); provided, however, that the Company shall not name any APLD Investor as an “underwriter” in the Registration Statement without the prior written consent of such APLD Investor. Any cut-back imposed on the APLD Investor pursuant to this Section 4.4(d) shall be allocated among the APLD Investors (if more than one APLD Investor) on a pro rata basis and shall be applied first to any of the Registrable Securities of such APLD Investor as such APLD Investor shall designate, unless the SEC Restrictions otherwise require or provide or the APLD Investor otherwise agrees. In furtherance of the foregoing, the APLD Investor shall provide the Company with prompt written notice of its sale of substantially all of the Registrable Securities under the Registration Statement such that the Company will be able to file one or more additional Registration Statements covering the Cut Back Shares. From and after the date as the Company is able to effect the registration of such Cut Back Shares in accordance with any SEC Restrictions applicable to such Cut Back Shares (such date, the “Restriction Termination Date”), all of the provisions of this Section 4.4 (including the Company’s obligations with respect to the filing of a Registration Statement and its obligations to use its commercially reasonable efforts to have such Registration Statement declared effective within the time periods set forth herein) shall again be applicable to such Cut Back Shares; provided, however, that (i) the Filing Deadline for such Registration Statement including such Cut Back Shares shall be fifteen (15) Business Days after such Restriction Termination Date, and (ii) the date by which the Company is required to obtain effectiveness with respect to such Cut Back Shares shall be the 30th calendar day immediately after the Restriction Termination Date (or the 60th calendar day if the SEC reviews such Registration Statement).

(e) Other Limitations. Notwithstanding any other provision herein or in the Contribution and Exchange Agreement, with respect to any APLD Investor (as to such APLD Investor only) the Filing Deadline and the Effectiveness Deadline for the Registration Statement shall be extended and any failure to obtain or maintain effectiveness shall be automatically waived by no action of the APLD Investor, in each case, without default by the Company to such APLD Investor hereunder in the event that the Company’s failure to make such filing or obtain or maintain such effectiveness results from the failure of such APLD Investor to timely provide the Company with information requested by the Company and necessary to complete the Registration Statement in accordance with the requirements of the Securities Act (in which case any such deadline would be extended with respect to all Registrable Securities until such time as the APLD Investor provides such requested information), it being understood that the failure of such APLD Investor to timely provide such information to the Company shall not affect the rights of other APLD Investors, if any, herein.

(f) Company Obligations. The Company shall use commercially reasonable efforts to effect the registration of the Registrable Securities pursuant to Section 4.4(a)(i) in accordance with the terms hereof, and pursuant thereto the Company shall, as expeditiously as possible:

- (i) use commercially reasonable efforts to cause the Registration Statement to become effective and to remain continuously effective until such time as there are no longer Registrable Securities held by the APLD Investor (the “Effectiveness Period”) and advise the APLD Investor promptly in writing when the Effectiveness Period has expired;
- (ii) prepare and file with the SEC such amendments and post-effective amendments to the Registration Statement and the related Prospectus as may be necessary to keep the Registration Statement effective for the Effectiveness Period and to comply with the provisions of the Securities Act and the Exchange Act with respect to the distribution of all of the Registrable Securities covered thereby;

- (iii) provide via email to the APLD Investor who has supplied the Company with email addresses the Registration Statement and all amendments and supplements thereto not less than three (3) Trading Days prior to their filing with the SEC and reflect in each such document when so filed with the SEC such comments regarding the APLD Investor and the plan of distribution as the APLD Investor may reasonably and promptly propose no later than two (2) Trading Days after the APLD Investor has been so furnished with copies of such documents as aforesaid;
- (iv) furnish to the APLD Investor whose Registrable Securities are included in the Registration Statement (i) promptly after the same is prepared and filed with the SEC, if requested by such APLD Investor, one (1) copy of any Registration Statement and any amendment thereto, each preliminary prospectus and Prospectus and each amendment or supplement thereto, and each letter written by or on behalf of the Company to the SEC or the staff of the SEC, and each item of correspondence from the SEC or the staff of the SEC, in each case relating to the Registration Statement (other than any portion of any thereof which contains information for which the Company has sought confidential treatment), and (ii) such number of copies of a Prospectus, including a preliminary prospectus, and all amendments and supplements thereto and such other documents as each APLD Investor may reasonably request in order to facilitate the disposition of the Registrable Securities owned by such APLD Investor (it being understood and agreed that such documents, or access thereto, may be provided electronically);
- (v) use commercially reasonable efforts to (i) prevent the issuance of any stop order or other suspension of effectiveness and, (ii) if such order is issued, obtain the withdrawal of any such order at the earliest possible moment;
- (vi) prior to any public offering of Registrable Securities, use reasonable best efforts to assist or cooperate with the APLD Investor and such APLD Investor's counsel in connection with the registration or qualification of such Registrable Securities for the offer and sale under the securities or blue sky laws of such jurisdictions reasonably requested by the APLD Investor and do any and all other commercially reasonable acts or things necessary or advisable to enable the public offering or distribution in such jurisdictions of the Registrable Securities covered by the Registration Statement; provided, however, that the Company shall not be required in connection therewith or as a condition thereto to (i) qualify to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 4.4(f), (ii) subject itself to general taxation in any jurisdiction where it would not otherwise be so subject but for this Section 4.4(f), or (iii) file a general consent to service of process in any such jurisdiction;
- (vii) use commercially reasonable efforts to cause all Registrable Securities covered by the Registration Statement to be listed on The Nasdaq Capital Market (or the primary securities exchange, interdealer quotation system or other market on which the Common Stock is then listed);

- (viii) promptly notify the APLD Investor, at any time prior to the end of the Effectiveness Period, upon discovery that, or upon the happening of any event as a result of which, the Prospectus contains an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing (provided that such notice shall not, without the prior written consent of the APLD Investor, disclose any material non-public information regarding the Company, with APLD Investor acknowledging that the notice itself may constitute material non-public information), and as promptly as reasonably practicable, prepare, file with the SEC and furnish to such holder a supplement to or an amendment of such Prospectus as may be necessary so that such Prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing;
- (ix) otherwise use commercially reasonable efforts to comply with all applicable rules and regulations of the SEC under the Securities Act and the Exchange Act, including, without limitation, Rule 172 under the Securities Act, file any final Prospectus, including any supplement or amendment thereof, with the SEC pursuant to Rule 424 under the Securities Act, promptly inform the APLD Investors in writing if, at any time during the Effectiveness Period, the Company does not satisfy the conditions specified in Rule 172 and, as a result thereof, the APLD Investors are required to deliver a Prospectus in connection with any disposition of Registrable Securities and take such other actions as may be reasonably necessary to facilitate the registration of the Registrable Securities hereunder; and make available to its security holders, as soon as reasonably practicable, but not later than the Availability Date (as defined below), an earnings statement covering a period of at least twelve (12) months, beginning after the effective date of the Registration Statement, which earnings statement shall satisfy the provisions of Section 11(a) of the Securities Act, including Rule 158 promulgated thereunder (for the purpose of this subsection 3(i), “Availability Date” means the 45th day following the end of the fourth fiscal quarter that includes the effective date of the Registration Statement, except that, if such fourth fiscal quarter is the last quarter of the Company’s fiscal year, “Availability Date” means the 90th day after the end of such fourth fiscal quarter);
- (x) if requested by the APLD Investor, (i) as soon as reasonably practicable, incorporate in a prospectus supplement or post-effective amendment such information as the APLD Investor reasonably requests to be included therein relating to the sale and distribution of Registrable Securities, including, without limitation, information with respect to the number of Registrable Securities being offered or sold, the purchase price being paid therefor and any other terms of the offering of the Registrable Securities to be sold in such offering; (ii) as soon as reasonably practicable, make all required filings of such prospectus supplement or post-effective amendment after being notified of the matters to be incorporated in such prospectus supplement or post-effective amendment; and (iii) as soon as reasonably practicable, supplement or make amendments to the Registration Statement if reasonably requested by a APLD Investor holding any Registrable Securities; and

- (xi) with a view to making available to the APLD Investor the benefits of Rule 144 (or its successor rule) and any other rule or regulation of the SEC that may at any time permit the APLD Investor to sell shares of Common Stock to the public without registration, the Company covenants and agrees to use its best efforts to: (i) make and keep adequate current public information available, as those terms are understood and defined in Rule 144, until the earlier of (A) six months after such date as all of the Registrable Securities may be sold without restriction by the holders thereof pursuant to Rule 144 or any other rule of similar effect or (B) such date as there are no longer Registrable Securities; (ii) file with the SEC in a timely manner all reports and other documents required of the Company under the Exchange Act; and (iii) furnish electronically to the APLD Investor upon request, as long as such APLD Investor owns any Registrable Securities, (A) to the extent accurate, a written statement by the Company that it has complied with the reporting requirements of the Exchange Act, (B) unless otherwise available via the SEC's EDGAR filing system, a copy of or electronic access to the Company's most recent Annual Report on Form 10-K or Quarterly Report on Form 10-Q, and (C) such other information as may be reasonably requested in order to avail such APLD Investor of any rule or regulation of the SEC that permits the selling of any such Registrable Securities without registration.

(g) Due Diligence Review; Information. If the APLD Investor is required under applicable securities laws to be described in the Registration Statement as an "underwriter," the Company shall, upon reasonable prior notice, make available, during normal business hours, for inspection and review by the APLD Investor, advisors to and representatives of the APLD Investor (who may or may not be affiliated with the APLD Investor and who are reasonably acceptable to the Company) (collectively, the "Inspectors"), all pertinent financial and other records, and all other corporate documents and properties of the Company (collectively, the "Records") as may be reasonably necessary for the purpose of such review, and cause the Company's officers, directors and employees, within a reasonable time period, to supply all such information reasonably requested by the Inspectors (including, without limitation, in response to all questions and other inquiries reasonably made or submitted by any of them), prior to and from time to time after the filing and effectiveness of the Registration Statement for the sole purpose of enabling such APLD Investor and its accountants and attorneys to conduct such initial and ongoing due diligence solely for the purpose of establishing a due diligence defense to underwriter liability under the Securities Act; provided, however, that each Inspector shall agree to hold in strict confidence and shall not make any disclosure (except to such APLD Investor) or use of any Record or other information which the Company determines in good faith to be confidential, and of which determination the Inspectors are so notified, unless (a) the disclosure of such Records is necessary to avoid or correct a misstatement or omission in the Registration Statement or is otherwise required under the Securities Act, (b) the release of such Records is ordered pursuant to a final, non-appealable subpoena or order from a court or government body of competent jurisdiction, or (c) the information in such Records has been made generally available to the public other than by disclosure in violation of this Agreement or the Contribution and Exchange Agreement. The APLD Investor agrees that it shall, upon learning that disclosure of such Records is sought in or by a court or governmental body of competent jurisdiction or through other means, except in the case such Records are sought in the course of an ordinary examination or inspection of the business or operations of such APLD Investor or its Affiliates by such governmental body of competent jurisdiction, give prompt notice to the Company and allow the Company, at its expense, to undertake appropriate action to prevent disclosure of, or to obtain a protective order for, the Records deemed confidential. Nothing herein (or in any other confidentiality agreement between the Company and the APLD Investor) shall be deemed to limit the APLD Investor's ability to sell Registrable Securities in a manner which is otherwise consistent with applicable laws and regulations. Notwithstanding the foregoing, the Company shall not disclose material nonpublic information to the APLD Investor, or to advisors to or representatives of the APLD Investor, unless prior to disclosure of such information the Company identifies such information as being material nonpublic information and provides the APLD Investor, such advisors and representatives with the opportunity to accept or refuse to accept such material nonpublic information for review and the APLD Investor, if wishing to obtain such information, enters into an appropriate confidentiality agreement with the Company with respect thereto.

(h) Obligations of each APLD Investor.

- (i) The APLD Investor shall execute and deliver a Selling Stockholder Questionnaire prior to the Effective Date. The APLD Investor shall additionally furnish in writing to the Company such other information regarding itself, the Registrable Securities held by it and the intended method of disposition of the Registrable Securities held by it, as shall be reasonably required to effect the registration of such Registrable Securities and shall execute such documents in connection with such registration as the Company may reasonably request. At least five (5) Business Days prior to the first anticipated filing date of the Registration Statement, the Company shall notify each APLD Investor of the additional information the Company reasonably requires from such APLD Investor if such APLD Investor elects to have any of the Registrable Securities included in the Registration Statement (the "Registration Information Notice"). The APLD Investor shall provide such information to the Company no later than two (2) Business Days following receipt of a Registration Information Notice if such APLD Investor elects to have any of the Registrable Securities included in the Registration Statement. It is agreed and understood that it shall be a condition precedent to the obligations of the Company to complete the registration pursuant to this Agreement with respect to the Registrable Securities of the APLD Investor that (i) such APLD Investor furnish to the Company such information regarding itself, the Registrable Securities held by it and the intended method of disposition of the Registrable Securities held by it as shall be reasonably required to effect the effectiveness of the registration of such Registrable Securities, and (ii) such APLD Investor executes such documents in connection with such registration as the Company may reasonably request, including, without limitation, a waiver of its registration rights hereunder to the extent a APLD Investor elects not to have any of its Registrable Securities included in the Registration Statement.
- (ii) The APLD Investor, by its acceptance of the Registrable Securities, agrees to cooperate with the Company as reasonably requested by the Company in connection with the preparation and filing of the Registration Statement hereunder, unless such APLD Investor has notified the Company in writing of its election to exclude all of its Registrable Securities from the Registration Statement.
- (iii) The APLD Investor agrees that, upon receipt of any notice from the Company of either (i) the commencement of an Allowed Delay pursuant to Section 4.4(c)(ii) or (ii) the happening of an event pursuant to Section 4.4(f)(viii) hereof, such APLD Investor will immediately discontinue disposition of Registrable Securities pursuant to the Registration Statement covering such Registrable Securities, until the APLD Investor is advised by the Company that such dispositions may again be made.

- (iv) The APLD Investor covenants and agrees that it will comply with the prospectus delivery requirements of the Securities Act as applicable to it or an exemption therefrom in connection with sales of Registrable Securities pursuant to the Registration Statement.
- (i) Indemnification.
 - (i) Indemnification by the Company. The Company will indemnify and hold harmless the APLD Investor and its officers, directors, members, managers, partners, trustees and employees, successors and assigns, and each other Person, if any, who controls such APLD Investor (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) and the officers, directors, partners, members, managers, trustees and employees of each such controlling Person, against any losses, claims, damages or liabilities, and expenses (including reasonable and documented out-of-pocket attorney fees), joint or several, to which they may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (i) any untrue statement or alleged untrue statement or omission or alleged omission of any material fact contained in any Registration Statement, any preliminary Prospectus or final Prospectus, or any amendment or supplement thereof or (ii) any violation by the Company or its agents of any rule or regulation promulgated under the Securities Act applicable to the Company or its agents and relating to action or inaction required of the Company in connection with such registration, and will reimburse the APLD Investor, and each such officer, director, member, employee and each such controlling person for any legal or other reasonable and documented out-of-pocket expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage or liability (or action in respect thereof); provided, however, that the Company will not be liable in any such case if and to the extent that any such loss, claim, damage or liability arises out of or is based upon (i) an untrue statement or alleged untrue statement or omission or alleged omission so made in conformity with information furnished to the Company by an indemnified person in writing specifically for use in the Registration Statement or Prospectus, (ii) the use by the APLD Investor of an outdated or defective Prospectus after the Company has notified such APLD Investor in writing that such Prospectus is outdated or defective or (iii) the APLD Investor's failure to send or give a copy of the Prospectus or supplement (as then amended or supplemented), if required (and not exempted) to the Persons asserting an untrue statement or omission or alleged untrue statement or omission at or prior to the written confirmation of the sale of Registrable Securities.

- (ii) Indemnification by the APLD Investor. The APLD Investor agrees to indemnify and hold harmless, to the fullest extent permitted by law, the Company, its directors, officers, employees, stockholders and each person who controls the Company (within the meaning of the Securities Act) against any losses, claims, damages, liabilities and expense (including reasonable and documented out-of-pocket attorney fees) resulting from any untrue statement of a material fact or any omission of a material fact required to be stated in the Registration Statement or Prospectus or preliminary Prospectus or amendment or supplement thereto or necessary to make the statements therein not misleading, to the extent, but only to the extent, that such untrue statement or omission is contained in any information regarding the APLD Investor and furnished in writing by the APLD Investor to the Company specifically for inclusion in the Registration Statement or Prospectus or amendment or supplement thereto. In no event shall the liability of the APLD Investor be greater than the dollar amount of the proceeds (net of all expenses paid by the APLD Investor in connection with a claim relating to this Section 4.4(i)(ii)) and the amount of any damages the APLD Investor has otherwise been required to pay by reason of such untrue statement or omission) received by the APLD Investor upon the sale of the Registrable Securities included in the Registration Statement giving rise to such indemnification obligation.
- (iii) Conduct of Indemnification Proceedings. Any person entitled to indemnification hereunder shall (i) give prompt notice to the indemnifying party of any claim with respect to which it seeks indemnification and (ii) permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party; provided, that any person entitled to indemnification hereunder shall have the right to employ separate counsel and to participate in the defense of such claim, but the reasonable and documented out-of-pocket fees and expenses of such counsel shall be at the expense of such person unless (A) the indemnifying party has agreed to pay such fees or expenses, (B) the indemnifying party shall have failed to assume the defense of such claim and employ counsel reasonably satisfactory to such person, or (C) in the reasonable judgment of any such person, based upon written advice of its counsel, a conflict of interest exists between such person and the indemnifying party with respect to such claims (in which case, if the person notifies the indemnifying party in writing that such person elects to employ separate counsel at the expense of the indemnifying party, the indemnifying party shall not have the right to assume the defense of such claim on behalf of such person); and provided, further that the failure of any indemnified party to give notice as provided herein shall not relieve the indemnifying party of its obligations hereunder, except to the extent that such failure to give notice shall materially adversely affect the indemnifying party in the defense of any such claim or litigation. It is understood that the indemnifying party shall not, in connection with any proceeding in the same jurisdiction, be liable for reasonable and documented out-of-pocket fees or expenses of more than one separate firm of attorneys at any time for all such indemnified parties. No indemnifying party will, except with the consent of the indemnified party, which shall not be unreasonably withheld, conditioned or delayed, consent to entry of any judgment or enter into any settlement that does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect of such claim or litigation.

- (iv) Contribution. If for any reason the indemnification provided for in the preceding paragraphs (i) and (ii) is unavailable to an indemnified party or insufficient to hold it harmless, other than as expressly specified therein, then the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect the relative fault of the indemnified party and the indemnifying party, as well as any other relevant equitable considerations. No person guilty of fraudulent misrepresentation within the meaning of Section 11(f) of the Securities Act shall be entitled to contribution from any person not guilty of such fraudulent misrepresentation. In no event shall the contribution obligation of a holder of Registrable Securities be greater in amount than the dollar amount of the proceeds (net of all expenses paid by such holder in connection with any claim relating to this Section 4.4(i)) and the amount of any damages such holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission) received by it upon the sale of the Registrable Securities giving rise to such contribution obligation.

Section 5.3 Amendment; Waiver.

(a) The terms and provisions of this Agreement may be modified or amended only with the written approval of the Company and APLD Investors holding a majority of the Voting Securities then held by all APLD Investors in the aggregate; *provided, however*, that any modification or amendment (i) to Section 2.1, Section 2.2, Section 2.7 or this Section 5.3 shall also require the approval of the APLD Designator and (ii) that would adversely affect the rights of, or impose any additional obligations on, any of the APLD Investors hereunder shall also require the approval of each of the affected APLD Investor, as applicable.

(b) Except as expressly set forth in this Agreement, neither the failure nor delay on the part of any party hereto to exercise any right, remedy, power or privilege under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy power or privilege preclude any other or further exercise of the same or of any other right, remedy, power or privilege, nor shall any waiver of any right, remedy, power or privilege with respect to any occurrence be construed as a waiver of such right, remedy, power or privilege with respect to any other occurrence.

(c) No party shall be deemed to have waived any claim arising out of this Agreement, or any right, remedy, power or privilege under this Agreement, unless the waiver of such claim, right, remedy, power or privilege is expressly set forth in a written instrument duly executed and delivered on behalf of such party; and any such waiver shall not be applicable or have any effect except in the specific instance in which it is given.

(d) Each APLD Investor, in such APLD Investor's sole discretion, may withdraw from this Agreement at any time by written notice to the Company. Thereafter, such APLD Investor shall cease to be a party to this Agreement, shall have no further rights or obligations hereunder and none of the terms or provisions hereof shall have any continuing force and effect with respect to such APLD Investor.

(e) Any party hereto may unilaterally waive any of its rights hereunder in a signed writing delivered to the Company.

Section 5.4 Further Assurances. The parties hereto will sign such further documents, cause such meetings to be held, resolutions passed, exercise their votes and do and perform and cause to be done such further acts and things necessary, proper or advisable in order to give full effect to this Agreement and every provision hereof. To the fullest extent permitted by applicable Law, the Company shall not directly or indirectly take any action that is intended to, or would reasonably be expected to result in, any APLD Investor being deprived of the rights contemplated by this Agreement.

Section 5.5 Assignment; Permitted Transferees.

(a) The rights and obligations hereunder shall not be assignable without the prior written consent of the other parties hereto; *provided, however*, that, each of the APLD Investors may, without the prior written consent of the Company or any other Person, assign its rights and obligations under this Agreement, in whole or in part, to any Transferee of Voting Securities held by such APLD Investor if such Transferee, to the extent not already a party to this Agreement, executes and delivers to the Company a counterparty copy of this Agreement or a joinder hereto evidencing its agreement to become a party to and to be bound by all of the applicable provisions of this Agreement as a "APLD Investor" hereunder; *provided, further*, that the rights and obligations under Section 2.2 of this Agreement shall only be assignable to the extent that any right to designate Directors to the Board will not result in such Transferee receiving the right to designate more than one Director where such designation rights would result in the Transferee receiving the right to designate a percentage of the Total Number of Directors that is greater than the percentage of the aggregate outstanding Voting Securities held by such Transferee after giving effect to such Transfer. This Agreement will inure to the benefit of and be binding on the parties hereto and their respective successors and permitted assigns in accordance with this Section 5.5.

(b) Any Permitted Transferee of an APLD Investor who acquires ownership of any Equity Securities must concurrently with becoming an equityholder execute and deliver to the Company a counterparty copy of this Agreement or a joinder hereto agreeing to be bound by the terms and conditions of this Agreement on the same terms as the applicable APLD Investor.

Section 5.6 Third Parties. Except as provided herein, this Agreement does not create any rights, claims or benefits inuring to any person that is not a party hereto nor create or establish any third party beneficiary hereto.

Section 5.7 Governing Law. THIS AGREEMENT AND ITS ENFORCEMENT AND ANY CONTROVERSY ARISING OUT OF OR RELATING TO THE MAKING OR PERFORMANCE OF THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEVADA APPLICABLE TO CONTRACTS EXECUTED IN AND TO BE PERFORMED ENTIRELY IN THAT STATE, WITHOUT REGARD TO ANY LAWS THAT MIGHT OTHERWISE GOVERN UNDER APPLICABLE PRINCIPLES OF CONFLICTS OR CHOICE OF LAW OR OTHERWISE.

Section 5.8 Jurisdiction; Waiver of Jury Trial. Each party hereto hereby (i) agrees that any action, directly or indirectly, arising out of, under or relating to this Agreement shall exclusively be brought in and shall exclusively be heard and determined by any state or federal court located in Clark County, Nevada (and if such courts decline to accept jurisdiction, any other state court located in the State of Nevada), and, any appellate court therefrom, and (ii) solely in connection with the action(s) contemplated by subsection (i) hereof, (A) irrevocably and unconditionally consents and submits to the exclusive jurisdiction of the courts identified in subsection (i) hereof, (B) irrevocably and unconditionally waives any objection to the laying of venue in any of the courts identified in clause (i) of this Section 5.8, (C) irrevocably and unconditionally waives and agrees not to plead or claim that any of the courts identified in such clause (i) is an inconvenient forum or does not have personal jurisdiction over any party hereto, (D) irrevocably and unconditionally agrees that it is not entitled to any immunity on the basis of sovereignty or otherwise (and waives and agrees not to claim any immunity or right to claim immunity from any such action or proceeding brought in any of the courts identified in clause (i) of this Section 5.8) and (E) agrees that mailing of process or other papers in connection with any such action in the manner provided in Section 5.2 hereof or in such other manner as may be permitted by applicable Law shall be valid and sufficient service thereof. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY CLAIM OR ACTION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES CONTEMPLATED HEREBY.

Section 5.9 Specific Performance. Each party hereto acknowledges and agrees that in the event of any breach of this Agreement by any of them, the other parties hereto would be irreparably harmed and could not be made whole by monetary damages. Each party accordingly agrees to waive the defense in any action for specific performance that a remedy at law would be adequate and agrees that the parties, in addition to any other remedy to which they may be entitled at law or in equity, shall be entitled to seek specific performance of this Agreement without the posting of a bond.

Section 5.10 Entire Agreement. This Agreement sets forth the entire understanding of the parties hereto with respect to the subject matter hereof. There are no agreements, representations, warranties, covenants or understandings with respect to the subject matter hereof or thereof. This Agreement supersedes all other prior agreements and understandings between the parties with respect to such subject matter.

Section 5.11 Severability. If any provision of this Agreement, or the application of such provision to any Person or circumstance or in any jurisdiction, shall be held to be invalid or unenforceable to any extent, (i) the remainder of this Agreement shall not be affected thereby, and each other provision hereof shall be valid and enforceable to the fullest extent permitted by law, (ii) as to such Person or circumstance or in such jurisdiction such provision shall be reformed to be valid and enforceable to the fullest extent permitted by law, and (iii) the application of such provision to other Persons or circumstances or in other jurisdictions shall not be affected thereby.

Section 5.14 Counterparts. This Agreement and any amendment hereto may be signed in any number of separate counterparts (including by means of telecopied signature pages or electronic transmission in portable document format (pdf) or any electronic signature complying with the U.S. federal ESIGN Act of 2000, e.g., www.docusign.com), each of which shall be deemed an original, but all of which taken together shall constitute one agreement (or amendment, as applicable). The parties irrevocably and unreservedly agree that this Agreement may be executed by way of electronic signatures and the parties agree that this Agreement, or any part thereof, shall not be challenged or denied any legal effect, validity and/or enforceability solely on the ground that it is in the form of an electronic record.

Section 5.15 Effectiveness. This Agreement shall become effective upon the Effective Date.

Section 5.16 No Recourse. This Agreement may only be enforced against, and any claims or cause of action that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement, the transactions contemplated hereby or the subject matter hereof may only be made against the parties hereto and no past, present or future Affiliate, director, officer, employee, incorporator, member, manager, partner, equityholder, agent, attorney or representative of any party hereto or any past, present or future Affiliate, director, officer, employee, incorporator, member, manager, partner, equityholder, agent, attorney or representative of any of the foregoing (each, a "Non-Recourse Party") shall have any liability for any obligations or liabilities of the parties to this Agreement or for any claim based on, in respect of, or by reason of, the transactions contemplated hereby. Without limiting the rights of any party against the other parties hereto, in no event shall any party or any of its Affiliates seek to enforce this Agreement against, make any claims for breach of this Agreement against, or seek to recover monetary damages from, any Non-Recourse Party.

Section 5.17 Obligations are Several. For the avoidance of doubt, except as expressly provided in this Agreement, all obligations, representations, warranties, covenants and agreements of each party hereto contained in this Agreement are several and not joint.

2.4 “**Award Agreement**” means either (i) a written or electronic agreement entered into between the Company and a Participant setting forth the terms and conditions of an Award, including any amendment or modification thereof, or (ii) a written or electronic statement issued by the Company to a Participant describing the terms and provisions of such Award, including any amendment or modification thereof. The Committee may provide for the use of electronic, internet or other non-paper Award Agreements, and the use of electronic, internet or other non-paper means for the acceptance thereof and actions thereunder by a Participant. Each Award Agreement shall be subject to the terms and conditions of the Plan and need not be identical.

Notwithstanding the foregoing, if a Participant and the Company (or any of its Affiliates) have entered into an employment agreement, consulting agreement or other similar agreement that specifically defines “cause,” then with respect to such Participant, “Cause” shall have the meaning defined in that employment agreement, consulting agreement or other agreement.

2.7 “**Change in Control**” shall be deemed to have occurred if any one of the following events shall occur, in a single transaction or in a series of related transactions:

(i) Any Person becomes the beneficial owner (as defined in Rule 13(d)-3 under the Exchange Act) of shares of Common Stock representing more than 50% of the total number of votes that may be cast for the election of directors of the Company; or

(ii) The consummation of any (a) merger, consolidation, acquisition, reorganization, statutory share exchange or other business combination in which either the Company or any of its subsidiaries is a party, (b) sale or other disposition of all or substantially all of the Company’s assets, in one or a series of related transactions, or (c) a combination of the foregoing transactions (each, a “**Transaction**”), other than a Transaction (A) involving only the Company and one or more of its now or hereafter existing subsidiaries, (B) immediately following which the shareholders of the Company immediately prior to the Transaction continue to hold a majority of the voting power in the resulting or surviving entity, or (C) following which the Incumbent Directors at the time of the execution of the initial agreement or other action of the Board providing for such Transaction continue to constitute a majority of the directors of the resulting or surviving entity; or

(iii) Within any twelve (12)-month period beginning on or after the Effective Date, the persons who were directors of the Company immediately before the beginning of such period (the “**Incumbent Directors**”) shall cease (for any reason other than death) to constitute at least a majority of the Board (or the board of directors of any successor to the Company); provided that any director who was not a director as of the date hereof shall be deemed to be an Incumbent Director if such director was elected to the Board by, or on the recommendation of or with the approval of, at least two-thirds of the directors who then qualified as Incumbent Directors either actually or by prior operation of the foregoing unless such election, recommendation or approval was the result of an actual or threatened election contest of the type contemplated by Rule 14a-11 promulgated under the Exchange Act or any successor provision; or

(iv) The shareholders of the Company approve a plan of complete liquidation or dissolution of the Company.

Notwithstanding the foregoing, (i) no event or condition shall constitute a Change in Control to the extent that, if it were, a penalty tax would be imposed under Section 409A of the Code; provided that, in such a case, the event or condition shall continue to constitute a Change in Control to the maximum extent possible (e.g., if applicable, in respect of vesting without an acceleration of distribution) without causing the imposition of such penalty tax and (ii) no Change in Control shall be deemed to have occurred, and no rights arising upon a Change in Control as provided in the Plan or any Award Agreement shall exist, to the extent that the Board so determines by resolution adopted and not rescinded prior to the Change in Control; *provided, however*, that no such determination by the Board shall be effective if it would cause a Participant to be subject to a penalty tax under Section 409A of the Code.

The fact that a Committee member shall fail to qualify under any of these requirements shall not invalidate an Award if the Award is otherwise validly made under the Plan. A change in the capacity in which the Participant renders service to the Company or an Affiliate as an employee, director or consultant or a change in the entity for which the Participant renders such service, provided that there is no interruption or termination of the Participant’s service with the Company or an Affiliate, will not terminate a Participant’s Continuous Service; provided, however, that if the entity for which a Participant is rendering services ceases to qualify as an Affiliate, as determined by the Committee, such Participant’s Continuous Service will be considered to have terminated on the date such entity ceases to qualify as an Affiliate. For example, a change in status from an employee of the Company to a consultant of an Affiliate or to a director will not constitute an interruption of Continuous Service. Notwithstanding the foregoing, a leave of absence will be treated as Continuous Service for purposes of vesting in an Award only to such extent as may be provided in the Company’s (or an Affiliate’s) leave of absence policy, in the written terms of any leave of absence agreement or policy applicable to the Participant, or as otherwise required by Applicable Law or permitted by the Committee. Unless the Committee provides otherwise, or as otherwise required by Applicable Law, vesting of Awards shall be tolled during any unpaid leave of absence by a Participant.

2.13 “**Control**” means, as to any Person, the power to direct or cause the direction of the management and policies of such Person, or the power to appoint directors of the Company, whether through the ownership of voting securities, by contract or otherwise (the terms “**Controlled by**” and “**under common Control with**” shall have correlative meanings).

3. Administration

3.1 Committee Members. The Plan shall be administered by the Committee; provided that the entire Board may act in lieu of the Committee on any matter, subject to Section 16b-3 Award requirements referred to in Section 2.9 of the Plan. If and to the extent permitted by Applicable Law, the Committee may authorize one or more Reporting Persons (or other officers) to make Awards to Eligible Persons who are not Reporting Persons (or other officers whom the Committee has specifically authorized to make Awards). Subject to Applicable Law and the restrictions set forth in the Plan, the Committee may delegate administrative functions to individuals who are Reporting Persons, officers, or employees of the Company or its Subsidiaries.

3.2 Committee Authority. The Committee shall have such powers and authority as may be necessary or appropriate for the Committee to carry out its functions as described in the Plan. Subject to the express limitations of the Plan, the Committee shall have authority to determine the Eligible Persons to whom, and the time or times at which, Awards may be granted, the number of shares, units or other rights subject to each Award, the exercise, base or purchase price of an Award (if any), the time or times at which an Award will become vested, exercisable or payable, the performance criteria, performance goals and other conditions of an Award, the duration of the Award, and all other terms of the Award. Subject to the terms of the Plan, the Committee shall have authority to amend the terms of an Award in any manner that is not inconsistent with the Plan (including without limitation to determine, add, cancel, waive, amend or otherwise alter any restrictions, terms or conditions of any Award, or extend the post-termination exercisability period of any Stock Option and/or Stock Appreciation Right); provided, no such action shall materially and adversely affect the rights of a Participant with respect to an outstanding Award without the Participant's consent (for purposes of the foregoing, any action that causes an Incentive Stock Option to be treated as a Nonqualified Stock Option shall not be considered to have adversely affected a Participant's rights). Notwithstanding anything herein or in any Award Agreement to the contrary, the Committee shall retain the discretion to adjust, up or down, or add, remove or otherwise modify, waive or suspend, any Performance Goals, either on a formula or discretionary basis or any combination thereof, with respect to an outstanding Award in any respect without the Participant's consent. The Committee shall also have authority to approve forms of Award Agreement, interpret the Plan, to make all factual determinations under the Plan, and to make all other determinations necessary or advisable for Plan administration, including, without limitation, to correct any defect, to supply any omission or to reconcile any inconsistency in the Plan or any Award Agreement. The Committee may prescribe, amend, and rescind rules and regulations relating to the Plan. The Committee's determinations under the Plan need not be uniform and may be made by the Committee selectively among Participants and Eligible Persons, whether or not such persons are similarly situated. The Committee shall consider such factors as it deems relevant in making its interpretations, determinations and actions under the Plan including, without limitation, the recommendations or advice of any officer or employee of the Company or such attorneys, consultants, accountants or other advisors as it may select. All determinations, interpretations, exercises of authority or other actions made by the Committee or Company under the Plan and any Award Agreement shall be taken or made by the Committee or Company, as applicable, in their sole and absolute discretion, and shall be final and binding on all persons, including, without limitation, the Company and all Participants.

3.3 No Liability; Indemnification. Neither the Board nor any Committee member, nor any Person acting at the direction of the Board or the Committee, shall be liable for any act, omission, interpretation, construction or determination made in good faith with respect to the Plan or any Award or Award Agreement. The Company and its Subsidiaries shall pay or reimburse any member of the Committee, as well as any other Person who takes action on behalf of the Plan, for all reasonable expenses incurred with respect to the Plan, and to the full extent allowable under Applicable Law shall indemnify each and every one of them for any claims, liabilities, and costs (including reasonable attorney's fees) arising out of their good faith performance of duties on behalf of the Company with respect to the Plan. The Company and its Subsidiaries may, but shall not be required to, obtain liability insurance for this purpose.

4. Shares Subject to the Plan

4.1 Plan Share Limitation.

(a) Subject to adjustment pursuant to Section 4.3 and any other applicable provisions hereof, the maximum aggregate number of shares of Common Stock which may be issued under all Awards granted to Participants under the Plan shall be 22,500,000 shares. In no event will the aggregate number of shares of Common Stock that may be issued upon the exercise of Incentive Stock Options exceed 22,500,000.

(b) Shares of Common Stock issued under the Plan may be either authorized but unissued shares or shares held in the Company's treasury. To the extent that any Award payable in shares of Common Stock is forfeited, canceled, returned to the Company for failure to satisfy vesting requirements or upon the occurrence of other forfeiture events, or otherwise terminates without payment being made thereunder, the shares of Common Stock covered thereby will no longer be counted against the foregoing maximum share limitations and may again be made subject to Awards under the Plan pursuant to such limitations. Awards settled in cash shall not count against the foregoing maximum share limitation. Shares of Common Stock that otherwise would have been issued upon the exercise of a Stock Option or SAR or in payment with respect to any other form of Award, but are surrendered in payment or partial payment of the exercise price thereof and/or taxes withheld with respect to the exercise thereof or the making of such payment, will no longer be counted against the foregoing maximum share limitations and may again be made subject to Awards under the Plan pursuant to such limitations. This Section 4.1(b) shall be construed and interpreted in accordance with the requirements of Section 422 of the Code.

4.2 Outside Director Limitation. Subject to adjustment as provided in Section 4.3, the aggregate Fair Market Value of Awards granted under the Plan to any Outside Director during any calendar year shall not exceed \$750,000 (inclusive of any cash awards to an Outside Director for such year that are not made pursuant to the Plan); provided that in the case of a new Outside Director, such amount shall be increased to \$1,000,000 for the initial year of the Outside Director's term.

4.3 Adjustments. If there shall occur any change with respect to the outstanding shares of Common Stock by reason of any recapitalization, reclassification, stock dividend, extraordinary dividend, stock split, reverse stock split, or other distribution with respect to the shares of Common Stock, or any merger, reorganization, consolidation, combination, spin-off or other similar corporate change, or any other change affecting the Common Stock, or any other corporate transaction directly or indirectly affecting the Awards or the Performance Goals or the Company's financial performance, condition or results of operations, the Committee shall, in the manner and to the extent that it deems appropriate and equitable to the Participants and consistent with the terms of the Plan, cause an adjustment to be made in (i) the maximum numbers and kind of shares provided in Section 4.1 hereof, (ii) the numbers and kind of shares of Common Stock, units, or other rights subject to then outstanding Awards, (iii) the price for each share or unit or other right subject to then outstanding Awards, (iv) the performance measures or goals relating to the vesting of an Award, including without limitation, any Performance Goals, and (v) any other terms of an Award that are affected by the event to prevent dilution or enlargement of a Participant's rights under an Award. The Committee shall also make appropriate adjustments in the terms of any Awards to reflect or relate to such changes and to modify any other terms of outstanding Awards, such as modifying performance goals and changing the length of any performance period without Participant consent. Notwithstanding the foregoing, in the case of Incentive Stock Options, any such adjustments shall, to the extent practicable, be made in a manner consistent with the requirements of Section 424(a) of the Code.

Notwithstanding the foregoing, to the extent of any conflict between this Section 4.3 and the terms of any Award Agreement, this Section 4.3 shall control, unless such Award Agreement specifically references that it controls over this Section 4.3.

5. Participation and Awards

5.1 Designation of Participants. All Eligible Persons are eligible to be designated by the Committee to receive Awards and become Participants under the Plan. The Committee has the authority to determine and designate from time to time those Eligible Persons who are to be granted Awards, the types of Awards to be granted and the number of shares of Common Stock or units subject to Awards granted under the Plan. In selecting Eligible Persons to be Participants and in determining the type and amount of Awards to be granted under the Plan, the Committee shall consider any and all factors that it deems relevant or appropriate.

5.2 Determination of Awards. The Committee shall determine the terms and conditions of all Awards granted to Participants in accordance with its authority under Section 3.2 hereof. An Award may consist of one type of right or benefit hereunder or of two or more such rights or benefits granted in tandem or in the alternative. To the extent deemed appropriate by the Committee, an Award shall be evidenced by an Award Agreement as described in Section 15.1 hereof.

6. Stock Options

6.1 Grant of Stock Option. A Stock Option may be granted to any Eligible Person selected by the Committee. Subject to the provisions of Section 6.6 hereof and Section 422 of the Code, each Stock Option shall be designated by the Committee as an Incentive Stock Option or as a Nonqualified Stock Option.

6.2 Exercise Price. The exercise price per share of a Stock Option shall not be less than 100% of the Fair Market Value of a share of Common Stock on the Date of Grant, subject to adjustments as provided for under Section 4.3.

6.3 Vesting of Stock Options. The Committee shall prescribe the time or times at which, or the conditions upon which, a Stock Option or portion thereof shall become vested and/or exercisable in an Award Agreement or as otherwise may be adjusted from time to time, including by way of adjustment contemplated by this Plan. The requirements for vesting and exercisability of a Stock Option may be based on the Continuous Service of the Participant for a specified time period (or periods) and/or on the attainment of a specified performance goal (or goals) established by the Committee. The Committee may accelerate the vesting or exercisability of any Stock Option at any time. The Committee may allow a Participant to exercise unvested Nonqualified Stock Options, in which case the shares of Common Stock then issued shall be Restricted Stock having analogous vesting restrictions to the unvested Nonqualified Stock Options.

6.4 Term of Stock Options. The Committee shall prescribe in an Award Agreement the period during which a vested Stock Option may be exercised, provided that the maximum term of a Stock Option shall be ten (10) years from the Date of Grant. A Stock Option may be earlier terminated as specified by the Committee and set forth in an Award Agreement upon or following the termination of a Participant's Continuous Service for any reason, including by reason of voluntary resignation, death, Disability, termination for Cause or any other reason. Except as otherwise provided in this Section 6 or in an Award Agreement as such agreement may be amended from time to time upon authorization of the Committee, no Stock Option may be exercised at any time during the term thereof unless the Participant is then in Continuous Service. Notwithstanding the foregoing, unless an Award Agreement provides otherwise:

(a) If a Participant's Continuous Service terminates by reason of his or her death, any Stock Option held by such Participant may, to the extent then exercisable, be exercised by such Participant's estate or any Person who acquires the right to exercise such Stock Option by bequest or inheritance at any time in accordance with its terms for up to one (1) year after the date of such Participant's death (but in no event after the earlier of the expiration of the term of such Stock Option or such time as the Stock Option is otherwise canceled or terminated in accordance with its terms). Upon expiration of such one-year period, no portion of the Stock Option held by such Participant shall be exercisable and the Stock Option shall be deemed to be canceled, forfeited and of no further force or effect.

(b) If a Participant's Continuous Service terminates by reason of his or her Disability, any Stock Option held by such Participant may, to the extent then exercisable, be exercised by the Participant or his or her personal representative at any time in accordance with its terms for up to one (1) year after the date of such Participant's termination of Continuous Service (but in no event after the earlier of the expiration of the term of such Stock Option or such time as the Stock Option is otherwise canceled or terminated in accordance with its terms). Upon expiration of such one-year period, no portion of the Stock Option held by such Participant shall be exercisable and the Stock Option shall be deemed to be canceled, forfeited and of no further force or effect.

(c) If a Participant's Continuous Service terminates for any reason other than death, Disability or Cause, any Stock Option held by such Participant may, to the extent then exercisable, be exercised by the Participant up until ninety (90) days following such termination of Continuous Service (but in no event after the earlier of the expiration of the term of such Stock Option or such time as the Stock Option is otherwise canceled or terminated in accordance with its terms). Upon expiration of such 90-day period, no portion of the Stock Option held by such Participant shall be exercisable and the Stock Option shall be deemed to be canceled, forfeited and of no further force or effect.

(d) To the extent that a Stock Option of a Participant whose Continuous Service terminates for any reason other than Cause is not exercisable, such Stock Option shall be deemed forfeited and canceled on the ninetieth (90th) day after such termination of Continuous Service or at such earlier time as the Committee may determine.

6.5 Stock Option Exercise. Subject to such terms and conditions as shall be specified in an Award Agreement, a Stock Option may be exercised in whole or in part at any time during the term thereof by notice in the form required by the Company, and payment of the aggregate exercise price by certified or bank check, or such other means as the Committee may accept. As set forth in an Award Agreement or otherwise determined by the Committee, at or after grant, payment in full or in part of the exercise price of an Option may be made: (i) in the form of shares of Common Stock that have been held by the Participant for such period as the Committee may deem appropriate for accounting purposes or otherwise, valued at the Fair Market Value of such shares on the date of exercise; (ii) by surrendering to the Company shares of Common Stock otherwise receivable on exercise of the Option; (iii) by a cashless exercise program implemented by the Committee in connection with the Plan; (iv) subject to the approval of the Committee, by a full recourse, interest bearing promissory note having such terms as the Committee may permit and/or (v) by such other method as may be approved by the Committee. Subject to any governing rules or regulations, as soon as practicable after receipt of written notification of exercise and full payment of the exercise price and satisfaction of any applicable tax withholding pursuant to Section 16.5, the Company shall deliver to the Participant evidence of book entry shares of Common Stock or Common Stock certificates in an appropriate amount based upon the number of shares of Common Stock purchased under the Option. Unless otherwise determined by the Committee, all payments under all of the methods indicated above shall be paid in United States dollars or shares of Common Stock, as applicable.

6.6 Additional Rules for Incentive Stock Options.

(a) Eligibility. An Incentive Stock Option may only be granted to an Eligible Person who is considered an employee under Treasury Regulation §1.421-1(h) of the Company or any Subsidiary.

(b) Annual Limits. No Incentive Stock Option shall be granted to an Eligible Person as a result of which the aggregate Fair Market Value (determined as of the Date of Grant) of the stock with respect to which Incentive Stock Options are exercisable for the first time in any calendar year under the Plan and any other stock option plans of the Company or any Subsidiary would exceed \$100,000, determined in accordance with Section 422(d) of the Code. This limitation shall be applied by taking Incentive Stock Options into account in the order in which granted.

(c) Ten Percent Stockholders. If a Stock Option granted under the Plan is intended to be an Incentive Stock Option, and if the Participant, at the time of grant, owns stock possessing ten percent (10%) or more of the total combined voting power of all classes of Common Stock of the Company or any Subsidiary, then (i) the Stock Option exercise price per share shall in no event be less than 110% of the Fair Market Value of the Common Stock on the date of such grant and (ii) such Stock Option shall not be exercisable after the expiration of five (5) years following the date such Stock Option is granted.

(d) Termination of Employment. An Award of an Incentive Stock Option shall provide that such Stock Option may be exercised not later than three (3) months following termination of employment of the Participant with the Company and all Subsidiaries, or not later than one (1) year following death or a permanent and total disability within the meaning of Section 22(e)(3) of the Code, as and to the extent determined by the Committee to be necessary to comply with the requirements of Section 422 of the Code.

(e) Disqualifying Dispositions. If shares of Common Stock acquired by exercise of an Incentive Stock Option are disposed of within two (2) years following the Date of Grant or one (1) year following the transfer of such shares to the Participant upon exercise, the Participant shall, immediately following such disposition, notify the Company in writing of the date and terms of such disposition and provide such other information regarding the disposition as the Company may reasonably require.

7. Stock Appreciation Rights

7.1 Grant of Stock Appreciation Rights. A Stock Appreciation Right may be granted to any Eligible Person selected by the Committee. Stock Appreciation Rights may be granted on a basis that allows for the exercise of the right by the Participant or that provides for the automatic payment of the right upon a specified date or event.

7.2 Base Price. The base price of a Stock Appreciation Right shall be determined by the Committee; provided, however, that the base price for any grant of a Stock Appreciation Right shall not be less than 100% of the Fair Market Value of a share of Common Stock on the Date of Grant, subject to adjustments as provided for under Section 4.3.

7.3 Vesting Stock Appreciation Rights. The Committee shall prescribe the time or times at which, or the conditions upon which, a Stock Appreciation Right or portion thereof shall become vested and/or exercisable in an Award Agreement or as otherwise may be adjusted from time to time, including by way of adjustment contemplated by this Plan. The requirements for vesting and exercisability of a Stock Appreciation Right may be based on the Continuous Service of a Participant for a specified time period (or periods) or on the attainment of a specified performance goal (or goals) established by the Committee. The Committee may accelerate the vesting or exercisability of any Stock Appreciation Right at any time.

7.4 Term of Stock Appreciation Rights. The Committee shall prescribe in an Award Agreement the period during which a vested Stock Appreciation Right may be exercised, provided that the maximum term of a Stock Appreciation Right shall be ten (10) years from the Date of Grant. A Stock Appreciation Right may be earlier terminated as specified by the Committee and set forth in an Award Agreement upon or following the termination of a Participant's Continuous Service for any reason, including by reason of voluntary resignation, death, Disability, termination for Cause or any other reason. Except as otherwise provided in this Section 7 or in an Award Agreement, as such agreement may be amended from time to time upon authorization of the Committee, no Stock Appreciation Right may be exercised at any time during the term thereof unless the Participant is then in Continuous Service.

7.5 Payment of Stock Appreciation Rights. Subject to such terms and conditions as shall be specified in an Award Agreement, a vested Stock Appreciation Right may be exercised in whole or in part at any time during the term thereof by notice in the form required by the Company and payment of any exercise price. Upon the exercise of a Stock Appreciation Right and payment of any applicable exercise price, a Participant shall be entitled to receive an amount determined by multiplying: (i) the excess of the Fair Market Value of a share of Common Stock on the date of exercise of the Stock Appreciation Right over the base price of such Stock Appreciation Right, by (ii) the number of shares as to which such Stock Appreciation Right is exercised. Payment of the amount determined under the immediately preceding sentence may be made, as approved by the Committee and set forth in the Award Agreement, in shares of Common Stock valued at their Fair Market Value on the date of exercise, in cash, or in a combination of shares of Common Stock and cash, subject to applicable tax withholding requirements set forth in Section 16.5. If Stock Appreciation Rights are settled in shares of Common Stock, then as soon as practicable following the date of settlement the Company shall deliver to the Participant evidence of book entry shares of Common Stock or Common Stock certificates in an appropriate amount.

8. Restricted Stock Awards

8.1 Grant of Restricted Stock Awards. A Restricted Stock Award may be granted to any Eligible Person selected by the Committee. The Committee may require the payment by the Participant of a specified purchase price in connection with any Restricted Stock Award. The Committee may provide in an Award Agreement for the payment of dividends and distributions to the Participant such times as paid to stockholders generally or at the times of vesting or other payment of the Restricted Stock Award. If any dividends or distributions are paid in stock while a Restricted Stock Award is subject to restrictions under Section 8.3 of the Plan, the dividends or other distributions shares shall be subject to the same restrictions on transferability as the shares of Common Stock to which they were paid unless otherwise set forth in the Award Agreement. The Committee may also subject the grant of any Restricted Stock Award to the execution of a voting agreement with the Company or with any Affiliate of the Company.

8.2 Vesting Requirements. The restrictions imposed on shares of Common Stock granted under a Restricted Stock Award shall lapse in accordance with the vesting requirements specified by the Committee in the Award Agreement or as otherwise may be adjusted from time to time, including by way of adjustment contemplated by this Plan. Upon vesting of a Restricted Stock Award, such Award shall be subject to the tax withholding requirement set forth in Section 16.5. The requirements for vesting of a Restricted Stock Award may be based on the Continuous Service of the Participant for a specified time period (or periods) or on the attainment of a specified performance goal (or goals) established by the Committee. The Committee may accelerate the vesting of a Restricted Stock Award at any time. If the vesting requirements of a Restricted Stock Award shall not be satisfied, the Award shall be forfeited and the shares of Common Stock subject to the Award shall be returned to the Company. In the event that the Participant paid any purchase price with respect to such forfeited shares, unless otherwise provided by the Committee in an Award Agreement, the Company will refund to the Participant the lesser of (i) such purchase price and (ii) the Fair Market Value of such shares on the date of forfeiture.

8.3 Restrictions. Shares granted under any Restricted Stock Award may not be transferred, assigned or subject to any encumbrance, pledge, or charge until all applicable restrictions are removed or have expired, unless otherwise allowed by the Committee. The Committee may require in an Award Agreement that certificates representing the shares granted under a Restricted Stock Award bear a legend making appropriate reference to the restrictions imposed, and that certificates representing the shares granted or sold under a Restricted Stock Award will remain in the physical custody of an escrow holder until all restrictions are removed or have expired.

8.4 Rights as Stockholder. Subject to the foregoing provisions of this Section 8 and the applicable Award Agreement, the Participant to whom a Restricted Stock Award is made shall have all rights of a stockholder with respect to the shares granted to the Participant under the Restricted Stock Award, including the right to vote the shares and receive all dividends and other distributions paid or made with respect thereto, unless the Committee determines otherwise at the time the Restricted Stock Award is granted.

8.5 Section 83(b) Election. If a Participant makes an election pursuant to Section 83(b) of the Code with respect to a Restricted Stock Award, the Participant shall file, within thirty (30) days following the Date of Grant, a copy of such election with the Company (directed to the Secretary thereof) and with the Internal Revenue Service, in accordance with the regulations under Section 83 of the Code. The Committee may provide in an Award Agreement that the Restricted Stock Award is conditioned upon the Participant's making or refraining from making an election with respect to the Award under Section 83(b) of the Code.

9. Restricted Stock Unit Awards

9.1 Grant of Restricted Stock Unit Awards. A Restricted Stock Unit Award may be granted to any Eligible Person selected by the Committee. The value of each stock unit under a Restricted Stock Unit Award is equal to the Fair Market Value of the Common Stock on the applicable date or time period of determination, as specified by the Committee. A Restricted Stock Unit Award shall be subject to such restrictions and conditions as the Committee shall determine. A Restricted Stock Unit Award may be granted together with a dividend equivalent right with respect to the shares of Common Stock subject to the Award, which may be accumulated and may be deemed reinvested in additional stock units, as determined by the Committee. If any dividend equivalents are paid while a Restricted Stock Unit Award is subject to restrictions under Section 9 of the Plan, the Committee may provide in the Award Agreement for such dividend equivalents to immediately be paid to the Participant holding such Restricted Stock Unit Award or pay such dividend equivalents subject to the same restrictions on transferability as the Restricted Stock Units to which they relate.

9.2 Vesting of Restricted Stock Unit Awards. On the Date of Grant, the Committee shall determine any vesting requirements with respect to a Restricted Stock Unit Award, which shall be set forth in the Award Agreement or as otherwise may be adjusted from time to time, including by way of adjustment contemplated by this Plan. The requirements for vesting of a Restricted Stock Unit Award may be based on the Continuous Service of the Participant for a specified time period (or periods) or on the attainment of a specified performance goal (or goals) established by the Committee. The Committee may accelerate the vesting of a Restricted Stock Unit Award at any time. A Restricted Stock Unit Award may also be granted on a fully vested basis, with a deferred payment date as may be determined by the Committee or elected by the Participant in accordance with rules established by the Committee and in compliance with Applicable Law including Section 409A of the Code.

9.3 Payment of Restricted Stock Unit Awards. A Restricted Stock Unit Award shall become payable to a Participant at the time or times determined by the Committee and set forth in the Award Agreement, which may be upon or following the vesting of the Award. Payment of a Restricted Stock Unit Award may be made, as determined by the Committee, in cash or in shares of Common Stock, or in a combination thereof as described in the Award Agreement, subject to applicable tax withholding requirements set forth in Section 16.5. Any cash payment of a Restricted Stock Unit Award shall be made based upon the Fair Market Value of the Common Stock, determined on such date or over such time period as determined by the Committee. Notwithstanding the foregoing, unless specified otherwise in the Award Agreement, any Restricted Stock Unit, whether settled in Common Stock or cash, shall be paid no later than two-and-a-half (2 ½) months after the later of the calendar year or fiscal year in which the Restricted Stock Units vest. If Restricted Stock Unit Awards are settled in shares of Common Stock, then as soon as practicable following the date of settlement, the Company shall deliver to the Participant evidence of book entry shares of Common Stock or Common Stock certificates in an appropriate amount.

10. Performance Shares

10.1 Grant of Performance Shares. Performance Shares may be granted to any Eligible Person selected by the Committee. A Performance Share Award shall be subject to such restrictions and conditions as the Committee shall specify in a Participant's Award Agreement or as otherwise may be adjusted from time to time, including by way of adjustment contemplated by this Plan. A Performance Share Award may be granted with a dividend equivalent right with respect to the shares of Common Stock subject to the Award, which may be accumulated and may be deemed reinvested in additional stock units, as determined by the Committee. Any shares of Common Stock issued to a Participant under this Section 10.1 may be subject to any restrictions deemed appropriate by the Committee.

10.2 Value of Performance Shares. Each Performance Share shall have an initial value equal to the Fair Market Value of a Share on the Date of Grant. The Committee shall set performance goals that, depending on the extent to which they are met over a specified time period, shall determine the number of Performance Shares that shall be issued to a Participant.

10.3 Earning of Performance Shares. After the applicable time period has ended, the number of Performance Shares earned by the Participant over such time period shall be determined as a function of the extent to which the applicable corresponding performance goals have been achieved. This determination shall be made solely by the Committee. The Committee may reduce the number of Performance Shares that may vest upon achievement of Performance Goals, modify any Performance Goals in a manner the Committee deems appropriate, or waive any performance or vesting conditions relating to a Performance Share Award.

11. Performance Stock Units

11.1 Grant of Performance Stock Units. Performance Stock Units may be granted to any Eligible Person selected by the Committee. A Performance Stock Unit Award shall be subject to such restrictions and conditions as the Committee shall specify in a Participant's Award Agreement or as otherwise may be adjusted from time to time, including by way of adjustment contemplated by this Plan.

11.2 Value of Performance Stock Units. Each Performance Stock Unit shall have an initial notional value equal to a dollar amount determined by the Committee. The Committee shall set performance goals that, depending on the extent to which they are met over a specified time period, will determine the number of Performance Stock Units that shall be settled and paid to the Participant.

11.3 Earning of Performance Stock Units. After the applicable time period has ended, the number of Performance Stock Units earned by the Participant, and the amount payable in cash, in shares or in a combination thereof, over such time period shall be determined as a function of the extent to which the applicable corresponding performance goals have been achieved. This determination shall be made solely by the Committee. The Committee may reduce the number of Performance Stock Units that may vest upon achievement of Performance Goals, modify any Performance Goals in a manner the Committee deems appropriate, or waive any performance or vesting conditions relating to a Performance Stock Unit Award.

11.4 Form and Timing of Payment of Performance Stock Units The Committee shall pay at the close of the applicable Performance Period, or as soon as practicable thereafter, any earned Performance Stock Units in the form of cash or in shares of Common Stock or in a combination thereof, as specified in a Participant's Award Agreement, subject to applicable tax withholding requirements set forth in Section 16.5. Notwithstanding the foregoing, unless specified otherwise in the Award Agreement, all Performance Stock Units shall be paid no later than two-and-a-half (2 ½) months following the later of the calendar year or fiscal year in which such Performance Stock Units vest. Any shares of Common Stock paid to a Participant under this Section 11.4 may be subject to any restrictions deemed appropriate by the Committee. If Performance Stock Units are settled in shares of Common Stock, then as soon as practicable following the date of settlement the Company shall deliver to the Participant evidence of book entry shares of Common Stock or Common Stock certificates in an appropriate amount.

12. Incentive Bonus Awards

12.1 Incentive Bonus Awards. The Committee may grant Incentive Bonus Awards to such Participants as it may designate from time to time. The terms of a Participant's Incentive Bonus Award shall be set forth in the Participant's Award Agreement or as otherwise may be adjusted from time to time, including by way of adjustment contemplated by this Plan. Each Award Agreement shall specify such general terms and conditions as the Committee shall determine.

12.2 Incentive Bonus Award Performance Criteria. The determination of Incentive Bonus Awards for a given year or years may be based upon the attainment of specified levels of Company or Subsidiary performance as measured by pre-established, objective performance criteria determined by the Committee. The Committee shall (i) select those Participants who shall be eligible to receive an Incentive Bonus Award, (ii) determine the performance period, (iii) determine target levels of performance, and (iv) determine the level of Incentive Bonus Award to be paid to each selected Participant upon the achievement of each performance level. The Committee generally shall make the foregoing determinations prior to the commencement of services to which an Incentive Bonus Award relates, to the extent applicable, and while the outcome of the performance goals and targets is uncertain. The Committee shall have the power to adjust, modify, increase, decrease or otherwise change any of the foregoing determinations from time to time.

12.3 Payment of Incentive Bonus Awards

(a) Incentive Bonus Awards shall be paid in cash or Common Stock, as set forth in a Participant's Award Agreement. Payments shall be made following a determination by the Committee that the performance targets were attained and shall be made within two and one-half months after the later of the end of the fiscal or calendar year in which the Incentive Award is no longer subject to a substantial risk of forfeiture.

(b) The amount of an Incentive Bonus Award to be paid upon the attainment of each targeted level of performance shall equal a percentage of a Participant's base salary for the fiscal year, a fixed dollar amount, or such other formula, as determined by the Committee. The Committee may reduce the size of any Incentive Bonus Award that the Participant may vest in upon achievement of Performance Goals, modify any Performance Goals in a manner the Committee deems appropriate, or waive any performance or vesting conditions relating to an Incentive Bonus Award.

13. Other Cash-Based Awards and Other Stock-Based Awards

13.1 Other Cash-Based and Stock-Based Awards. The Committee may grant other types of equity-based or equity-related Awards not otherwise described by the terms of this Plan (including the grant or offer for sale of unrestricted Shares) in such amounts and subject to such terms and conditions, as the Committee shall determine and specify in a Participant's Award Agreement or as otherwise may be adjusted from time to time, including by way of adjustment contemplated by this Plan. Such Awards may involve the transfer of actual shares of Common Stock to a Participant, or payment in cash or otherwise of amounts based on the value of shares of Common Stock. In addition, the Committee, at any time and from time to time, may grant Other Cash-Based Awards to a Participant in such amounts and upon such terms as the Committee shall determine and specify in a Participant's Award Agreement or as otherwise may be adjusted from time to time, including by way of adjustment contemplated by this Plan.

13.2 Value of Cash-Based Awards and Other Stock-Based Awards. Each Other Stock-Based Award shall be expressed in terms of shares of Common Stock or units based on shares of Common Stock, as determined by the Committee. Each Other Cash-Based Award shall specify a payment amount or payment range as determined by the Committee. If the Committee exercises discretion to establish performance goals, the value of Other Cash-Based Awards that shall be paid to the Participant will depend on the extent to which such performance goals are met.

13.3 Payment of Cash-Based Awards and Other Stock-Based Awards. Payment, if any, with respect to Other Cash-Based Awards and Other Stock-Based Award shall be made in accordance with the terms of the Award, in cash or shares of Common Stock as the Committee determines.

14. Change in Control

14.1 Effect of a Change in Control.

(a) The Committee may, at the time of the grant of an Award and as set forth in an Award Agreement, provide for the effect of a "Change in Control" on an Award. Such provisions may include any one or more of the following: (i) the acceleration or extension of time periods for purposes of exercising, vesting in, or realizing gain from any Award, (ii) the elimination, suspension, adjustment or other modification of performance or other conditions related to the payment or other rights under an Award, (iii) provision for the cash settlement of an Award for an equivalent cash value, as determined by the Committee, or (iv) such other modification or adjustment to an Award as the Committee deems appropriate to maintain and protect the rights and interests of Participants upon or following a Change in Control. To the extent necessary for compliance with Section 409A of the Code, an Award Agreement shall provide that an Award subject to the requirements of Section 409A that would otherwise become payable upon a Change in Control shall only become payable to the extent that the requirements for a "change in control" for purposes of Section 409A have been satisfied.

(b) Notwithstanding anything to the contrary set forth in the Plan, unless otherwise provided by an Award Agreement, upon or in anticipation of any Change in Control, the Committee may and without the need for the consent of any Participant, take one or more of the following actions contingent upon the occurrence of that Change in Control: (i) cause any or all outstanding Stock Options and Stock Appreciation Rights held by Participants affected by the Change in Control to become vested and immediately exercisable, in whole or in part; (ii) cause any or all outstanding Restricted Stock, Restricted Stock Units, Performance Shares, Performance Stock Units, Incentive Bonus Award and any other Award held by Participants affected by the Change in Control to become non-forfeitable, in whole or in part; (iii) cancel any Stock Option or Stock Appreciation Right in exchange for a substitute option in a manner consistent with the requirements of Treasury Regulation. §1.424-1(a) or §1.409A-1(b)(5)(v)(D), as applicable (notwithstanding the fact that the original Stock Option may never have been intended to satisfy the requirements for treatment as an Incentive Stock Option); (iv) cancel any Restricted Stock, Restricted Stock Units, Performance Shares or Performance Stock Units held by a Participant in exchange for restricted stock or performance shares of or stock or performance units in respect of the capital stock of any successor corporation; (v) redeem any Restricted Stock held by a Participant affected by the Change in Control for cash and/or other substitute consideration with a value equal to the Fair Market Value of an unrestricted share of Common Stock on the date of the Change in Control; (vi) terminate any Award in exchange for an amount of cash and/or property equal to the amount, if any, that would have been attained upon the exercise of such Award or realization of the Participant's rights as of the date of the occurrence of the Change in Control (the "**Change in Control Consideration**"); provided, however that if the Change in Control Consideration with respect to any Option or Stock Appreciation Right does not exceed the exercise price of such Option or Stock Appreciation Right, the Committee may cancel the Option or Stock Appreciation Right without payment of any consideration therefor; and/or (vii) take any other action necessary or appropriate to carry out the terms of any definitive agreement controlling the terms and conditions of the Change in Control or that the Committee otherwise deems appropriate, necessary, advisable or convenient in order to further the intent and purposes of such Change in Control, including, without limitation, cancel any unvested Award without payment of any consideration therefore. Any such Change in Control Consideration may be subject to any escrow, indemnification and similar obligations, contingencies and encumbrances applicable in connection with the Change in Control to holders of Common Stock. Without limitation of the foregoing, if as of the date of the occurrence of the Change in Control the Committee determines that no amount would have been attained upon the realization of the Participant's rights, then such Award may be terminated by the Company without payment. The Committee may cause the Change in Control Consideration to be subject to vesting conditions (whether or not the same as the vesting conditions applicable to the Award prior to the Change in Control) and/or make such other modifications, adjustments or amendments to outstanding Awards or this Plan as the Committee deems appropriate, necessary, advisable or convenient. In taking any of the actions permitted under this Section 14, the Committee will not be obligated to treat all Awards, all Awards held by a Participant, all Awards of the same type, or all portions of Awards, similarly.

(c) The Committee may require a Participant to (i) represent and warrant as to the unencumbered title to the Participant's Awards, (ii) bear such Participant's pro rata share of any post-closing indemnity obligations, and be subject to the same or similar post-closing purchase price adjustments, escrow terms, offset rights, holdback terms and similar conditions as the other holders of Common Stock, and (iii) execute and deliver such documents and instruments as the Committee may reasonably require for the Participant to be bound by such obligations. The Committee will endeavor to take action under this Section 14 in a manner that does not cause a violation of Section 409A of the Code with respect to an Award.

15. General Provisions

15.1 Award Agreement. To the extent deemed necessary by the Committee, an Award under the Plan shall be evidenced by an Award Agreement in a written or electronic form approved by the Committee and to the extent applicable, setting forth the number of shares of Common Stock or units subject to the Award, the exercise price, base price, or purchase price of the Award, the time or times at which an Award will become vested, exercisable or payable and the term of the Award. The Award Agreement may also set forth the effect on an Award of termination of Continuous Service under certain circumstances. The Award Agreement shall be subject to and incorporate, by reference or otherwise, all of the applicable terms and conditions of the Plan, and may also set forth other terms and conditions applicable to the Award as determined by the Committee consistent with the limitations of the Plan. Award Agreements evidencing Incentive Stock Options shall contain such terms and conditions as may be necessary to meet the applicable provisions of Section 422 of the Code. The grant of an Award under the Plan shall not confer any rights upon the Participant holding such Award other than such terms, and subject to such conditions, as are specified in the Plan as being applicable to such type of Award (or to all Awards) or as are expressly set forth in the Award Agreement.

15.2 Forfeiture Events/Representations. The Committee may specify in an Award Agreement at the time of the Award that the Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events shall include, but shall not be limited to, termination of Continuous Service for Cause, violation of Company policies, breach of noncompetition, confidentiality or other restrictive covenants that may apply to the Participant, or other conduct by the Participant that is detrimental to the business or reputation of the Company. The Committee may also specify in an Award Agreement that the Participant's rights, payments and benefits with respect to an Award shall be conditioned upon the Participant making a representation regarding compliance with noncompetition, confidentiality or other restrictive covenants that may apply to the Participant and providing that the Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment on account of a breach of such representation. Notwithstanding the foregoing, the confidentiality restrictions set forth in an Award Agreement shall not, and shall not be interpreted to, impair a Participant from exercising any legally protected whistleblower rights (including under Rule 21 of the Exchange Act). Notwithstanding anything to the contrary contained herein or in any Award Agreement, any amounts paid hereunder shall be subject to recoupment in accordance with The Dodd-Frank Wall Street Reform and Consumer Protection Act and any implementing regulations thereunder, any "clawback" policy adopted by the Company, as in effect from time to time, or as is otherwise required by Applicable Law.

15.3 No Assignment or Transfer; Beneficiaries.

(a) Awards under the Plan shall not be assignable or transferable by the Participant, except by will or by the laws of descent and distribution, and shall not be subject in any manner to assignment, alienation, pledge, encumbrance or charge. Notwithstanding the foregoing, the Committee may provide in an Award Agreement that the Participant shall have the right to designate a beneficiary or beneficiaries who shall be entitled to any rights, payments or other benefits specified under an Award following the Participant's death. During the lifetime of a Participant, an Award shall be exercised only by such Participant or such Participant's guardian or legal representative. In the event of a Participant's death, an Award may, to the extent permitted by the Award Agreement, be exercised by the Participant's beneficiary as designated by the Participant in the manner prescribed by the Committee or, in the absence of an authorized beneficiary designation, by the legatee of such Award under the Participant's will or by the Participant's estate in accordance with the Participant's will or the laws of descent and distribution, in each case in the same manner and to the same extent that such Award was exercisable by the Participant on the date of the Participant's death.

(b) Limited Transferability Rights. Notwithstanding anything else in this Section 15.3 to the contrary, the Committee may provide in an Award Agreement that an Award in the form of a Nonqualified Stock Option, share-settled Stock Appreciation Right, Restricted Stock, Performance Share or share-settled Other Stock-Based Award may be transferred, on such terms and conditions as the Committee deems appropriate, either (i) by instrument to the Participant's "Immediate Family" (as defined below), (ii) by instrument to an inter vivos or testamentary trust (or other entity) in which the Award is to be passed to the Participant's designated beneficiaries, or (iii) by gift to charitable institutions. Any transferee of the Participant's rights shall succeed and be subject to all of the terms of the applicable Award Agreement and the Plan. "**Immediate Family**" means any child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, and shall include adoptive relationships.

15.4 Rights as Stockholder. A Participant shall have no rights as a holder of shares of Common Stock with respect to any unissued shares of Common Stock covered by an Award until the date the Participant becomes the holder of record of such securities. Except as provided in Section 4.3 hereof, no adjustment or other provision shall be made for dividends or other stockholder rights, except to the extent that the Award Agreement provides for dividend payments or dividend equivalent rights.

15.5 Employment or Continuous Service. Nothing in the Plan, in the grant of any Award or in any Award Agreement shall confer upon any Eligible Person or Participant any right to continue in Continuous Service, or interfere in any way with the right of the Company or any of its Subsidiaries to terminate the employment or other service relationship of an Eligible Person or Participant for any reason at any time.

15.6 Fractional Shares. In the case of any fractional share or unit resulting from the grant, vesting, payment or crediting of dividends or dividend equivalents under an Award, the Committee shall have the authority to (i) disregard such fractional share or unit, (ii) round such fractional share or unit to the nearest lower or higher whole share or unit, or (iii) convert such fractional share or unit into a right to receive a cash payment.

15.7 Other Compensation and Benefit Plans. The amount of any compensation deemed to be received by a Participant pursuant to an Award shall not constitute includable compensation for purposes of determining the amount of benefits to which a Participant is entitled under any other compensation or benefit plan or program of the Company or any Subsidiary, including, without limitation, under any bonus, pension, profit-sharing, life insurance, salary continuation or severance benefits plan, except to the extent specifically provided by the terms of any such plan.

15.8 Plan Binding on Transferees. The Plan shall be binding upon the Company, its transferees and assigns, and the Participant, the Participant's executor, administrator and permitted transferees and beneficiaries. In addition, all obligations of the Company under this Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

15.9 Foreign Jurisdictions. The Committee may adopt, amend and terminate such arrangements and grant such Awards, not inconsistent with the intent of the Plan, as it may deem necessary or desirable to comply with any tax, securities, regulatory or other laws of other jurisdictions with respect to Awards that may be subject to such laws. The terms and conditions of such Awards may vary from the terms and conditions that would otherwise be required by the Plan solely to the extent the Committee deems necessary for such purpose. Moreover, the Board may approve such supplements to or amendments, restatements or alternative versions of the Plan, not inconsistent with the intent of the Plan, as it may consider necessary or appropriate for such purposes, without thereby affecting the terms of the Plan as in effect for any other purpose.

15.10 No Obligation to Notify or Minimize Taxes. The Company will have no duty or obligation to any Participant to advise such holder as to the time or manner of exercising an Award. Furthermore, the Company will have no duty or obligation to warn or otherwise advise such holder of a pending termination or expiration of an Award or a possible period in which the Award may not be exercised. The Company has no duty or obligation to minimize the tax consequences of an Award to the holder of such Award.

15.11 Corporate Action Constituting Grant of Awards. Corporate action constituting a grant by the Company of an Award to any Participant will be deemed completed as of the date of such corporate action, unless otherwise determined by the Committee or the Board, regardless of when the instrument, certificate, or letter evidencing the Award is communicated to, or actually received or accepted by, the Participant. In the event that the corporate records (e.g., Board or Committee consents, resolutions or minutes) documenting the corporate action constituting the grant contain terms (e.g., exercise price, vesting schedule or number of shares) that are inconsistent with those in the Award Agreement as a result of a clerical error in the papering of the Award Agreement, the corporate records will control and the Participant will have no legally binding right to the incorrect term in the Award Agreement.

15.12 Change in Time Commitment. In the event a Participant's regular level of time commitment in the performance of the Participant's services for the Company and any Affiliates is reduced (for example, and without limitation, if the Participant is an employee of the Company and the employee has a change in status from a full-time employee to a part-time employee) after the date of grant of any Award to the Participant, the Committee has the right to (i) make a corresponding reduction in the number of shares subject to any portion of such Award that is scheduled to vest or become payable after the date of such change in time commitment and (ii) in lieu of or in combination with such a reduction, extend the vesting or payment schedule applicable to such Award. In the event of any such reduction, the Participant will have no right with respect to any portion of the Award that is so reduced or extended.

15.13 Substitute Awards in Corporate Transactions. Nothing contained in the Plan shall be construed to limit the right of the Committee to grant Awards under the Plan in connection with the acquisition, whether by purchase, merger, consolidation or other corporate transaction, of the business or assets of any corporation or other entity. Without limiting the foregoing, the Committee may grant Awards under the Plan to an employee or director of another corporation who becomes an Eligible Person by reason of any such corporate transaction in substitution for awards previously granted by such corporation or entity to such person. The terms and conditions of the substitute Awards may vary from the terms and conditions that would otherwise be required by the Plan solely to the extent the Committee deems necessary for such purpose. Any shares of Common Stock subject to these substitute Awards shall not be counted against any of the maximum share limitations set forth in the Plan; provided, that, these substitute Awards issued in connection with the assumption of, or in substitution for, outstanding Options that are intended to qualify as Incentive Stock Options shall be counted against the number of shares of Common Stock set forth in Section 4.1(a) that may be granted as Incentive Stock Options.

16. Legal Compliance

16.1 Securities Laws. No shares of Common Stock will be issued or transferred pursuant to an Award unless and until all then applicable requirements imposed by Federal and state securities and other laws, rules and regulations and by any regulatory agencies having jurisdiction, and by any exchanges upon which the shares of Common Stock may be listed, have been fully met. As a condition precedent to the issuance of shares pursuant to the grant or exercise of an Award, the Company may require the Participant to take any reasonable action to meet such requirements. The Committee may impose such conditions on any shares of Common Stock issuable under the Plan as it may deem advisable, including, without limitation, restrictions under the Securities Act, as amended, under the requirements of any exchange upon which such shares of the same class are then listed, and under any blue sky or other securities laws applicable to such shares. The Committee may also require the Participant to represent and warrant at the time of issuance or transfer that the shares of Common Stock are being acquired only for investment purposes and without any current intention to sell or distribute such shares. All Common Stock issued pursuant to the terms of this Plan shall constitute "restricted securities," as that term is defined in Rule 144 promulgated pursuant to the Securities Act, and may not be transferred except in compliance herewith and with the registration requirements of the Securities Act or an exemption therefrom. Certificates representing Common Stock acquired pursuant to an Award may bear such legend as the Company may consider appropriate under the circumstances.

16.2 Incentive Arrangement. The Plan is designed to provide an on-going, pecuniary incentive for Participants to produce their best efforts to increase the value of the Company. The Plan is not intended to provide retirement income or to defer the receipt of payments hereunder to the termination of a Participant's employment or beyond. The Plan is thus intended not to be a pension or welfare benefit plan that is subject to Employee Retirement Income Security Act of 1974 ("**ERISA**"), and shall be construed accordingly. All interpretations and determinations hereunder shall be made on a basis consistent with the Plan's status as not an employee benefit plan subject to ERISA.

16.3 Unfunded Plan. The adoption of the Plan and any reservation of shares of Common Stock or cash amounts by the Company to discharge its obligations hereunder shall not be deemed to create a trust or other funded arrangement. Except upon the issuance of Common Stock pursuant to an Award, any rights of a Participant under the Plan shall be those of a general unsecured creditor of the Company, and neither a Participant nor the Participant's permitted transferees or estate shall have any other interest in any assets of the Company by virtue of the Plan. Notwithstanding the foregoing, the Company shall have the right to implement or set aside funds in a grantor trust, subject to the claims of the Company's creditors or otherwise, to discharge its obligations under the Plan.

16.4 Section 409A Compliance. To the extent applicable, it is intended that the Plan and all Awards hereunder comply with the requirements of Section 409A of the Code or an exemption thereto, and the Plan and all Award Agreements shall be interpreted and applied by the Committee in a manner consistent with this intent in order to avoid the imposition of any additional tax under Section 409A of the Code. Notwithstanding anything in the Plan or an Award Agreement to the contrary, in the event that any provision of the Plan or an Award Agreement is determined by the Committee, to not comply with the requirements of Section 409A of the Code or an exemption thereto, the Committee shall have the authority to take such actions and to make such interpretations or changes to the Plan or an Award Agreement as the Committee deems necessary, regardless of whether such actions, interpretations, or changes shall adversely affect a Participant, subject to the limitations, if any, of Applicable Law. If an Award is subject to Section 409A of the Code, any payment made to a Participant who is a "specified employee" of the Company or any Subsidiary shall not be made before the date that is six (6) months after the Participant's "separation from service" to the extent required to avoid the adverse consequences of Section 409A of the Code. For purposes of this Section 16.4, the terms "separation from service" and "specified employee" shall have the meanings set forth in Section 409A of the Code. In no event whatsoever shall the Company be liable for any additional tax, interest or penalties that may be imposed on any Participant by Section 409A of the Code or any damages for failing to comply with Section 409A of the Code.

16.5 Tax Withholding.

(a) The Company shall have the power and the right to deduct or withhold, or require a participant to remit to the Company, the minimum statutory amount to satisfy federal, state, and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of this Plan, but in no event shall such deduction or withholding or remittance exceed the minimum statutory withholding requirements unless permitted by the Company and such additional withholding amount will not cause adverse accounting consequences and is permitted under Applicable Law.

(b) Subject to such terms and conditions as shall be specified in an Award Agreement, a Participant may, in order to fulfill the withholding obligation, (i) tender previously-acquired shares of Common Stock or have shares of stock withheld from the exercise, provided that the shares have an aggregate Fair Market Value sufficient to satisfy in whole or in part the applicable withholding taxes; and/or (ii) utilize the broker-assisted exercise procedure described in Section 6.5 to satisfy the withholding requirements related to the exercise of a Stock Option.

(c) Notwithstanding the foregoing, a Participant may not use shares of Common Stock to satisfy the withholding requirements to the extent that (i) there is a substantial likelihood that the use of such form of payment or the timing of such form of payment would subject the Participant to a substantial risk of liability under Section 16 of the Exchange Act; (ii) such withholding would constitute a violation of the provisions of any law or regulation, or (iii) such withholding would cause adverse accounting consequences for the Company.

16.6 No Guarantee of Tax Consequences. Neither the Company, the Board, the Committee nor any other Person make any commitment or guarantee that any federal, state, local or foreign tax treatment will apply or be available to any Participant or any other Person hereunder.

16.7 Severability. If any provision of the Plan or any Award Agreement shall be determined to be illegal or unenforceable by any court of law in any jurisdiction, the remaining provisions hereof and thereof shall be severable and enforceable in accordance with their terms, and all provisions shall remain enforceable in any other jurisdiction.

16.8 Stock Certificates; Book Entry Form. Notwithstanding any provision of the Plan to the contrary, unless otherwise determined by the Committee or required by any Applicable Law, rule or regulation, any obligation set forth in the Plan pertaining to the delivery or issuance of stock certificates evidencing shares of Common Stock may be satisfied by having issuance and/or ownership of such shares recorded on the books and records of the Company (or, as applicable, its transfer agent or stock plan administrator).

16.9 Governing Law. The Plan and all rights hereunder shall be subject to and interpreted in accordance with the laws of the State of Texas, without reference to the principles of conflicts of laws, and to applicable Federal securities laws. This Agreement to arbitrate is entered into in accordance with the Federal Arbitration Act. Any controversy or claim arising out of or relating to (i) a Participant's employment with the Company or a Subsidiary or Affiliate and/or (ii) the Plan, or the breach thereof, shall be settled by arbitration administered by JAMS in accordance with its Employment Arbitration Rules before a single arbitrator in Dallas, Texas, and judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. The Company and the Participant will each be responsible for their own attorneys' fees and expenses incurred in connection with any such arbitration. The decision arrived at by the arbitrator shall be binding upon all parties to the arbitration and no appeal shall lie therefrom, except as provided by the Federal Arbitration Act. These arbitration procedures are intended to be the exclusive method of resolving any claim or dispute arising out of or related to this Plan, including the applicability of this Section; provided, however, that any party seeking injunctive relief in connection with a breach or anticipated breach of the Plan will do so in a state or federal court of competent jurisdiction within Dallas, Texas. Neither an application for temporary emergency relief, nor a court's consideration of granting such relief shall (i) constitute a waiver of the right to pursue arbitration under this provision or (ii) delay the appointment of the arbitrator(s) or the progress of arbitration proceedings. Each Participant knowingly, voluntarily and expressly waives any and all rights to initiate, participate in, or receive money or any other form of relief from any class, collective or representative proceeding and agrees each arbitration proceeding shall proceed on an individualized basis.

16.10 Reduction of Excess Parachute Payments. Except as may be provided in an employment or severance compensation or other service agreement between the Company and the Participant, if, in connection with a Change in Control, a Participant's payment of any Awards will cause the Participant to be liable for federal excise tax under Section 4999 of the Code levied on certain "excess parachute payments" as defined in Section 280G of the Code ("Excise Tax"), then the payments made pursuant to the Awards shall be reduced (or repaid to the Company, if previously paid or provided) as provided below:

(a) If the payments due upon a Change in Control under this Plan and any other agreement between a Participant and the Company, exceed 2.99 times the Participant's "base amount," as defined in Section 280G of the Code, a reduced payment amount shall be calculated by reducing the payments to the minimum extent necessary so that no portion of any payment, as so reduced or repaid, constitutes an excess parachute payment.

(b) Whether payments are to be reduced pursuant to this Section 16.10, and to the extent to which they are to be so reduced, will be determined solely by the Company and the Company will notify the Participant in writing of its determination.

(c) In no event shall a Participant be entitled to receive any kind of gross-up payment or Excise Tax reimbursement from the Company.

17. Effective Date, Amendment and Termination

17.1 Effective Date. The effective date of the Plan shall be the date on which the Plan is approved by the requisite percentage of the holders of the Common Stock of the Company; provided, however, that Awards granted under the Plan subsequent to the approval of the Plan by the Board shall be valid if such stockholder approval occurs within one (1) year of the date on which such Board approval occurs.

17.2 Amendment; Termination. The Board may suspend or terminate the Plan (or any portion thereof) at any time and may amend the Plan at any time and from time to time in such respects as the Board may deem advisable or in the best interests of the Company or any Subsidiary; provided, however, that (a) except as expressly permitted pursuant to Sections 3.2, 4.3, 10.3, 11.3, 12.3, and 14.1, no such amendment, suspension or termination shall materially and adversely affect the rights of any Participant under any outstanding Awards, without the consent of such Participant, provided that no modification or amendment of any Incentive Stock Option shall require a Participant's consent as a result of such modification or amendment causing such Incentive Stock Option (i) to become a Nonqualified Stock Option or (ii) to be considered granted as of the date of such modification or amendment pursuant to Section 424 of the Code and Treasury Regulations Section 1.424-1(e), (b) to the extent necessary and desirable to comply with any Applicable Law, regulation, or stock exchange rule, the Company shall obtain stockholder approval of any Plan amendment in such a manner and to such a degree as required, and (c) stockholder approval is required for any amendment to the Plan that (i) increases the number of shares of Common Stock available for issuance under the Plan, or (ii) changes the persons or class of persons eligible to receive Awards. The Plan will continue in effect until terminated in accordance with this Section 17.2; *provided, however*, that no Award will be granted hereunder on or after the 10th anniversary of the date of the Plan's initial adoption by the Board (the "**Expiration Date**"); *but provided further*, that Awards granted prior to such Expiration Date may extend beyond that date.
