Item 8.01. Other Information

Stock Split

Our Board of Directors has declared a 3.462-for-1 forward stock split on the Company's common stock, in the form of a dividend, with a record date of December 6, 2013, a payment date of December 16, 2013, an ex-dividend date of December 17, 2012, and a due bill redeemable date of December 23, 2013. The stock split will entitle each shareholder as of the record date to receive 2.462 additional shares of common stock for each one share owned. Additional shares issued as a result of the stock split will be distributed on the payment date. Shareholders do not need to exchange existing stock certificates and will receive a new certificate reflecting the newly issued shares.

Shareholders who sell their stock before the ex-dividend date are selling away their right to the stock dividend. Such sale will include an obligation to deliver any shares acquired as a result of the dividend to the buyer of the shares, since the seller will receive an I.O.U. or "due bill" from his or her broker for the additional shares. The day stockholders can sell their shares without being obligated to deliver the additional dividend shares is the ex-dividend date, the first business day after the stock dividend payment date. As of the ex-dividend date, the Company's common stock will trade on a post-split adjusted basis.
